Health Insurance Enrollment Guide

**For Non-Medicare and
Medicare-Eligible ASRS Retirees**

2027

Please review this guide completely

This guide is a summary of the official Arizona State Retirement System (ASRS) plan documents, contracts, Arizona statutes and federal regulations that govern the plans.

Additional important information regarding the benefits of the plans, including your rights to make claims and appeals regarding benefit decisions, are included in the official documents.

You should keep a copy of this Enrollment Guide with your other important documents related to your coverage under the plans.

If there is any discrepancy between the information in this guide and the official documents, the official documents will always govern.

The ASRS reserves the right to change or terminate any of its plans, in whole or in part, at any time in accordance with state laws.

WELCOME FROM THE DIRECTOR

Welcome to the Arizona State Retirement System's Health Insurance Enrollment Guide, outlining plans for the 2027 calendar year.

This Enrollment Guide has been designed to provide you with an overview of the medical and dental insurance plan offerings afforded to you as an ASRS retiree.

There are three sections to the ASRS Enrollment Guide: one with information applicable to all retirees, including dental, one for non-Medicare retirees, and another for Medicare retirees.

Please pay particular attention to the color-coding of the sections and pages throughout this guide, which indicate content that applies to everybody (purple), non-Medicare retirees (blue), and Medicare retirees (orange).

You may participate in these medical and/or dental insurance plans if you retired from the ASRS, Public Safety Personnel Retirement System (PSPRS), Elected Officials' Retirement Plan (EORP), Corrections Officer Retirement Plan (CORP), or the Optional Retirement Plans (ORP).

The open enrollment period runs the full month of November 2026, with new plan coverages beginning January 1, 2027.

Your current health insurance will automatically continue for the upcoming year unless you choose to make changes. For Medicare plan members, plan options are staying the same. However, if you are on a Non-Medicare plan, please note that the three existing plans will be replaced by two new plans for 2027. If you do not submit a new enrollment form, you will be automatically placed into the closest matching plan.

Please review this Enrollment Guide carefully. While Medicare benefits and premiums remain steady, there are important changes for 2027 if you are in a Non-Medicare plan.

The ASRS will be hosting in-person meetings for retirees to come and learn more about the ASRS health insurance programs. There will be three days of in-person meetings and a host of other educational opportunities, including webinars, on-demand videos, and teleconferences.

The ASRS online health insurance application – available through your secure myASRS account – will allow you to view your current ASRS medical and dental elections, enroll in a new plan, terminate coverage, make changes to your plans, and add or remove dependents. Again, if you do not wish to make any changes, there is no need to fill out the online enrollment form.

Please visit the Healthcare page in the Retiree section of **AzASRS.gov** for much more information on open enrollment.

As always, know that we are here to assist throughout the open enrollment process.

To your good health,

Paul Matson, Director

Arizona State Retirement System

2027 BENEFIT HIGHLIGHTS

The ASRS is committed to offering value-based health plans to eligible retirees and their families. Here are some plan highlights for 2027.

Non-Medicare: UnitedHealthcare Group Plans

New Non-Medicare Plan Offerings

For non-Medicare enrollees, we are introducing new plans in 2027 and will be terminating the existing plans at the end of the 2026 plan year.

If you are currently enrolled in a non-Medicare plan through the end of 2026, and take no action during the open enrollment period, you will automatically be enrolled in the new 2027 non-Medicare plan (as outlined in the diagram below) that the ASRS believes most closely aligns with your existing plan so that coverage continues uninterrupted.

Please read the Enrollment Guide carefully to learn more about the new 2027 plan offerings and take advantage of the open enrollment period to make a different selection if you wish.

Medicare: UnitedHealthcare Group Medicare Advantage Plans

Important news for Medicare members currently enrolled in the 2026 UnitedHealthcare Group Medicare Advantage HMO and PPO plans:

Beginning January 1, 2027, the Medicare medical and prescription drug coverage offered by the ASRS will be provided through two coordinated plans:

- The ASRS Group Medicare Advantage (HMO or PPO) plan for medical coverage
- And the ASRS Group Medicare Part D plan (PDP) for prescription drug coverage

You will be automatically enrolled.

These plans will replace your current medical and prescription drug coverage starting on January 1, 2027.

Each enrolled member will receive **two new member ID cards**—one for medical coverage and one for prescription drug coverage. The two ID cards will arrive prior to January 1st in separate envelopes and may arrive on different days.

- Medical benefits will continue through the Medicare Advantage plan and will have the same Member ID as the 2026 plan.
- Prescription drug coverage will continue through the Group Medicare Part D plan (PDP) and will have a new Member ID number.

This is only an administrative change. The benefits and monthly costs will stay the same as in 2026.

If you don't want to be enrolled in this plan for 2027, or to change plan options, please log into your secure myASRS account at azasrs.gov and complete your change online. If you choose to opt out of the ASRS Group Medicare Advantage plan, you will lose medical and prescription drug coverage effective December 31, 2026, and will return to Original Medicare. If you go without creditable prescription drug coverage for 63 or more days, Medicare may charge a Late Enrollment Penalty if you enroll in Medicare prescription drug coverage in the future.

ELIGIBILITY

The following are eligible to participate in ASRS health insurance plans:

Retirees of the...

- Arizona State Retirement System (ASRS)
- Public Safety Personnel Retirement System (PSPRS)
- Corrections Officer Retirement Plan (CORP)
- Elected Officials' Retirement Plans (EORP DB Plan or EORP DC Plan)
- Optional Retirement Plans (ORP)
 - University Optional Retirement Plan (UORP)
 - Community College Optional Retirement Plan (CCORP)
- Members on ASRS Long Term Disability
- Eligible Dependents
- Eligible Survivors

Dual Enrollment

ASRS provides the opportunity for its members to enroll in a plan, but there are eligibility restrictions for individuals enrolled in other health plans. This is known as “dual enrollment”. It is important that you understand those limitations as it may affect your (and your dependents’) eligibility to enroll in or remain enrolled in ASRS health plans.

Individuals who are ASRS retirees, disabled ASRS members, surviving dependents of ASRS members, and their dependents may not be enrolled in the ASRS health plan at the same time they are covered, or enrolled in another group health and accident plan or program. Similarly, retired members of the Public Safety Personnel Retirement System (PSPRS), the Elected Officials' Retirement System (EORP DB Plan or EORP DC Plan), the Correction Officer Retirement Plan (CORP), the Optional Retirement Plan (ORP), or other retirement plans that might be offered by the community college districts, and their dependents may not be enrolled in an ASRS health plan while also enrolled in a health plan offered by the Arizona Department of Administration.

Some members may have more than one source of eligibility; however, individuals are limited to one enrollment at a time. For example, you may be eligible to enroll in a plan due to your participation in the ASRS and another eligible retirement plan, but you may only be enrolled in a plan in one capacity at a time—either as a member or dependent.

Additionally, if you and your spouse are both eligible to enroll in a plan, you cannot enroll each other as dependents, nor have your children enrolled twice.

One spouse may elect coverage for the entire family, or each spouse may elect their own coverage.

Dependent children can be on one spouse's policy or divided between spouses.

To comply with state law, you cannot hold two health plans at the same time. If the ASRS finds that you have this prohibited dual coverage, your ASRS plan must be canceled. Please note that premiums already paid cannot be refunded, so it is important to choose just one plan.

Who is an eligible dependent?

- Your legal spouse
- Your natural child, legally adopted or placed for adoption child, or stepchild under age 26
- Foster children under age 26
- A child for whom legal guardianship has been awarded to you or your legal spouse, under age 26
- A child for whom insurance is required through a Qualified Medical Child Support Order, court order, or administrative order
- A child of any age who is, or becomes, disabled and is dependent upon you

Note: All dependents age 26 and older must be approved as a disabled dependent and you will be required to submit documentation as requested by each carrier.

Supporting Documentation Requirements: You can find a list of acceptable supporting documents on <https://www.azasrs.gov/content/qualifying-life-events>. Failure to submit required documents could delay or cancel the processing of the enrollment.

QUALIFYING LIFE EVENTS

For ASRS Medical or Dental Insurance

What is a Qualifying Life Event?

A qualifying life event allows you the opportunity to enroll and/or make changes to existing coverage for yourself or your dependents outside of the annual open enrollment period.

You must make these changes no later than 31 calendar days from the date the qualifying life event took place, unless a different deadline is indicated for a specific qualifying life event.

The following are the qualifying life events recognized by the ASRS for enrollment and/or changes to your existing coverage outside of the annual open enrollment period. ASRS has the sole discretion to determine whether a qualifying life event has occurred and whether your situation allows you to enroll or make changes to existing coverage.

- Retirement
- Participation in the ASRS Long Term Disability Program
- Change in marital status, dependent status, or primary residence that impacts your current ASRS coverage
- Change in eligibility for Medicaid/Children's Health Insurance Program (CHIP) or Medicare. Medicare eligibility is NOT a qualifying life event for dental plans.
- Loss of coverage (Spouse, Employer, COBRA)

Voluntarily terminating your group or individual medical insurance plan is not a qualifying life event. Additional supporting documentation showing the reason for the qualifying life event is required within 31 calendar days of the qualifying life event. All dependents age 26 and older must be approved as a disabled dependent and you will be required to submit documentation as requested by each carrier.

Your enrollment application must be submitted within 31 calendar days of the date of your qualifying life event. Coverage becomes effective the first day of the month following receipt of your completed enrollment application, and all required proof of your qualifying life event.

Notice of COBRA Qualifying Life Events

If you and your dependents are enrolled in an ASRS non-Medicare plan and/or an ASRS dental plan, your enrolled dependents can continue medical and/or dental coverage temporarily in certain circumstances where coverage would otherwise end. In accordance with federal guidelines, ASRS provides your dependents opportunities for the continuation of coverage through COBRA following specific qualifying life events. If your dependents experience one of the qualifying life events listed below, written notice must be sent to the ASRS no later than 60 days after the date upon which coverage would be lost under the plan as a result of the COBRA qualifying life event.

- When a participant divorces or legally separates from his or her spouse (a copy of the court document acknowledging the legal separation or divorce must be included with the written notice).
- When a dependent child ceases to be covered under the Plan (including turning age 26).

Failure to provide this notice within the time frame described above may prevent your dependents from obtaining or extending the COBRA coverage.

For additional details and expanded instructions regarding eligibility and qualifying life events, visit <https://www.azasrs.gov/content/qualifying-life-events> on the ASRS website at [AzASRS.gov](https://www.azasrs.gov)

IMPORTANT TIME FRAMES

Know when to enroll and the effective dates of your plan

- The effective date for the 2027 plan year is January 1, 2027 through December 31, 2027.
- You must enroll no later than 31 calendar days after your retirement date or other qualifying life event date.
- Submit online enrollment applications no more than 90 days before the effective date.
- Coverage becomes effective the first day of the month following your qualifying life event and receipt of your completed enrollment application and all required proof of your qualifying life event.
- Medicare enrollments must be completed online (or signed if using a paper enrollment form) no later than the last day of the month before coverage is to begin. A Medicare enrollment completed online or signed on the first of the month will not be processed for enrollment until the first day of the following month.

PRE-ENROLLMENT CHECKLIST

Use this handy list to prepare for enrollment

☐ **Research and Choose a Plan**

Carefully review the Enrollment Guide to help you determine what benefits you and your family require and then select your plan.

☐ **Attend a ‘Know Your Insurance’ Meeting**

Learn about your health care options and meet your vendor representatives.

☐ **Locate Provider ID (if required)**

Visit the plan carrier’s website to select a provider and get the provider’s ID number, if required.

☐ **Locate Medicare Card**

If you or your dependent will be enrolling in a Medicare plan, have your Medicare card available. You will need to provide your Medicare number as well as your Medicare Part A & B effective dates on your enrollment application.

☐ **Gather Supporting Documentation**

If required, proof **must** be received within 31 calendar days of the qualifying life event or your application will be canceled and you will need to wait for a future open enrollment or a qualifying life event to enroll.

ONLINE ENROLLMENT

You must complete the entire online process for your enrollment application to be submitted and processed. Your application cannot be saved and finished at a later time.

Once submitted, the online system will allow you to print a copy of your enrollment application and the ASRS will send you a confirmation email that your application has been submitted. Check the status of your online enrollment in the Pending Request link in your secure myASRS account.

If you are retired from PSPRS, CORP, or EORP, you must contact the PSPRS benefits office to request the correct enrollment form.

If you are a retiree of both systems, ASRS and PSPRS, your medical and dental enrollments should be processed through PSPRS to maximize your eligible health insurance Premium Benefit. If you are unsure which retirement system processed your current enrollments, please contact PSPRS.

Complete the online enrollment application if you are:

- Enrolling for the first time with the ASRS
- Electing a different medical plan
- Electing a different dental plan
- Adding dependents
- Becoming Medicare-eligible (but not more than 90 days ahead of the effective date)
- Currently enrolled with ASRS and you wish to cancel your coverage or dependent coverage. You may go online or send a signed letter if you prefer not to use the online application.
- Making a change due to a qualifying life event

PREMIUM BENEFIT

What is it and how it works:

What is it?

As part of your benefits, the ASRS provides a health insurance Premium Benefit to help offset healthcare premiums. Retirees and long term disability members with five or more years of credited service who have health insurance through the ASRS or non-subsidized coverage through their former ASRS employer are eligible for a monthly Premium Benefit, which is paid to the health insurer or your former employer. A Premium Benefit also applies to eligible retirees participating in the ASRS health insurance plans from EORP, CORP, and PSPRS.

How does it work?

Your ASRS health insurance premiums will be automatically deducted each month from your ASRS pension payment, if your pension payment amount is greater than the net cost of your insurance premiums. When you retire, Premium Benefit may be delayed for one to three months while your pension is finalized. However, the eligible amount will be reimbursed or adjusted, as applicable, and will be retroactive to the beginning of the coverage.

The insurance carrier(s) will mail a bill directly to you and it will be your responsibility to pay premiums directly to the insurance carrier if you are:

- On Long Term Disability
- Electing your employer's options (State of Arizona is an exception. That payment will be withheld from your ASRS pension payment.)
- Receiving a pension payment that does not cover the net cost of your insurance premiums

Optional Premium Benefit

If you are a new ASRS retiree you may elect to receive a reduced Premium Benefit that, upon your death, may be continued to your beneficiary. The Optional Premium Benefit is designed for those members who have a spouse or dependent who will want to continue to receive assistance with ASRS insurance premium costs.

Other things to note about the Optional Premium Benefit:

- The Optional Premium Benefit is only available to retirees who select a Term Certain or Joint & Survivor Annuity option. It is not available to retirees who select the Straight Life Annuity.
- You have a one-time opportunity to elect this benefit when you retire.
- You may rescind your election at a later date and your unreduced Premium Benefit will be reinstated and applied for life.
- The Optional Premium Benefit reduction is based on your age and the age of your beneficiary at the time of election.

You can find out what your reduction would be by visiting the Calculating Your Optional Premium Benefit page of our website at bit.ly/Premium-Calc.

Our Delta Dental PPO plans let you visit any licensed dentist, but you will save the most money if you see an in-network dentist. Services received from an out-of-network dentist may incur higher out-of-pocket costs. With more than 3,700 network dentists in Arizona and 150,000 network dentists nationwide, it's easy to find the right dentist for your family!

Plan Available:

- Cigna DHMO

Cigna's Dental Health Maintenance Organization (DHMO) plan offers you no deductibles or dollar limits and it is care that's easy to use at a wallet-friendly price. You choose a network general dentist to manage your overall care, pay a fixed^b portion of the cost per visit, and your plan picks up the rest. Remember, you won't be covered if you go to a dentist who is not in our network. Detailed procedure costs are outlined on your Patient Charge Schedule (PCS) which makes your coverage simple, straightforward and transparent! Enjoy savings and predictability.

- One of the largest DHMO networks in the nation.**
- No annual dollar maximum on covered services and no deductible before coverage begins.
- Set copays for covered services, outlined in your Patient Charge Schedule (PCS).
- Advanced coverage on procedures, such as crowns and bridges over implants.

Get to know important plan features.

- You'll choose a primary network general dentist who will coordinate all of your dental care needs. You can choose a different network general dentist for each enrolled family member, and you can change your network general dentist at any time.
- If you have family members who live out of state, they can choose a provider close to where they live as long as our dental plan is available in their state.
- If you need to see a specialist, your network general dentist will coordinate a referral. Referrals are not required to see a network orthodontist or for children under the age of 13 who see a network pediatric dentist.
- If you have certain health conditions, you may qualify for Cigna's Oral Health Integration Program at no additional cost, which connects your oral and overall health. It helps by reimbursing eligible preventive dental care and providing support to keep your mouth — and body — healthier.

*The term "DHMO" is used to refer to product designs that may differ by state of residence of enrollee, including, but not limited to, prepaid plans, managed care plans and plans with open access features. The Cigna Dental Care (DHMO) product availability varies by state and is subject to change. In Texas, the insured dental plan is known as Cigna Dental Choice, and this plan uses the national Cigna DPPO network. **Projected unique dentists for year-end 2026 as compared to competitor DHMO networks. ***Healthy Rewards programs are NOT insurance. Rather, these programs give a discount on the cost of certain goods and services. The customer must pay the entire discounted cost. Some Healthy Rewards programs are not available in all states, and programs may be discontinued at any time. Participating providers are solely responsible for their goods and services.

Product availability may vary by location and plan type and is subject to change. All group health insurance policies and health benefit plans contain exclusions and limitations. For costs and details of coverage, review your plan documents or contact a Cigna Healthcare representative.

DELTA DENTAL - PPO PLAN OPTIONS

Our number one goal is to provide exceptional dental benefits for our members. With over 50 years of experience insuring Arizona's smiles, we've established ourselves as the dental benefits leader. We cover more than 1.6 million enrollees—and the number keeps growing!

Why Choose Delta Dental?

- More than 3,700 unique dentists in Arizona and 150,000 unique dentists nationwide¹
- Freedom to visit any licensed dentist (you don't have to select a primary dentist)
- Local customer service, with more than 95% of inquiries resolved on the first call²

Find a Delta Dental Dentist

With more dentists than any other carrier, it's likely your dentist is already in our network!

Visit deltadentalaz.com/asrs and use our provider search to find a dentist near you. You can also download the Delta Dental mobile app to search for a network dentist.

Plan Highlights

- ✓ **Preventive Care is 100% Covered** – Routine cleanings, exams and bitewing X-rays are fully covered for Delta Dental members.
- ✓ **Checkup Plus™** – Preventive and diagnostic services are not deducted from your annual maximum, giving you more money to use when you need it most.
- ✓ **No Missing Tooth Limitations³** – Your benefits are not limited due to any pre-existing conditions, like missing teeth.
- ✓ **Implant Coverage³** – Implants are covered under major services! And there are no missing tooth clauses to hold you back if you need implant treatment.

Delta Dental of Arizona Plan Options and Monthly Premiums

Delta Dental offers two great PPO plan options to choose from. Depending on the dental needs of you and your family, you may enroll in the Delta Dental High Plan Option or Delta Dental Low Plan Option.

FOR PLAN YEAR
2027

Availability of “Summary of Benefit and Coverage (SBC)” Documents

In accordance with law, our plan provides you with a Summary of Benefits and Coverage (SBC). The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. To get a free copy of the most current Summary of Benefits and Coverage (SBC) documents for our medical plan options, and the Uniform Glossary that defines many terms in the SBC, go to [AzASRS.gov/content/non-medicare-plans](https://www.azasrs.gov/content/non-medicare-plans) or for a paper copy, contact the ASRS at **1-800-621-3778**.

This section does not apply to retirees and dependents who are covered under a Medicare Advantage plan.

NEW PLAN OPTIONS FOR 2027

You have two UnitedHealthcare EPO plans to choose from. To compare the details of each plan, including coverage amounts, see the charts on the next few pages.

What is an EPO Health Plan?

EPO, meaning “exclusive provider organization”, is a common type of health insurance that requires you to get care from a certain network of providers.

If you get care outside the EPO network, you'll likely have to pay the full cost of that visit. EPO health insurance offers some benefits like those you'd get from a PPO or HMO health plan, like flexibility and lower costs.

Advantages of an EPO plan include:

- No referrals needed
- No requirement to choose a primary care provider (PCP)
- Generally lower out-of-pocket costs than a PPO plan

Both EPO plan options include:

• In-Network Coverage Only

You must receive care for covered benefits from contracted network providers. Out-of-network coverage is not available.

• UHC Choice Premier Nationwide Network

UnitedHealthcare has access to a broad network of physicians and hospitals nationwide.

• Tier 1 Providers

Use Tier 1 providers for lower copays. These PCPs & medical specialists meet national standard benchmarks for quality care and cost savings.

• Pharmacy Benefits

Obtain your 30 to 90-day supply of medications from a retail pharmacy or get your 90-day supply of maintenance medications delivered right to your home.

Prescription Drug Coverage

These plans have a new four-tier drug formulary (the prescription drug list (PDL) covered by the plan). Tiers are the different cost levels you pay for medication. Your current prescription drugs may align to a different tier on the new drug formulary.

Below are information tools, and support to help you make prescription decisions.

- **Online at myuhc.com®:**
Members can price medications before buying them at the pharmacy.
- **At the pharmacy:**
A computer messaging system alerts pharmacists to dispense the lowest-cost medication, which could be a brand or generic.
- **Over the phone:**
Members can call the number on the back of your health plan ID card for more information on lower-cost options and to learn more about your benefit plan.
- **At your doctor's office:**
If medication doesn't fit your budget, ask your doctor about lower-cost options covered by your plan.

eligible for Medicare**

FOR PLAN YEAR
2027

BECOMING MEDICARE-ELIGIBLE

As you or your dependents near Medicare eligibility, it is important to review your health options, as premiums, benefits, and overall coverage will change.

Medicare is the federal health insurance program for individuals age 65 or older and some disabled individuals under age 65. It is administered by the Centers for Medicare and Medicaid Services (CMS). You become eligible for Medicare the first day of the month in which you turn age 65 unless your birthday falls on the first of the month, in which case you become Medicare-eligible the first of the prior month.

Enrollment in Medicare may have exceptions and nuances specific to each individual's situation. Visit **www.medicare.gov** or call **(800) 633-4227** and TTY users should call **(877) 486-2048**, 24 hours/day, 7 days/week as a good starting point to learn more about Medicare and how to enroll.

If you are enrolled in an ASRS non-Medicare plan and do not switch to a Medicare plan when you become Medicare eligible, your non-Medicare medical coverage will be terminated, and you will not be able to enroll in an ASRS Medicare medical plan until the next open enrollment period.

All enrollees must maintain Medicare Part A & B coverage to be enrolled in an ASRS Medicare plan. If you do not pay your Part B premium to Medicare, you will be canceled from Medicare Part B and also your ASRS Medicare plan. Medicare Part D is included with both of the ASRS Medicare plans offered.

When to Enroll

Simple things to know about enrolling in an ASRS Medicare plan:

- Three months before your 65th birthday, contact Medicare to enroll in Medicare Parts A and B
- Before your Medicare effective date (1st day of birth month), submit your ASRS enrollment form online (but no more than 90 days ahead of the effective date)

Medicare has different parts that help cover specific services:

Medicare Part A

Hospital Insurance

Medicare Part B

Medical Insurance

Medicare Part C

Medicare Advantage Plans

Medicare Part D

Outpatient prescription drug coverage

Important:

The plans available through the ASRS are not Medicare Supplement (Medigap) plans.

The Medigap Open Enrollment Period is the 6-month period which begins the first month you have Medicare Part B, and you're 65 or older. After this enrollment period, you may not be able to buy a Medigap policy or it may cost more. In certain situations, you may have rights to buy a Medigap policy (guaranteed issue rights) outside of your Medigap Open Enrollment Period.

If you are new to Medicare and enrolling in a Medicare Advantage plan for the first time, you can try one of the UnitedHealthcare Group Medicare Advantage HMO or PPO Plans for up to one year and you may have guaranteed issue rights.

If you are currently enrolled in a Medicare Supplement plan and new to Medicare Advantage, you can try one of the UnitedHealthcare Group Medicare Advantage HMO or PPO Plans for up to one year and still have the option to go back to your former Medicare Supplement plan and carrier on a guaranteed issue basis if the same insurance company still sells it when you want to return. Please refer to current CMS guidance and your applicable state law for further information. You can visit **Medicare.gov** for more information on Medicare's guaranteed issue rights.

MEDICAL PLAN COMPARISON

For 2027, UnitedHealthcare® continues to be the sole carrier through the Arizona State Retirement System.

Beginning January 1, 2027, the medical and prescription drug coverage offered by the ASRS will be provided through two coordinated plans: the ASRS Group Medicare Advantage (HMO or PPO) plan for medical coverage and the ASRS Group Medicare Part D Plan (PDP) plan for prescription drug coverage. **This is only an administrative change. The medical benefits and monthly costs will stay the same as 2026.**

Each enrolled member will receive two member ID cards—one for medical coverage and one for prescription drug coverage.

Medical benefits will continue through the Medicare Advantage plan and prescription drug coverage will continue through the Medicare Part D Plan (PDP).

Depending upon where you live and if you are eligible for Medicare, the following plans are available:

UnitedHealthcare® Group Medicare Advantage HMO Plan – Arizona only

Each covered individual must choose a Primary Care Physician (PCP) from the HMO's network of providers.

Visits to specialists require a referral from your primary care provider (PCP) in order to be covered.

For more information on which services require a referral, view Chapter 3, Section 2.2 of the Evidence of Coverage located online at retiree.uhc.com/asrs.

Keep in mind, providers in the network may change at any time. The online directory of providers is available at retiree.uhc.com/asrs.

- Please note, you must receive your care from an in-network provider in order for services to be covered on the HMO plan. In most cases, care you receive from an out-of-network provider (a provider who is not part of the UnitedHealthcare® HMO network) will not be covered.

UnitedHealthcare® Group Medicare Advantage PPO Plan – Nationwide

With this plan, you have access to UnitedHealthcare's® nationwide coverage. You can see any provider (in-network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded from Medicare. No referral is needed to see a specialist. If you need to find a new doctor or specialist, consider a doctor in the plan's network. UnitedHealthcare® works closely with its network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions.

Plans Comparison Chart

The medical plan comparison charts on the following pages contain a partial listing of the benefits of each ASRS Medicare Advantage plan. Please remember that benefits are subject to plan limitations and exclusions.

For a full list of covered benefits, please visit retiree.uhc.com/asrs to view the Evidence of Coverage for each plan.

After you enroll for coverage

UnitedHealthcare® will send you a Welcome Letter for your Group Medicare Advantage HMO or PPO plan, and a separate Welcome Letter for your Prescription Drug Plan, followed by your Member ID cards.

You will receive two member ID cards—one for medical coverage and one for prescription drug coverage. They will arrive in two separate envelopes and may even arrive on different days.

If you have any questions about your plan, call UnitedHealthcare® Customer Service at the number on the back of your Member ID card (and on the inside back cover of this guide).

PRESCRIPTION DRUG COVERAGE

Both Medicare Advantage plans offered by ASRS include prescription drug coverage that is equal to or more than the standard Medicare Part D coverage.

Prescription drug plan features:

- No prescription drug plan deductible on the PPO plan. The HMO plan has a \$300 prescription drug plan deductible per person enrolled.
- Both ASRS plans offer a robust Part D formulary and Bonus Drug List. The prescription drugs on the Bonus Drug List are covered in addition to the drugs on the plan's Part D drug list (formulary). The drug tier for each prescription drug is shown on the list.
- To view the full formulary drug list, Bonus Drug List, and the national network of contracted retail pharmacy locations (national chains and local pharmacies) near you visit retiree.uhc.com/asrs.
- Convenient prescription by mail program through Optum® Home Delivery Pharmacy.

UnitedHealthcare® Group Medicare Advantage HMO Plan

PRESCRIPTION DRUG COVERAGE

Medicare Part D changes for 2027

The 2027 annual out-of-pocket limit for Medicare-covered Part D prescription drug costs **will be \$2,400**.

That means that after you and others on your behalf have paid a combined total of \$2,400 for your Medicare-covered Part D drugs, you will move from the Initial Coverage stage to the Catastrophic Coverage stage where the plan pays the full cost for your Medicare Part D covered drugs. This out-of-pocket limit applies only to prescriptions covered by Medicare Part D. Non-Part D drugs, such as those on the Bonus Drug List, and Part B drugs are excluded.

Prescription drug payment stages

Annual Deductible	Initial Coverage	Catastrophic Coverage
HMO only: The HMO plan has a \$300 pharmacy deductible. You pay the total cost of your drugs until you reach your deductible. PPO only: The PPO plan has no deductible. You skip this stage and start the year off in the Initial Coverage stage.	Both Plans: You pay a copay for covered drugs based on the tier of the medication and the plan pays the rest. You stay in this stage until you and others on your behalf have paid a combined total of \$2,400* for your prescription drugs, at which time you move into the Catastrophic Coverage Stage.	After you and others on your behalf have paid a combined total of \$2,400* for your prescription drugs, you will pay \$0 for Medicare Part D covered drugs for the rest of the plan year. If you fill a prescription for a drug on the Bonus Drug List, the copay, based on the tier of the drug, still applies during this stage.

*The \$2,400 maximum total amount is called your “True Out-Of-Pocket” cost, also known as “TrOOP”. In 2027, a member’s TrOOP is calculated based on the greater of the member’s cost share OR the CMS Defined Standard amount. This means that you will never be responsible for more than your copay or deductible (HMO plan only), but an amount greater than your copay/deductible may be applied toward your \$2,400 TrOOP. For a detailed explanation of how this calculation is applied, please visit the Health Insurance Videos page of the ASRS website: <https://www.azasrs.gov/content/retiree-videos>

MEDICARE PRESCRIPTION PAYMENT PLAN

Participation in the Medicare Prescription Payment Plan is optional. The Medicare Prescription Payment Plan might help you manage your budget, but it's important to know this program does not lower prescription drug costs.

Is the Medicare Prescription Payment Plan a good fit for you?

This optional program may not be a good fit if:

- Your yearly drug costs are low or relatively the same each month
- You are not likely to reach the \$2,400 annual out-of-pocket limit
- You qualify for Extra Help or another government program to help save on covered Part D prescription drug costs
- You don't want to change how you pay for your prescription drugs

This program is designed to help if:

- You have high out-of-pocket covered Part D drug costs earlier in the plan year
- You are likely to reach the \$2,400 annual out-of-pocket limit
- You like the idea of spreading out payments more evenly

If you opt into the Medicare Prescription Payment Plan, you will no longer pay the pharmacy when you fill a covered Part D prescription. Your plan will pay the pharmacy on your behalf and send you a monthly bill for your prescription drug costs. You will continue to receive a separate bill for your monthly plan premium if you have one.

You can opt into the Medicare Prescription Payment Plan only after you have enrolled in a Medicare plan with Part D coverage for 2027. If you are already a member, you can opt in any time.

You or your legal representative can opt in by completing an election request form over the phone, online or with a paper form. Election requests will be processed within 24 hours of receipt.

This payment plan applies only to prescriptions covered by Medicare Part D. Non-Part D drugs, such as those on a Bonus Drug List, and Part B drugs are not eligible.

Your next steps if this program is a good fit:

- You can opt into the Medicare Prescription Payment Plan online at retiree.uhc.com/asrs, by mail or by calling UnitedHealthcare.
- To opt in by phone or to ask questions, call **1-844-876-6161 TTY 711**, 8 a.m.–8 p.m. Local Time, Monday–Friday.

ADDITIONAL PROGRAMS & SERVICES

At UnitedHealthcare®, we want to make it easier for you and your doctor to take care of your health. As a member of one of the UnitedHealthcare plans, you have an array of programs and services, many available at no additional cost. Here are some of the ways we can help.

Annual Wellness Visit¹ and many preventive services at \$0 copay

An Annual Wellness Visit with your doctor is one of the best ways to stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns. You may also be eligible to earn rewards for completing and reporting your eligible health-related activities.

In-Home Preventive Care Visit from Optum® HouseCalls

With Optum® HouseCalls, you get a yearly in-home visit from one of our licensed health care practitioners at no cost to you. A HouseCalls visit is designed to support, but not take the place of, your regular doctor's care.

The visit takes up to an hour and is tailored to your needs. It includes select health screenings and a chance to:

- Review medications
- Receive health education, prevention tips, care and resource assistance, if needed
- Get advice and ask questions on how to manage health conditions
- Receive referrals to other health services and more
- At the end of the visit, our health care practitioner will leave a personalized checklist and send a summary of the visit to your regular doctor.

Optum® HouseCalls Video Visit

You can have your yearly HouseCalls visit by video if you prefer. A HouseCalls video visit uses a computer, tablet or smartphone to connect plan members with the health care practitioner. During the visit, they will review your health history and current medications, discuss important health screenings, identify health risks and provide health education.

UnitedHealthcare Fitness Program

Renew Active® by UnitedHealthcare® is the gold standard in Medicare fitness programs. It's available to you at no additional cost and includes:

- Access to a free gym membership at a fitness location you select from a large nationwide network.
- Social activities at local health and wellness clubs, classes and events.

Routine Medical Transportation

Receive 24 one-way trips per plan year to and from medically related appointments and the pharmacy, up to 50 miles per trip. Trips must be to or from plan-approved medically related appointments or locations, limited to ground transportation only. Each one-way trip must not exceed 50 miles. A trip is considered one-way and a round trip is considered 2 trips.

This benefit cannot be used for emergency related trips. Drivers do not have medical training. In case of an emergency, call 911. You may bring 1 companion per trip who is 18 years or older. Cab and sedan services are available, as well as transportation by stretcher if needed. Restrictions, limitations and exclusions apply.

¹ If additional tests are required, there may be a copay.

ADDITIONAL PROGRAMS & SERVICES

Stay Healthy at Home

UnitedHealthcare® Healthy at Home provides you with the support you may need to recover from inpatient hospital and skilled nursing facility stays. You are eligible to receive the following benefits up to 30 days after inpatient hospital and skilled nursing facility stays:

- 28 home-delivered meals when referred by a UnitedHealthcare Engagement Specialist*
- 12 one-way rides to medically related appointments and to the pharmacy when referred by a UnitedHealthcare Engagement Specialist*
- 6 hours of non-medical personal care provided through a professional caregiver to perform tasks such as preparing meals, bathing, medication reminders and more. A referral is not required.

*A new referral is required after every discharge to access your meal and transportation benefit. Simply call UnitedHealthcare customer service and an Advocate will be able to handle your referral.

Calm Health

As a UnitedHealthcare® member, you can use the Calm Health app at no cost to you. The app offers programs and resources to better support your mental health. Use Calm Health to:

- Learn ways to help you feel better and manage stress
- Try Sleep Stories, meditation, music and sounds
- Build healthy habits by tracking your progress
- Find resources to support the mind and body connection

How to create a Calm Health account:

Download the Calm Health app or visit uhc.care/calm/retiree; sign up with Google, Apple, Facebook or your email account, enter “Retiree” as your access code and verify your eligibility by entering your name, date of birth, and medical member ID card.

Diabetes Prevention & Weight Management Program

Real Appeal® is an online weight management and healthy lifestyle program proven to help you achieve lifelong results and Real Appeal Diabetes Prevention is a CDC-recognized lifestyle program for pre-diabetes and high-risk individuals. It's available to you at no additional cost and includes:

- Online group sessions, and one-on-one sessions (for those that qualify) led by a coach, and personalized messaging
- A health coach who will partner with you and guide you to a healthier, happier you
- A community of members to keep you motivated and accountable
- Goal-setting tools, trackers and weekly content to help you learn and stay engaged
- A Success Kit with all the tools you need delivered right to your door

Get started at uhc.realappeal.com or call **1-844-924-7325, TTY 711**

Let's Move by UnitedHealthcare

Let's Move helps keep your mind, body and social life active. With simple resources, tools, events and personalized support, Let's Move helps you explore ways to eat well, stay connected and be financially, physically and mentally fit — all at no additional cost to you.

Virtual Visits

See a medical provider or talk to a behavioral health specialist anytime using live video chat from your computer, tablet or smartphone.

To schedule an appointment:

1. Register or sign in at retiree.uhc.com/asrs or use the **UnitedHealthcare app**.
2. You can also download one of the following apps to schedule your appointment directly with one of our 3 network providers:
 - Doctor On Demand
 - Teladoc
 - Amwell
3. You can also conduct a visit by phone with Teladoc at **1-800-TELADOC** (1-800-835-2362)

Virtual Doctor Visits included on both plans for \$0 copay.

With Virtual Doctor Visits, you're able to talk to a doctor by phone or video from your computer, tablet or smartphone — 24/7, day or night. You can ask questions, get a diagnosis, or even get medication prescribed and have it sent to your pharmacy.

Virtual Doctor Visits may be best for situations like a cold, flu, skin rash, eye issue, or many other common conditions that may be treatable without a physical exam or X-ray. You will be advised if an in-person visit is appropriate. Virtual Doctor Visits are not appropriate for serious or emergency medical situations.

Virtual Behavioral Health Visits Included on the HMO plan for \$50 copay, and the PPO plan for \$0 copay

Talk to a behavioral health specialist for addiction, depression, anxiety, stress, loss, and behavioral health medication management.

24/7 Provider Support¹

24/7 Provider Support can help you make health decisions by providing quick answers to your health questions any time, anywhere - 24 hours a day, 7 days a week.

Call **1-800-835-2362** any time for health information and support - all at no additional cost to you.

When you call, a provider can help you:

- Learn about conditions and treatment options
- Understand a wide range of symptoms
- Learn more about a diagnosis
- Explore the risks, benefits and possible outcomes of your treatment options
- Determine what type of care may be right for your needs

United Healthcare Hearing

With UnitedHealthcare Hearing, you have access to friendly, expert advice from our national network of 6,500+ hearing providers and a wide variety of prescription hearing aid models to choose from, as well as a selection of audiologist-selected non-prescription hearing aids at **UHChearing.com/retiree** and virtual appointment options. UnitedHealthcare Hearing helps give you the flexibility and confidence to choose the hearing care that's right for you - so you get the care you need to hear better and live life to the fullest.

For members of the UnitedHealthcare® Group Medicare Advantage (HMO) plan only — other hearing exam providers are available in our network. Hearing aid coverage under this plan is only available through UnitedHealthcare Hearing.

Visit **UHChearing.com/retiree** for more details

¹ 24/7 Provider Support service should not be used for emergency or urgent care needs. In an emergency, call 911 or go to the nearest emergency room. The information provided through this service is for informational purposes only. Your health information is kept confidential in accordance with the law. Access to this service is subject to terms of use.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare.

STATEMENTS OF UNDERSTANDING

By enrolling in this plan, I agree to the following:

 This is a Medicare Advantage Plan contracted with the federal government. This is not a Medicare Supplement Plan.

I need to keep my Medicare Part A and/or Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.

 For members of the UnitedHealthcare® Group Medicare Advantage (HMO) Plan only.

This plan covers a specific service area. If I plan to move out of the area, I will call my plan sponsor or this plan to disenroll and get help finding a new plan in my area. I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

 For members of the UnitedHealthcare® Group Medicare Advantage (PPO) Plan only.

The service area includes the 50 United States, the District of Columbia and all U.S. territories. I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

 I can only have one Medicare Advantage or Prescription Drug Plan at a time.

- Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
- If I enroll in a different Medicare Advantage Plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
- If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.

 My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.

Medicare may also release my information for research and other purposes that follow all applicable federal statutes and regulations.

 For members of the Group Medicare Advantage Plan.

I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
