2023 American Airlines Medicare Advantage options

UnitedHealthcare® Group Medicare Advantage (PPO)

Dear Retiree,

American Airlines has selected UnitedHealthcare to offer medical and prescription drug coverage for Medicare-eligible retirees. As a UnitedHealthcare Medicare Advantage member, you'll have a team committed to understanding your needs and helping you get the care you need.

Let us help you:

- Get tools and resources to help you be in more control of your health
- Find ways to save money on health care so you can focus more on what matters to you
- Get access to care when you need it

In this book, you will find:

- A description of these options and how they work
- Information on benefits, programs and services – and how much they cost
- What you can expect after your enrollment

How to enroll

American offers two options, the Standard Option and the Plus Experience Option. You and your Medicare-eligible dependents will be enrolled automatically in the UnitedHealthcare Group Medicare Advantage (PPO) Standard Option for medical and prescription drug coverage. If you would like to choose the Plus Option, please visit the American Airlines Benefits Service Center via retirees.aa.com or call **1-888-860-6178**, 8 a.m.–5 p.m. CT., Monday–Friday.

If you do not want this coverage

To opt out of this coverage, visit American's Benefits Service Center via retirees.aa.com or call **1-888-860-6178**.

Coverage Details

UnitedHealthcare® Group Medicare Advantage (PPO)

American Airlines has selected UnitedHealthcare to offer the choice of a Standard or Plus Option to certain retirees under the American Airlines, Inc. Health and Life Plan for Retirees (“AA Retiree Medical Plan”). These are custom Group Medicare Advantage options designed exclusively for American’s Post-65 retirees who retired prior to November 1, 2012 and are currently enrolled in the AA Retiree Medical Plan.

“Medicare Advantage” is also known as Medicare Part C. These options have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in these options.

- If you’re not eligible for or enrolled in Medicare Parts A and B, call UnitedHealthcare toll-free at **1-866-225-8816**, TTY **711**, 8 a.m.–8 p.m. local time, 7 days a week for assistance.
- If you’re not sure if you are enrolled in Medicare Part B, check with Social Security
- Visit **ssa.gov/locator** or call **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday, or call your local office
- It is important to note that this transition will not change how you pay your Medicare Part B premiums.

You will continue to pay your Medicare Part B premium to Medicare as you do today.

Medicare Advantage Coverage:

Medicare Part A
Hospital

Medicare Part B
Doctor and Outpatient

Medicare Part D

View Your Benefit Information Online

Once you receive your UnitedHealthcare member ID card, you can create your secure online account at: retiree.uhc.com/American

You'll be able to view benefit documents, find a provider, locate a pharmacy and access lifestyle and learning articles, recipes, educational videos and more.

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With these options, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

²Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

How your prescription drug coverage works

Your Medicare Part D prescription drug coverage includes thousands of brand name and generic prescription drugs. Check your group-sponsored drug list to see if your drugs are covered.

Here are answers to common questions:

What pharmacies can I use?

You can choose from thousands of national chain, regional and independent local retail pharmacies.

What is a drug-cost tier?

Drugs are divided into different cost levels, or tiers. In general, the lower the tier, the less you pay.

What will I pay for my prescription drugs?

What you pay will depend on the coverage your former employer or option sponsor has arranged and on what drug-cost tier your prescription falls into. Your cost may also change during the year based on the total cost of the prescriptions you have filled.¹

Can I have more than one prescription drug plan?

No. You can only have one Medicare plan that includes prescription drug coverage at a time. If you enroll in another Medicare Part D prescription drug plan OR a Medicare Advantage plan that includes prescription drug coverage, you will be disenrolled from this group-sponsored coverage.

Ways to help save on your prescription drugs

✓ You may save on the medications you take regularly

If you prefer the convenience of mail order, you could save time and money by receiving your maintenance medications from Optum® Home Delivery through OptumRx. You'll get automatic refill reminders and access to licensed pharmacists if you have questions.

✓ Get a 3-month¹ supply at retail pharmacies

In addition to Optum Home Delivery through OptumRx pharmacy, most retail pharmacies offer 3-month supplies for some prescription drugs.

Check your UnitedHealthcare pharmacy directory to see if a retail pharmacy offers 3-month supplies noted with a pill symbol. An online pharmacy directory is available at:

retiree.uhc.com/American

To request a printed directory, call Customer Service toll-free at: **1-866-225-8816**, TTY **711**, 8 a.m.–8 p.m. local time, 7 days a week.

✓ Ask your doctor about trial supplies

A trial supply allows you to fill a prescription for less than 30 days. This way, you can pay a reduced copay or coinsurance and make sure the medication works for you before getting a full month's supply.

✓ Explore lower-cost options

Each covered drug in your drug list is assigned to a drug-cost tier. Generally, the lower the tier, the less you pay. If you're taking a higher-tier drug, you may want to ask your doctor if there's a lower-tier drug you could take instead.

✓ Have an annual medication review

Take some time during your Annual Wellness Visit to make sure you are only taking the drugs you need.

✓ Filling your prescriptions is convenient

UnitedHealthcare has thousands of national chain, regional and independent local retail pharmacies in our network.²

The UnitedHealthcare Savings Promise

UnitedHealthcare is committed to keeping your prescription drug costs down. As a UnitedHealthcare member, you have our Savings Promise that you'll get the lowest price available. That low price may be your copay, the pharmacy's retail price or our contracted price with the pharmacy.

¹Your former employer or option sponsor may provide coverage beyond 3 months. Please refer to the Benefit Highlights or Summary of Benefits for more information.

²Network size varies by market.

How your Group Medicare Advantage options works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage options.

✓ One plan at a time

- You may be enrolled in only one Medicare Advantage plan and one Medicare Part D prescription drug plan at a time
- The option you enroll in last is the option that the Centers for Medicare & Medicaid Services (CMS) considers to be your final decision
- If you enroll in another Medicare Advantage plan or a standalone Medicare Part D prescription drug plan after your enrollment in this group-sponsored option, you will be disenrolled from group-sponsored coverage

Remember: If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll.

What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount Social Security determines you may need to pay in addition to your monthly premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit. This extra amount is paid directly to Social Security, not to your group-sponsored option. Social Security will contact you if you have to pay IRMAA.

What is a Medicare Part D Late Enrollment Penalty (LEP)?

If, at any time after you first become eligible for Medicare Part D, there's a period of at least 63 days in a row when you don't have Medicare Part D or other creditable prescription drug coverage, a penalty may apply. Creditable coverage is prescription drug coverage that is at least as good as or better than what Medicare requires. The LEP is an amount added to your monthly Medicare premium and billed to you separately by UnitedHealthcare.

When you become a member, your former employer or option sponsor will be asked to confirm that you have had continuous Medicare Part D coverage. If your former employer or option sponsor asks for information about your prescription drug coverage history, please respond as quickly as possible to avoid an unnecessary penalty.

Once you become a member, more information will be available in your Evidence of Coverage (EOC). Your Quick Start Guide will include details on how to access your EOC.

Call Social Security to see if you qualify for Extra Help

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. If you qualify, Extra Help could pay up to 75% or more of your drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

Getting the health care coverage you may need

Your care begins with your doctor

- With these options, you have the flexibility to see doctors inside or outside the UnitedHealthcare network
- Even though it's not required, it's important to have a primary care provider
- Unlike most PPO options, with these options, you pay the same share of cost in and out of the network as long as they participate in Medicare and have not been excluded or precluded from the Medicare Program
- With your UnitedHealthcare Group Medicare Advantage options, you're connected to programs, resources, tools and people that can help you live a healthier life

Finding a doctor is easy

If you need help finding a doctor or specialist, just give us a call. We can even help schedule that first appointment. When you call your doctor, tell them you have a Medicare Advantage PPO.

Why use a UnitedHealthcare network doctor?

A network doctor or health care provider is one who contracts with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your group-sponsored benefits. Your provider will bill us for the rest.

An out-of-network provider does not have a contract with us. With the UnitedHealthcare Group Medicare Advantage (PPO) options, you can see any out-of-network provider as long as they accept the group-sponsored options and have not opted out of or been excluded or precluded from the Medicare Program. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider won't accept the coverage, we will contact them on your behalf.

If a provider refuses to directly bill us, they may ask that you pay the full allowable amount upfront. In that case, you can pay the doctor and then submit a claim to us. You'll be reimbursed for the cost of the claim minus your cost share.

Take advantage of UnitedHealthcare's additional support and programs

Annual Physical and Wellness Visit¹

An Annual Wellness Visit with your doctor and many preventive services at \$0 copay is one of the best ways to start your year off and stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns. You may also be eligible to earn a reward* for completing and reporting your Annual Wellness Visit.

In-Home Preventive Care Visit from UnitedHealthcare® HouseCalls

With UnitedHealthcare® HouseCalls², you get a yearly in-home visit from one of our health care practitioners at no extra cost to you. A HouseCalls visit is designed to support, but not take the place of, your regular doctor's care.

The visit takes up to an hour and is tailored to your needs. It includes health screenings and a chance to:

- Review current medications
- Receive health education, prevention tips, care and resource assistance, if needed
- Get advice and ask questions on how to manage health conditions
- Receive referrals to other health services and more

At the end of the visit, our health care practitioner will leave you with a personalized checklist and send a summary to your regular doctor.

24/7 Nurse Support

Speak to a registered nurse 24/7 over the phone about your medical concerns at no additional cost to you.

Chronic Conditions Programs

UnitedHealthcare offers special programs to help members who are living with a chronic disease like diabetes or heart disease or complex health needs. You get personal attention and your doctors get up-to-date information to help them make decisions.

Virtual Visits

See a doctor or a behavioral health specialist using your computer, tablet or smartphone. With Virtual Visits, you're able to live video chat — anytime, day or night. You will first need to register and then schedule an appointment. On your tablet or smartphone, you can download the Amwell®, Doctor On Demand™ and Teladoc® (medical visits only) apps.

Virtual Doctor Visits

You can ask questions, get a diagnosis or even get medication prescribed and have it sent to your pharmacy. All you need is a strong internet connection. Virtual doctor visits may be good for minor health concerns like:

- Allergies, bronchitis, cold/cough
- Fever, seasonal flu, sore throat
- Migraines/headaches, sinus problems, stomachache
- Bladder/urinary tract infections, rashes

Virtual Behavioral Health Visits

May be best for:

- Initial evaluation
- Behavioral Health medication management
- Addiction
- Depression
- Trauma and loss
- Stress or anxiety

Mental and Behavioral Health

Nothing is more important than your health, which includes your mental health. You have access to many resources that may help improve your emotional and mental health, including:

- Personalized virtual therapy programs with AbleTo
- Ongoing mental health support with Optum® Behavioral Health
- Health and wellness resources with Renew by UnitedHealthcare

Custom-Programmed Hearing Aids

Your hearing health is important to your overall well-being and can help you stay connected to those around you. With UnitedHealthcare Hearing, you'll get access to hundreds of name-brand and private-labeled hearing aids — available in person at any of our 7,000+³ UnitedHealthcare Hearing providers nationwide⁴ or delivered to your doorstep with direct delivery and virtual care (select products only) — so you'll get the care you need to hear better and live life to the fullest.

Personal Emergency Response System (PERS)

With the Personal Emergency Response System (PERS), provided by Lifeline, help is a button push away. The PERS device can quickly connect you to the help you need, 24 hours a day in any situation. It's a lightweight, discreet button that can be worn on your wrist or as a pendant. It's also safe to wear in the shower or bath. Depending on the model you choose, it may even automatically detect falls.

UnitedHealthcare Fitness Program

Renew Active® is the gold standard in Medicare fitness programs for body and mind, available at no additional cost. You'll receive a free gym membership with access to our nationwide network of gyms and fitness locations. This includes access to many premium gyms, on-demand workout videos and live streaming fitness classes, social activities, an online Fitbit® Community for Renew Active (no Fitbit device is needed) and an online brain health program from AARP® Staying Sharp®.

And so much more to help you live a healthier life

After you become a member, we will connect you to many programs and tools that may help you on your wellness journey. You will get information soon after your coverage becomes effective.

About this plan

UnitedHealthcare® Group Medicare Advantage (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Our service area includes the 50 United States, the District of Columbia and all US territories.

About providers and network pharmacies

UnitedHealthcare® Group Medicare Advantage (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to retiree.uhc.com/American to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

Drug List

Drug List

American Airlines, Inc. Standard Plan

This is a partial alphabetical list of prescription drugs covered by the plan as of September 1, 2022. This list can change throughout the year. Call us or go online for the most complete, up-to-date information. Our phone number and website are listed on the back cover of this book.

- Brand name** drugs are in **bold** type. Generic drugs are in plain type
- Covered drugs are placed in tiers. Each tier has a different cost:
 - Tier 1: Preferred generic
 - Tier 2: Generic
 - Tier 3: Preferred brand
 - Tier 4: Non-preferred drug
 - Tier 5: Specialty tier
- Each tier has a copay or coinsurance amount
- See the Summary of Benefits in this book to find out what you'll pay for these drugs
- Some drugs have coverage requirements, such as prior authorization or step therapy. If your drug has any coverage rules or limits, there will be code(s) in the list. The codes and what they mean are shown below

PA
Prior authorization

The plan needs more information from your doctor to make sure the drug is being used correctly for a medical condition covered by Medicare. If you don't get prior approval, it may not be covered.

QL
Quantity limits

The plan only covers a certain amount of this drug for 1 copay or over a certain number of days. Limits help make sure the drug is used safely. If your doctor prescribes more than the limit, you or your doctor can ask the plan to cover the additional quantity.

ST
Step therapy

You may need to try lower-cost drugs that treat the same condition before the plan will cover your drug. If you have tried other drugs or your doctor thinks they are not right for you, you or your doctor can ask the plan for coverage.

B/D
Medicare Part B
or Part D

Depending on how this drug is used, it may be covered by Medicare Part B or Part D. Your doctor may need to give the plan more information about how this drug will be used to make sure it's covered correctly.

HRM High-risk medication	This drug is known as a high-risk medication (HRM) for patients 65 years and older. This drug may cause side effects if taken on a regular basis. We suggest you talk with your doctor to see if an alternative drug is available to treat your condition.
LA Limited access	The FDA only lets certain facilities or doctors give out this drug. It may require extra handling, doctor coordination or patient education.
MME Morphine milligram equivalent	Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than 1 opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.
7D 7-day limit	An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan and have a recent history of using opioids, the limit may be overridden by the pharmacy when appropriate.
DL Dispensing limit	Dispensing limits apply to this drug. This drug is limited to a 1-month supply per prescription.

Drug List

American Airlines, Inc. Plus Plan

This is a partial alphabetical list of prescription drugs covered by the plan as of September 1, 2022. This list can change throughout the year. Call us or go online for the most complete, up-to-date information. Our phone number and website are listed on the back cover of this book.

- Brand name** drugs are in **bold** type. Generic drugs are in plain type
- Covered drugs are placed in tiers. Each tier has a different cost:
 - Tier 1: Preferred generic
 - Tier 2: Preferred brand
 - Tier 3: Non-preferred drug
 - Tier 4: Specialty tier
- Each tier has a copay or coinsurance amount
- See the Summary of Benefits in this book to find out what you'll pay for these drugs
- Some drugs have coverage requirements, such as prior authorization or step therapy. If your drug has any coverage rules or limits, there will be code(s) in the list. The codes and what they mean are shown below

PA
Prior authorization

The plan needs more information from your doctor to make sure the drug is being used correctly for a medical condition covered by Medicare. If you don't get prior approval, it may not be covered.

QL
Quantity limits

The plan only covers a certain amount of this drug for 1 copay or over a certain number of days. Limits help make sure the drug is used safely. If your doctor prescribes more than the limit, you or your doctor can ask the plan to cover the additional quantity.

ST
Step therapy

You may need to try lower-cost drugs that treat the same condition before the plan will cover your drug. If you have tried other drugs or your doctor thinks they are not right for you, you or your doctor can ask the plan for coverage.

B/D
Medicare Part B
or Part D

Depending on how this drug is used, it may be covered by Medicare Part B or Part D. Your doctor may need to give the plan more information about how this drug will be used to make sure it's covered correctly.

HRM High-risk medication	This drug is known as a high-risk medication (HRM) for patients 65 years and older. This drug may cause side effects if taken on a regular basis. We suggest you talk with your doctor to see if an alternative drug is available to treat your condition.
LA Limited access	The FDA only lets certain facilities or doctors give out this drug. It may require extra handling, doctor coordination or patient education.
MME Morphine milligram equivalent	Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than 1 opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.
7D 7-day limit	An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan and have a recent history of using opioids, the limit may be overridden by the pharmacy when appropriate.
DL Dispensing limit	Dispensing limits apply to this drug. This drug is limited to a 1-month supply per prescription.

What's Next

Here's What You Can Expect Next

UnitedHealthcare will process your enrollment

Quick Start Guide and UnitedHealthcare member ID card We will mail you a Quick Start Guide 7–10 days after your enrollment is approved and a UnitedHealthcare member ID card. **Please note, your member ID card will be attached to the front cover of your guide.**

Website access After you receive your member ID card, you can register online at the website listed below to get access to benefit information.

Health assessment In the first 90 days after your plan's effective date, we'll give you a call. Medicare requires us to call and ask you to complete a short health survey. You can also go to the website below and take the survey online.

Start using your UnitedHealthcare member ID on your effective date. It is important that you use your UnitedHealthcare member ID card each time you receive medical services or fill a prescription. UnitedHealthcare pays all claims directly; the claims no longer go to Medicare first. By always showing your UnitedHealthcare member ID card, you can help make sure that your claims get processed correctly and in a timely manner.

We're here for you

When you call, be sure to let the Customer Service Advocate know that you're calling about a group-sponsored option. In addition, it will be helpful to have:

- ✓ **Your group number found on the front of this book**
- ✓ **Medicare number and Medicare effective date — you can find this information on your red, white and blue Medicare card**
- ✓ **Names and addresses for your doctors, clinics and pharmacy**
- ✓ **A list of your current prescriptions and dosages ready, if you're calling about drug coverage**

Statements of Understanding

By enrolling in this plan, I agree to the following:

- ✓ **This is a Medicare Advantage plan contracted with the federal government. This is not a Medicare Supplement plan.**

I need to keep my Medicare Part A and/or Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.

- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

- ✓ **I can only have one Medicare Advantage or Prescription Drug plan at a time.**

- Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
- If I enroll in a different Medicare Advantage plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
- If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.

- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

- ✓ **For members of the Group Medicare Advantage plan.**

I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
