## Plan details

## UnitedHealthcare® Group Medicare Advantage (PPO) and UnitedHealthcare® Group Medicare Advantage (HMO)

The Arizona State Retirement System has chosen to offer two Medicare Advantage plans for coverage beginning 2022. These plan options are the UnitedHealthcare Group Medicare Advantage (PPO) and the UnitedHealthcare Group Medicare Advantage (HMO) plans.

The word "Group" means this is a plan designed just for a former employer or plan sponsor, like yours. Only eligible retirees of your former employer or plan sponsor can enroll in this plan.

"Medicare Advantage" is also known as Medicare Part C.
These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

## Make sure you know what parts of Medicare you have

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with Social Security
- Visit www.ssa.gov/locator or call
  1-800-772-1213, TTY 1-800-325-0778,
  8 a.m.-7 p.m., Monday-Friday, or call your local office
- You must continue paying your Medicare Part B premium to be eligible for coverage under this group-sponsored plan
- If you stop paying your Medicare Part B premium, you may be disenrolled from this plan

## Medicare Advantage coverage:

Medicare Part A Hospital

Medicare Part B
Doctor and outpatient

Medicare Part D
Prescription drugs

**Extra programs**Beyond Original Medicare

## **How your Group Medicare Advantage plan works**

Here are Medicare's rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan. Both of the Medicare Advantage plans offered by ASRS include prescription drug coverage. They have coverage that is equal to or more than the standard Medicare Part D coverage.

#### One plan at a time

You may be enrolled in only one Medicare Advantage plan and one Medicare Part D prescription drug plan at a time.

The plan you enroll in last is the plan that Centers for Medicare & Medicaid Services (CMS) considers to be your final decision.

If you enroll in another Medicare Advantage plan or a stand-alone Medicare Part D prescription drug plan after your enrollment in the ASRS plan, you and your dependents, if applicable, will be disenrolled from the ASRS plan(s).

**Remember:** If you drop or are disenrolled from your ASRS retiree coverage, you may not be able to re-enroll in medical insurance with the ASRS unless you have a Qualifying Life Event or until the next Open Enrollment Period.

### Questions? We're here to help.

## How your prescription drug coverage works

Your Medicare Part D prescription drug coverage includes thousands of brand-name and generic prescription drugs. Check your plan's drug list to see if your drugs are covered.

#### Here are answers to common questions:

#### What pharmacies can I use?

You can choose from thousands of national chain, regional and independent local retail pharmacies.

#### What is a drug-cost tier?

Drugs are divided into different cost levels, or tiers. In general, the lower the tier, the less you pay.

#### What will I pay for my prescription drugs?

What you pay will depend on the coverage your former employer or plan sponsor has arranged and on what drug-cost tier your prescription falls into. Your cost may also change during the year based on the total cost of the prescriptions you have filled.<sup>1</sup>

#### Can I have more than 1 prescription drug plan?

No. You can only have 1 Medicare plan that includes prescription drug coverage at a time. If you enroll in another Medicare Part D prescription drug plan OR a Medicare Advantage plan that includes prescription drug coverage, you will be disenrolled from this plan.

### Questions? We're here to help.

## Ways to save on your prescription drugs

### You may save on the medications you take regularly

If you prefer the convenience of mail order, you could save time and money by receiving your maintenance medications through OptumRx® Home Delivery. You'll get automatic refill reminders and access to licensed pharmacists if you have questions.

#### Ask your doctor about trial supplies

A trial supply allows you to fill a prescription for less than 30 days. This way, you can pay a reduced copay or coinsurance and make sure the medication works for you before getting a full month's supply.

#### Explore lower-cost options

Each covered drug in your drug list is assigned to a drug-cost tier. Generally, the lower the tier, the less you pay. If you're taking a higher-tier drug, you may want to ask your doctor if there's a lower-tier drug you could take instead.

#### Have an annual medication review

Take some time during your Annual Wellness Visit to make sure you are only taking the drugs you need.

## 4

### The UnitedHealthcare Savings Promise

UnitedHealthcare is committed to keeping your prescription drug costs down. As a UnitedHealthcare member, you have our Savings Promise that you'll get the lowest price available. That low price may be your plan copay, the pharmacy's retail price or our contracted price with the pharmacy.

#### What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount Social Security determines you may need to pay in addition to your monthly plan premium if your modified adjusted gross income on your IRS tax return from 2 years ago is above a certain limit. This extra amount is paid directly to Social Security, not to your plan. Social Security will contact you if you have to pay IRMAA.

#### What is a Medicare Part D Late Enrollment Penalty (LEP)?

If, at any time after you first become eligible for Medicare Part D, there's a period of at least 63 days in a row when you don't have Medicare Part D or other creditable prescription drug coverage, a penalty may apply. Creditable coverage is prescription drug coverage that is at least as good as or better than what Medicare requires. The LEP is an amount added to your monthly Medicare premium and billed to you separately by UnitedHealthcare.

When you become a member, your former employer or plan sponsor will be asked to confirm that you have had continuous Medicare Part D coverage. If your former employer or plan sponsor asks for information about your prescription drug coverage history, please respond as quickly as possible to avoid an unnecessary penalty.

Once you become a member, more information will be available in your Evidence of Coverage (EOC). Your Quick Start Guide will include details on how to access your EOC.

#### Call Social Security to see if you qualify for Extra Help

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. If you qualify, Extra Help could pay up to 75% or more of your drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

Call toll-free **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

### Questions? We're here to help.

## Getting the health care coverage you may need

#### **UnitedHealthcare® Group Medicare Advantage (PPO)**

With this plan you have access to our national network of providers. You can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded from Medicare. No referral is needed to see a specialist.

If you need to find a new provider or specialist, consider a provider in our network. We work closely with our network of providers to give them access to resources and tools that can help them work with you to make better health care decisions.

#### **UnitedHealthcare® Group Medicare Advantage (HMO)**

Each covered individual must choose a primary care physician (PCP) from one of the HMO's networks of providers. There are several networks inside of the HMO. All of your doctors, specialists, hospitals (except for emergency care), etc need to be contracted with the same network. Keep in mind, providers in the network may change at any time. When a covered individual needs health care, he or she must visit their PCP. The PCP will either provide care or refer the individual to a specialist in the HMO network.

If care is received from the PCP or a referred network provider, you generally pay a copay. If care is received from a non-network provider, you'll have to pay the full cost. If your PCP refers you to a specialist or other provider, it's important that you always check first to be sure the provider is a network provider.

#### Finding a provider is easy

If you need help finding a provider or a specialist, just give us a call. We can even help schedule that first appointment.

#### The UnitedHealthcare network of providers

There is value in choosing a network provider beyond having your benefits covered. UnitedHealthcare works closely with its network of providers to help provide them support.

# Take advantage of UnitedHealthcare's additional support and programs

#### Annual Wellness Visit<sup>1</sup> and many preventive services at \$0 copay

An Annual Wellness Visit with your doctor is one of the best ways to start your year off and stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns. You may also be eligible to earn a reward for completing your Annual Wellness Visit through Renew Rewards.

#### Enjoy a preventive care visit in the privacy of your own home

With UnitedHealthcare® HouseCalls², you get a yearly in-home visit from one of our health care practitioners at no extra cost. A HouseCalls visit is designed to support, but not take the place of, your regular doctor's care.

## Every visit includes tailored recommendations on health care screenings and a chance to:

- Review current medications
- · Receive education, prevention tips, care and resource assistance, if needed
- Get advice and ask questions on how to manage health conditions
- Receive referrals to other health services and more

At the end of the visit, our health care practitioner will leave a personalized checklist and send a summary to your regular doctor.

#### Video visits from UnitedHealthcare® HouseCalls

A HouseCalls video visit uses technology to connect plan members with a health care practitioner for up to a full hour to review your health history and current medications, discuss important health screenings, identify health risks and provide health education at no extra cost.

#### **Telephonic Nurse Support**<sup>3</sup>

Speak to a registered nurse 24/7 about your medical concerns at no additional cost to you.

#### Special programs for people with chronic or complex health needs

UnitedHealthcare offers special programs to help members who are living with a chronic disease like diabetes or heart disease. You get personal attention and your doctors get up-to-date information to help them make decisions.

#### **Virtual Visits**

See a doctor or a behavioral health specialist using your computer, tablet or smartphone. With Virtual Visits, you're able to live video chat from your computer, tablet or smartphone — anytime, day or night. You will first need to register and then schedule an appointment. On your tablet or smartphone, you can download the Amwell®, Doctor On Demand<sup>TM</sup> and Teladoc® apps.

#### Virtual doctor visits

You can ask questions, get a diagnosis or even get medication prescribed and have it sent to your pharmacy. All you need is a strong internet connection. Virtual doctor visits are good for minor health concerns like:

- · Allergies, bronchitis, cold/cough
- · Fever, seasonal flu, sore throat
- Migraines/headaches, sinus problems, stomachache
- · Bladder/urinary tract infections, rashes

#### Virtual behavioral health visits

May be best for:

- Initial evaluation
- Medication management
- Addiction
- Depression
- · Trauma and loss
- Stress or anxiety

## Hear the moments that matter most with custom-programmed hearing aids

Your hearing health is important to your overall well-being and can help you stay connected to those around you. With UnitedHealthcare Hearing, you'll get access to hundreds of name-brand and private-labeled hearing aids — available in person at any of our 7,000+4 UnitedHealthcare Hearing providers nationwide5 or delivered to your doorstep with Right2You direct delivery and virtual care (select products only) — so you'll get the care you need to hear better and live life to the fullest.

#### Post-discharge meals

Our post-discharge meal delivery program provides freshly made meals to your home after you have been discharged from the hospital or skilled nursing facility, at no additional cost. The program provides up to 84 meals immediately following an inpatient hospital discharge or skilled nursing facility stay when referred by a UnitedHealthcare advocate.

#### Online weight-loss program

Real Appeal® is a simple, step-by-step online program that helps make losing weight fun. The program offers tools that may help you lose weight, reduce your risk of developing serious health conditions, gain energy and achieve your long-term health goals, at no additional cost.

#### When you enroll in Real Appeal, you will receive:

- A transformation coach who leads weekly online group sessions
- Online tools to help you track your food, activity and weight-loss progress
- A Success Kit with food and weight scales, recipes, workout DVDs and more shipped directly to your door

#### And so much more to help you live a healthier life

After you become a member, we will connect you to many programs and tools that may help you on your wellness journey. You will get information soon after your coverage becomes effective.

## Tools and resources to help put you in control

#### Go online for valuable plan information

As a UnitedHealthcare member, you will have access to a safe, secure website at **www.UHCRetiree.com/asrs** where you'll be able to:

- · Look up your latest claim information

#### January 1, 2022 - December 31, 2022

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover. You can see it online at www.UHCRetiree.com/asrs or you can call Customer Service for help. When you enroll in the plan you will get information that tells you where you can go online to view your Evidence of Coverage.

#### **About this plan**

UnitedHealthcare® Group Medicare Advantage (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Our service area includes the 50 United States, the District of Columbia and all US territories.

#### About providers and network pharmacies

UnitedHealthcare® Group Medicare Advantage (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to www.UHCRetiree.com/asrs to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered, and if there are any restrictions.

#### **Prescription Drugs**

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor has chosen to make supplemental drug coverage available to you. This coverage is in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D prescription drug benefit and your supplemental drug coverage. You can view the Certificate of Coverage at www.UHCRetiree.com/asrs or call Customer Service to have a hard copy sent to you.

Your plan sponsor offers additional prescription drug coverage. Please see your Additional Drug Coverage list for more information.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

# **Summary of benefits**

### January 1, 2022 - December 31, 2022

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover. You can see it online at www.UHCRetiree.com/asrs or you can call Customer Service for help. When you enroll in the plan you will get information that tells you where you can go online to view your Evidence of Coverage.

#### About this plan.

UnitedHealthcare® Group Medicare Advantage (HMO) is a Medicare Advantage HMO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Our service area includes these counties in:

**Arizona:** Apache, Cochise, Coconino, Gila, Graham, Greenlee, La Paz, Maricopa, Mohave, Navajo, Pima, Pinal, Santa Cruz, Yavapai, Yuma.

### Use network providers and pharmacies.

UnitedHealthcare® Group Medicare Advantage (HMO) has a network of doctors, hospitals, pharmacies, and other providers. The HMO has several networks inside of it to choose from. This health plan requires you to select a primary care provider (PCP) from one of the networks. The network you choose needs to include your PCP, specialists, and hospitals. Your PCP can handle most routine health care needs and will be responsible to coordinate your care. If you need to see a network specialist or other network provider, you may need to get a referral from your PCP. We encourage you to find out which specialists and hospitals your primary care provider would recommend for you and would refer you to for care, prior to selecting them as your plan's PCP. If you use providers or pharmacies that are not in your network, the plan may not pay for those services or drugs, or you may pay more than you pay at a network pharmacy.

You can go to www.UHCRetiree.com/asrs to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered, and if there are any restrictions.

# Drug list

# **Drug list**

This is a partial alphabetical list of prescription drugs covered by the plan as of August 1, 2021. This list can change throughout the year. Call us or go online for the most complete, up-to-date information. Our phone number and website are listed on the back cover of this book. **Brand name** drugs are in **bold** type. Generic drugs are in plain type ☐ Covered drugs are placed in tiers. Each tier has a different cost Tier 1: Preferred generic Tier 2: Preferred brand Tier 3: Non-preferred drug Tier 4: Specialty tier ☐ Each tier has a copay or coinsurance amount ☐ See the Summary of Benefits in this book to find out what you'll pay for these drugs ☐ Some drugs have coverage requirements, such as Prior Authorization or Step Therapy. If your drug has any coverage rules or limits, there will be code(s) in the list. The codes and what they mean are shown below The plan needs more information from your doctor to make sure the drug PA is being used correctly for a medical condition covered by Medicare. If you **Prior authorization** don't get prior approval, it may not be covered. The plan only covers a certain amount of this drug for 1 copay or over a QL certain number of days. Limits help make sure the drug is used safely. If **Quantity limits** your doctor prescribes more than the limit, you or your doctor can ask the plan to cover the additional quantity. You may need to try lower-cost drugs that treat the same condition before ST the plan will cover your drug. If you have tried other drugs or your doctor **Step therapy** thinks they are not right for you, you or your doctor can ask the plan for coverage. B/D Depending on how this drug is used, it may be covered by Medicare Part B **Medicare Part B** or Part D. Your doctor may need to give the plan more information about or Part D how this drug will be used to make sure it's covered correctly. This drug is known as a high-risk medication (HRM) for patients 65 years **HRM** and older. This drug may cause side effects if taken on a regular basis. We High-risk suggest you talk with your doctor to see if an alternative drug is available to

#### LA The FDA only lets certain facilities or doctors give out this drug. It may **Limited access** require extra handling, doctor coordination or patient education. Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative **MME** morphine milligram equivalent (MME), and is designed to monitor safe **Morphine** dosing levels of opioids for individuals who may be taking more than 1 milligram opioid drug for pain management. If your doctor prescribes more than this equivalent amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity. An opioid drug used for the treatment of acute pain may be limited to a 7day supply for members with no recent history of opioid use. This limit is **7D** intended to minimize long-term opioid use. For members who are new to 7-day limit the plan, and have a recent history of using opioids, the limit may be overridden by having the pharmacy contact the plan. DL Dispensing limits apply to this drug. This drug is limited to a 1-month **Dispensing limit** supply per prescription.

### Additional drug coverage

### **Bonus drug list**

Your employer group or plan sponsor offers a bonus drug list. The prescription drugs on this list are covered in addition to the drugs on the plan's drug list (formulary).

The drug tier for each prescription drug is shown on the list.

Although you pay the same copay or coinsurance for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amount you pay for these additional prescription drugs does not apply to your Medicare Part D out-of-pocket costs. Payments for these additional prescription drugs (made by you or the plan) are treated differently from payments made for other prescription drugs.

Coverage for the prescription drugs on the bonus drug list is in addition to your Part D drug coverage. Unlike your Part D drug coverage, you are unable to file a Medicare appeal or grievance for drugs on the bonus drug list. If you have questions, please call Customer Service using the information on the cover of this book.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs on this bonus drug list.

This is not a complete list of the prescription drugs available to you or the restrictions and limitations that may apply through the bonus drug list. If your drug has any coverage rules or limits, there will be code(s) in the "Coverage Rules or Limits on use" column of the chart. The codes and what they mean are shown below. If you have questions about drug coverage, please call Customer Service using the information on the cover of this book.

### **QL - Quantity limits**

The plan only covers a certain amount of this drug for one copay or over a certain number of days. These limits may be in place to ensure safe and effective use of the drug.

### MME - Morphine milligram equivalent

Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than one opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.

### 7D - 7-day limit

An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan, and have a recent history of using opioids, the limit may be overridden by having the pharmacy contact the plan.

### **Statements of understanding**

### By enrolling in this plan, I agree to the following:

This is a Medicare Advantage plan and has a contract with the federal government. This is not a Medicare Supplement plan.

I need to keep my Medicare Part A and/or Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.

For members of the UnitedHealthcare® Group Medicare Advantage (HMO) plan only.

This plan covers a specific service area. If I plan to move out of the area, I will call my plan sponsor or this plan to disenroll and get help finding a new plan in my area. I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

For members of the UnitedHealthcare® Group Medicare Advantage (PPO) plan only.

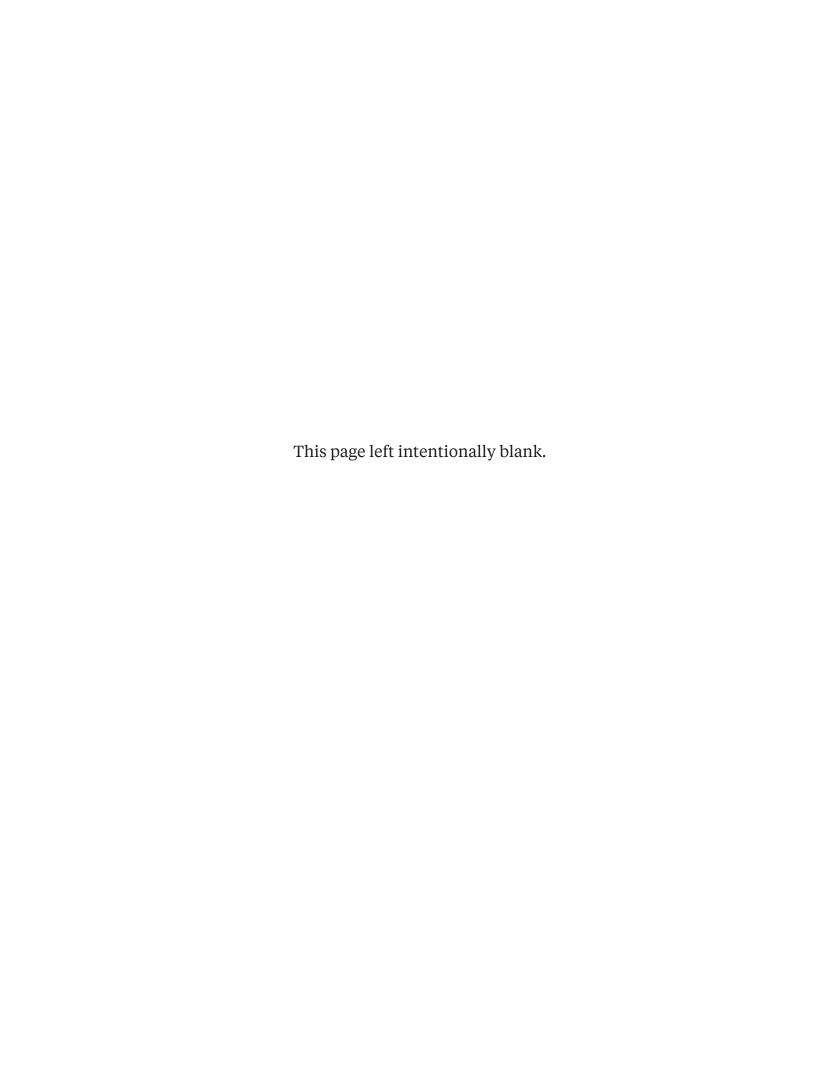

The service area includes the 50 United States, the District of Columbia and all U.S. territories. I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

- I can only have one Medicare Advantage or Prescription Drug plan at a time.
  - Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
  - If I enroll in a different Medicare Advantage plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
  - If I disensel from this plan, I will be automatically transferred to Original Medicare.
  - Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.
- My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

For members of the Group Medicare Advantage plan.

I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
