+ More from your health plan

Your plan options are Medicare Advantage plans, also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

Here's how these plans work

Provider network

PPO Get care from providers in or out-of-network for the same cost share as long as they accept Medicare and the plan.

HMO Get care from the providers in the Group Medicare Advantage statewide HMO network. If you get care from an out-of-network provider, you'll have to pay the full cost.

Primary care provider (PCP)

PPO The plan doesn't require you to have a PCP, but it's very beneficial for your long-term health and well-being.

HMO The plan requires you to select a PCP to oversee and help manager your care.

Referrals

PPO No referral is needed to see a specialist or other provider.

HMO If you need to see a specialist, you may self-refer to any contracted specialist in the statewide HMO network.

These plans have separate maximum annual out-of-pocket amounts for medical and prescription drugs

If you reach your plan's medical limit, the plan will pay 100% of your Medicare-covered services for the rest of the plan year. After you and others on your behalf have paid a combined total of \$2,000 for your prescription drugs, you won't pay anything for your Medicare-covered Part D drugs for the rest of the calendar year.

Emergency and urgently needed services are covered anywhere in the world

These plans include prescription drug coverage for thousands of brand name and generic drugs

Always use network pharmacies for your plan's lowest cost on prescription drugs.

Get to know your plan

It's important that you understand your plan and what benefits are covered. You can find the Drug List, Provider and Pharmacy directories and more at retiree.uhc.com/asrs.

Review the online Drug List to see what prescription drugs are covered

And what drug tier they are in. Generally, the lower the drug tier, the less you'll pay.

Review the online Provider Directory to see if your providers are in the network

We work closely with our network (contracted) providers to make sure they have access to resources and tools to help them work with you for better health outcomes.

Review the online Pharmacy Directory to see what pharmacies are in our network

If your pharmacy is not in the network, you will need to select a new network pharmacy to pay your plan's lowest cost for prescription drugs.

Review the Summary of Benefits in this guide to see how much you'll pay for medical services and prescription drugs

You can also review the Summary of Benefits online.

If you're not sure if you are enrolled in Medicare Part B, check with Social Security at ssa.gov/locator or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

You may be disenrolled from this plan if you stop paying your Medicare Part B premium.

You're eligible to enroll in this Medicare Advantage plan if you:

Are entitled to Medicare Part A and enrolled in Medicare Part B.

Continue to pay your Part B premium (unless it's paid for you).

Remember: If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll. Limitations and restrictions vary by former employer or plan sponsor.

Good news for 2025

The Coverage Gap, or “donut hole”, has been eliminated and your out-of-pocket limit (the amount you and others on your behalf pay) is \$2,000. That means you're more protected from high drug costs in 2025.

Prescription drugs

Deductible	The plan does not have a prescription drug deductible. Your coverage starts in the Initial Coverage stage.
Initial coverage	In this stage, you'll pay your plan copays or coinsurance. The plan pays the rest. Once you, and others on your behalf, have paid a combined total of \$2,000 you move to the Catastrophic Coverage stage.

Prescription drugs		
Tier drug coverage (After you pay your deductible, if applicable)	Retail Cost-Sharing	Mail Order Cost-Sharing
	30-day supply	90-day supply
Tier 1: Preferred Generic	\$10 copay	\$20 copay
Tier 2: Preferred Brand ~	\$35 copay	\$70 copay
Tier 3: Non-preferred Drug ~	\$35 copay	\$70 copay
Tier 4: Specialty Tier ~	\$35 copay	\$70 copay
Catastrophic coverage	<p>Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year.</p> <p>If your plan includes additional prescription drug coverage, you will continue to pay the cost-sharing amounts from the Initial Coverage stage for those drugs. Please see your Additional Drug Coverage list for more information.</p>	

~ You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan. Most adult Part D vaccines are covered at no cost to you.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also call Customer Service to have a hard copy of the Certificate of Coverage sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

You may qualify for Extra Help from Medicare

Extra Help is a program for people with limited incomes who need help paying Part D premiums, deductibles and copays. There's no penalty for applying, and you can re-apply every year. To see if you qualify for Extra Help, call:

- The Social Security Administration at 1-800-772-1213, TTY 1-800-325-0778

Prescription drugs

Deductible	\$300 You pay the full cost for your drugs until you reach the deductible amount. Then you move to the Initial Coverage stage.
Initial coverage	In this stage, you'll pay your plan copays or coinsurance. The plan pays the rest. Once you, and others on your behalf, have paid a combined total of \$2,000, which includes the amount you paid towards your deductible, you move to the Catastrophic Coverage stage.

Prescription drugs		
Tier drug coverage (After you pay your deductible, if applicable)	Retail Cost-Sharing	Mail Order Cost-Sharing
	30-day supply	90-day supply
Tier 1: Preferred Generic	\$10 copay	\$20 copay
Tier 2: Preferred Brand ~	\$40 copay	\$80 copay
Tier 3: Non-preferred Drug ~	\$80 copay	\$160 copay
Tier 4: Specialty Tier ~	\$80 copay	\$160 copay
Catastrophic coverage	<p>Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year.</p> <p>If your plan includes additional prescription drug coverage, you will continue to pay the cost-sharing amounts from the Initial Coverage stage for those drugs. Please see your Additional Drug Coverage list for more information.</p>	

~ You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan even if you haven't paid your Part D deductible. Most adult Part D vaccines are covered at no cost to you.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also call Customer Service to have a hard copy of the Certificate of Coverage sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

You may qualify for Extra Help from Medicare

Extra Help is a program for people with limited incomes who need help paying Part D premiums, deductibles and copays. There's no penalty for applying, and you can re-apply every year. To see if you qualify for Extra Help, call:

- The Social Security Administration at 1-800-772-1213, TTY 1-800-325-0778

About this plan

UnitedHealthcare Group Medicare Advantage HMO offered by the ASRS is a Medicare Advantage HMO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Our service area includes these counties in:

Use network providers and pharmacies

UnitedHealthcare Group Medicare Advantage HMO offered by the ASRS has a network of doctors, hospitals, pharmacies and other providers. Each covered individual must choose a primary care physician (PCP) from the HMO's network of providers. Members now have open access benefits on the UnitedHealthcare Group Medicare Advantage HMO Plan. Members may self-refer to any network specialist and receive services at any network hospital in the statewide HMO network. Some services will still require Prior Authorization. If you use providers or pharmacies that are not in your network, the plan may not pay for those services or drugs, or you may pay more than you pay at a network pharmacy.

You can go to retiree.uhc.com/asrs to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.
