#### **Prescription drugs**

#### Catastrophic coverage

Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year.

If your plan includes additional prescription drug coverage, you will continue to pay the cost-sharing amounts from the Initial Coverage stage for those drugs. Please see your Additional Drug Coverage list for more information.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at **retiree.uhc.com/asrs** or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

### Use network providers and pharmacies

UnitedHealthcare Group Medicare Advantage HMO offered by the ASRS has a network of doctors, hospitals, pharmacies and other providers. The HMO has several networks inside of it to choose from. This health plan requires you to select a primary care provider (PCP) from one of the networks. The network you choose needs to include your PCP, specialists, and hospitals. Your PCP can handle most routine health care needs and will be responsible to coordinate your care. If you need to see a network specialist or other network provider, you may need to get a referral from your PCP. We encourage you to find out which specialists and hospitals your primary care provider would recommend for you and would refer you to for care, prior to selecting them as your plan's PCP. If you use providers or pharmacies that are not in your network, the plan may not pay for those services or drugs, or you may pay more than you pay at a network pharmacy.

You can go to **retiree.uhc.com/asrs** to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.
