Chapter 1

Getting started as a member

Section 1 Introduction

Section 1.1 You are enrolled in UnitedHealthcare Group Medicare Advantage Edge (PPO), which is a Medicare PPO

You are covered by Medicare, and you have chosen to get your Medicare health care through our plan, UnitedHealthcare Group Medicare Advantage Edge (PPO). We are required to cover all Part A and Part B services. However, cost sharing and provider access in this plan differ from Original Medicare.

Our plan is a Medicare Advantage PPO Plan (PPO stands for Preferred Provider Organization). UnitedHealthcare Group Medicare Advantage Edge (PPO) does not include Part D prescription drug coverage. Like all Medicare health plans, this Medicare PPO is approved by Medicare and run by a private company.

Coverage under this Plan qualifies as Qualifying Health Coverage (QHC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at: www.irs.gov/Affordable-Care-Act/individuals-and-families for more information.

Section 1.2 What is the Evidence of Coverage document about?

This **Evidence of Coverage** document tells you how to get your medical care. It explains your rights and responsibilities, what is covered, what you pay as a member of the plan, and how to file a complaint if you are not satisfied with a decision or treatment.

When the Agreement is purchased by the Group to provide benefits under a welfare plan governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. §1001 et seq., we are not the plan administrator or named fiduciary of the welfare plan, as those terms are used in ERISA.

The words "coverage" and "covered services" refer to the medical care and services available to you as a member of the plan.

It's important for you to learn what the plan's rules are and what services are available to you. We encourage you to set aside some time to look through this **Evidence of Coverage** document.

If you are confused, concerned or just have a question, please contact Customer Service.

Section 1.3 Legal information about the Evidence of Coverage

This **Evidence of Coverage** is part of our contract with you about how the plan covers your care. Other parts of this contract include your enrollment form or your verbal or electronic election of our plan, and any notices you receive from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called "riders" or "amendments."

The contract is in effect for months in which you are enrolled in the plan between January 1, 2023 and December 31, 2023.

Each plan year, Medicare allows us to make changes to the plans that we offer. This means we can change the costs and benefits of the plan after December 31, 2023. We can also choose to stop offering the plan, or to offer it in a different service area, after December 31, 2023.

Medicare (the Centers for Medicare & Medicaid Services) must approve our plan each year. You can continue each year to get Medicare coverage as a member of our plan as long as we choose to continue to offer the plan and Medicare renews its approval of the plan.

Section 2 What makes you eligible to be a plan member?

Section 2.1 Your eligibility requirements

You are eligible for membership in our plan as long as:

- You meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor)
- You have both Medicare Part A and Medicare Part B
- **and** – you live in our geographic service area (Section 2.3 below describes our service area). Incarcerated individuals are not considered living in the geographic service area even if they are physically located in it.
- **and** – you are a United States citizen or are lawfully present in the United States

Section 2.2 Here is the plan service area for UnitedHealthcare Group Medicare Advantage Edge (PPO)

Our plan is available only to individuals who live in our plan service area. To remain a member of our plan, you must continue to reside in the plan service area. The service area is described below.

Our service area includes the 50 United States and the District of Columbia, Puerto Rico, the United States Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands.

If you plan to move out of the service area, you cannot remain a member of this plan. Please contact Customer Service **and your plan sponsor** to see if we have a plan in your new area.

It is also important that you call Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

Section 2.3 U.S. Citizen or Lawful Presence

A member of a Medicare health plan must be a U.S. citizen or lawfully present in the United States. Medicare (the Centers for Medicare & Medicaid Services) will notify UnitedHealthcare Group Medicare Advantage Edge (PPO) if you are not eligible to remain a member on this basis. UnitedHealthcare Group Medicare Advantage Edge (PPO) must disenroll you if you do not meet this requirement.

Section 3 Important membership materials you will receive

Section 3.1 Your UnitedHealthcare member ID card

While you are a member of our plan, you must use your UnitedHealthcare member ID card whenever you get services covered by this plan. You should also show the provider your Medicaid card, if applicable. Here's a sample UnitedHealthcare member ID card to show you what yours will look like:

Do NOT use your red, white, and blue Medicare card for covered medical services while you are a member of this plan. If you use your Medicare card instead of your UnitedHealthcare member ID card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare approved clinical research studies also called clinical trials. Note: If you are not entitled to Medicare Part A coverage, hospice services are not covered by the plan or by Medicare.

If your UnitedHealthcare member ID card is damaged, lost, or stolen, call Customer Service right away and we will send you a new card.

Section 3.2 Provider Directory

The **Provider Directory** lists our network providers and durable medical equipment suppliers. **Network providers** are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost-sharing as payment in full.

As a member of our plan, you can choose to receive care from out-of-network providers. Our plan will cover services from either in-network or out-of-network providers, as long as the provider accepts the plan and has not opted out of or been excluded or precluded from the Medicare Program, and the services are covered benefits and medically necessary. See Chapter 3 (**Using the plan's coverage for your medical services**) for more specific information.

The most recent list of providers and suppliers is available on our website at retiree.uhc.com/calpers.

If you don't have your copy of the **Provider Directory**, you can request a copy from Customer Service.

Section 4 Your monthly costs for the plan

Your costs may include the following:

- Plan Premium (Section 4.1)
- Medicare Part B Premium (Section 4.2)

Medicare Part B premiums differ for people with different incomes. If you have questions about these premiums review your copy of Medicare & You 2023 handbook, the section called "2023 Medicare Costs." If you need a copy you can download it from the Medicare website (www.medicare.gov). Or, you can order a printed copy by phone at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.

Section 4.1 Plan premium

Your former employer, union group or trust administrator (plan sponsor) is responsible for paying your monthly plan premium to UnitedHealthcare on your behalf. Your plan sponsor determines the amount of any retiree contribution toward the monthly premium for our plan. Your plan sponsor will notify you if you must pay any portion of your monthly premium for our plan.

Section 4.2 Medicare Part B Premium

Many members are required to pay other Medicare premiums

You must continue paying your Medicare premiums to remain a member of the plan. This includes your premium for Part B. It may also include a premium for Part A which affects members who aren't eligible for premium free Part A.

Section 5 More information about your monthly premium

Section 5.1 Can we change your monthly plan premium during the year?

Monthly plan premium changes and employer-sponsored benefit changes are subject to contractual arrangements between your plan sponsor and us, and as a result, monthly plan premiums generally do not change during the plan year. Your plan sponsor is responsible for notifying you of any monthly plan premium changes or retiree contribution changes (the portion of your monthly plan premium your plan sponsor requires you to pay) prior to the date when the change becomes effective.

Section 6 Keeping your plan membership record up to date

Your membership record has information from your enrollment form, including your address and telephone number. It shows your specific plan coverage.

Let us know about these changes:

- Changes to your name, your address, or your phone number.
- Changes in any other medical or drug insurance coverage you have (such as from your employer, your spouse's employer, Workers' Compensation, or Medicaid).
- If you have any liability claims, such as claims from an automobile accident.
- If you have been admitted to a nursing home.
- If your designated responsible party (such as a caregiver) changes.
- If you are participating in a clinical research study. (Note: You are not required to tell your plan about the clinical research studies you intend to participate in but we encourage you to do so)

If any of this information changes, please let us know by calling Customer Service.

It is also important to contact Social Security if you move or change your mailing address. You can find phone numbers and contact information for Social Security in Chapter 2, Section 5.

Section 7 How other insurance works with our plan

Other insurance

Medicare requires that we collect information from you about any other medical or drug insurance coverage that you have. That's because we must coordinate any other coverage you have with your benefits under our plan. This is called Coordination of Benefits.

Once each year, we will send you a letter that lists any other medical or drug insurance coverage that we know about. Please read over this information carefully. If it is correct, you don't need to do anything. If the information is incorrect, or if you have other coverage that is not listed, please call Customer Service. You may need to give your plan member ID number to your other insurers (once you have confirmed their identity) so your bills are paid correctly and on time.

When you have other insurance (like employer group health coverage), there are rules set by Medicare that decide whether our plan or your other insurance pays first. The insurance that pays first is called the "primary payer" and pays up to the limits of its coverage. The one that pays second, called the "secondary payer," only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all of the uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.

- If your group health plan coverage is based on your or a family member's current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
 - If you're under 65 and disabled and you or your family member is still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan that has more than 100 employees.
 - If you're over 65 and you or your spouse is still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan that has more than 20 employees.
- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' Compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare, employer group health plans, and/or Medigap have paid.

Your SHIP is an independent (not connected with any insurance company or health plan) state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare.

SHIP counselors can help you understand your Medicare rights, help you make complaints about your medical care or treatment, and help you straighten out problems with your Medicare bills. SHIP counselors can also help you with Medicare questions or problems and help you understand your Medicare plan choices and answer questions about switching plans.

Method to access SHIP and other resources

- Visit www.medicare.gov
- Click on “Talk to Someone” in the middle of the homepage
- You now have the following options
 - Option #1: You can have a live chat with a 1-800-MEDICARE (1-800-633-4227) representative
 - Option #2: You can select your STATE from the dropdown menu and click GO. This will take you to a page with phone numbers and resources specific to your state.

Your state's Quality Improvement Organization has a group of doctors and other health care professionals who are paid by Medicare to check on and help improve the quality of care for people with Medicare. The state's Quality Improvement Organization is an independent organization. It is not connected with our plan.

You should contact your state's Quality Improvement Organization in any of these situations:

- You have a complaint about the quality of care you have received.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

Section 5 Social Security

Social Security is responsible for determining eligibility and handling enrollment for Medicare. U.S. citizens and lawful permanent residents who are 65 or older, or who have a disability or End-Stage Renal Disease and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

Method	Social Security – Contact Information
Call	<p>1-800-772-1213</p> <p>Calls to this number are free. Available 8:00 am to 7:00 pm, Monday through Friday. You can use Social Security’s automated telephone services to get recorded information and conduct some business 24 hours a day.</p>
TTY	<p>1-800-325-0778</p> <p>This number requires special telephone equipment and is only for people who have difficulties with hearing or speaking. Calls to this number are free. Available 8:00 am to 7:00 pm, Monday through Friday.</p>

Section 6 Medicaid

Medicaid is a joint Federal and state government program that helps with medical costs for certain people with limited incomes and resources. Some people with Medicare are also eligible for Medicaid.

The programs offered through Medicaid help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” include:

- Qualified Medicare Beneficiary (QMB):** Helps pay Medicare Part A and Part B premiums, and other cost-sharing (like deductibles, coinsurance, and copayments). (Some people with QMB are also eligible for full Medicaid benefits (QMB+).)
- Specified Low-Income Medicare Beneficiary (SLMB):** Helps pay Part B premiums. (Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).)
- Qualifying Individual (QI):** Helps pay Part B premiums.
- Qualified Disabled & Working Individuals (QDWI):** Helps pay Part A premiums.

To find out more about Medicaid and its programs, contact your state Medicaid agency.

There are programs in Puerto Rico, the Virgin Islands, Guam, the Northern Mariana Islands, and American Samoa to help people with limited income and resources pay their Medicare costs. Programs vary in these areas. Call your local Medical Assistance (Medicaid) office to find out more about their rules (phone numbers are in Section 6 of this chapter). Or call 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week and say “Medicaid” for more information. TTY users should call 1-877-486-2048. You can also visit www.medicare.gov for more information.

Section 7 How to contact the Railroad Retirement Board

The Railroad Retirement Board is an independent Federal agency that administers comprehensive benefit programs for the nation’s railroad workers and their families. If you receive your Medicare through the Railroad Retirement Board, it is important that you let them know if you move or change your mailing address. If you have questions regarding your benefits from the Railroad Retirement Board, contact the agency.

Section 8 Do you have “group insurance” or other health insurance from an employer?

If you (or your spouse) have medical or prescription drug coverage through another employer or retiree group, please contact **that group’s benefits administrator**. The benefits administrator can help you determine how your current coverage will work with our plan. You can also call Customer Service if you have any questions. You can ask about your (or your spouse’s) employer or retiree health benefits, premiums, or the enrollment period.

Chapter 3

Using the plan for
your medical services

Section 1 Things to know about getting your medical care as a member of our plan

This chapter explains what you need to know about using the plan to get your medical care covered. It gives definitions of terms and explains the rules you will need to follow to get the medical treatments, services, equipment, prescription drugs, and other medical care that are covered by the plan.

Because you are a member of the UnitedHealthcare Group Medicare Advantage Edge (PPO) plan, you can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.

For the details on what medical care is covered by our plan and how much you pay when you get this care, use the benefits chart in the next chapter, Chapter 4 (**Medical Benefits Chart, what is covered and what you pay**).

Section 1.1 What are “network providers” and “covered services”?

- “Providers”** are doctors and other health care professionals licensed by the state to provide medical services and care. The term “providers” also includes hospitals and other health care facilities.
- “Network providers”** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and your cost-sharing amount as payment in full. We have arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay only your share of the cost for their services.
- “Covered services”** include all the medical care, health care services, supplies, and equipment that are covered by our plan. Your covered services for medical care are listed in the benefits chart in Chapter 4.

Section 1.2 Basic rules for getting your medical care covered by the plan

As a Medicare health plan, UnitedHealthcare Group Medicare Advantage Edge (PPO) must cover all services covered by Original Medicare and must follow Original Medicare’s coverage rules.

The plan will generally cover your medical care as long as:

- The care you receive is included in the plan’s Medical Benefits Chart** (this chart is in Chapter 4 of this document).
- The care you receive is considered medically necessary.** “Medically necessary” means that the services, supplies, equipment, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

- **You receive your care from a provider who is eligible to provide services under Original Medicare.** As a member of our plan, you can receive your care from either a network provider or an out-of-network provider (for more about this, see Section 2 in this chapter).
 - The providers in our network are listed in the **Provider Directory**.
 - **Please note:** While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who has opted out of or been excluded or precluded from the Medicare Program. If you go to a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.

Section 2 Using network and out-of-network providers to get your medical care

As a member of the UnitedHealthcare Group Medicare Advantage Edge (PPO) plan, you may see doctors and other health care professionals, medical groups, hospitals, and other health care facilities that are not contracted with UnitedHealthcare, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program, and as long as the services are covered benefits and are medically necessary. **Unlike most PPO plans, with this plan you pay the same cost share in-network and out-of-network.**

Section 2.1 How to get care from specialists and other network providers

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart conditions.
- Orthopedists care for patients with certain bone, joint, or muscle conditions.

How to access your behavioral/mental health benefit

To directly access your behavioral/mental health benefits, please call the number on your UnitedHealthcare member ID card 24 hours a day, 7 days a week. When you call, you will speak with a representative who will check your eligibility and gather basic information about you and your situation. Depending on the help you need, a clinician may then talk with you about the problem you are experiencing and assess which provider and treatment would be appropriate for your situation. You may also ask your Primary Care Provider (PCP) to call the number on your UnitedHealthcare member ID card and arrange a referral on your behalf. You may also call to receive information about **network practitioners**, subspecialty care and obtaining care after normal office hours. Confidentiality is maintained, so please be assured that personal information you discuss with their staff will be kept strictly confidential.

What if a specialist or another network provider leaves our plan?

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. If this happens, you may continue to see the provider as long as he/she continues to accept the plan and has not opted out of or been excluded or precluded from the Medicare Program, and the care you receive is a covered service and is medically necessary. Even though our network of providers may change during the year, Medicare requires that we furnish you with uninterrupted access to qualified doctors and specialists. When possible, we will provide you with at least 30 days' notice that your network provider is leaving our plan.

You may call Customer Service for assistance at the number listed in Chapter 2 of this booklet.

Some services require prior authorization from the plan in order to be covered. Obtaining prior authorization is the responsibility of the PCP or treating provider. Services and items requiring prior authorization are listed in Medical Benefits Chart in Chapter 4, Section 2.1.

Section 2.2 How to get care from out-of-network providers

As a member of our plan, you can choose to receive care from out-of-network providers. However, please note providers that do not contract with us are under no obligation to treat you, except in emergency situations. Our plan will cover services from either network or out-of-network providers, as long as the services are covered benefits and are medically necessary. Because you are a member of the UnitedHealthcare Group Medicare Advantage Edge (PPO) plan, **you can see any provider (network or out-of-network) that accepts the plan and has not opted out of or been excluded or precluded from the Medicare Program, at the same cost share.** Here are other important things to know about using out-of-network providers:

- You can get your care from an out-of-network provider, however, in most cases that provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who has opted out of or been excluded or precluded from the Medicare Program. If you receive care from a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.
- You don't need to get a referral or prior authorization when you get care from out-of-network providers. However, before getting services from out-of-network providers you may want to ask for a pre-visit coverage decision to confirm that the services you are getting are covered and are medically necessary. (See Chapter 7, Section 4 for information about asking for coverage decisions.) This is important because:
 - Without a pre-visit coverage decision, if we later determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. If we say we will not cover your services, you have the right to appeal our decision not to cover your care. See Chapter 7 (**What to do if you have a problem or complaint**) to learn how to make an appeal.
- It is best to ask an out-of-network provider to bill the plan first. But, if you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. Or if

an out-of-network provider sends you a bill that you think we should pay, you can send it to us for payment. See Chapter 5 (**Asking us to pay our share of a bill you have received for covered medical services**) for information about what to do if you receive a bill or if you need to ask for reimbursement.

Section 3 How to get services when you have an emergency or urgent need for care or during a disaster

Section 3.1 Getting care if you have a medical emergency

What is a “medical emergency” and what should you do if you have one?

A “**medical emergency**” is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent your loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to use a network doctor. You may get covered emergency medical care whenever you need it, anywhere in the world.

What is covered if you have a medical emergency?

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

What if it wasn’t a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care – thinking that your health is in serious danger – and the doctor may say that it wasn’t a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

Section 3.2 Getting care when you have an urgent need for services

What are “urgently needed services”?

An urgently needed service is a non-emergency situation requiring immediate medical care but, given your circumstances, it is not possible or not reasonable to obtain these services from a network provider. The plan must cover urgently needed services provided out-of-network. Some

examples of urgently needed services are i) a severe sore throat that occurs over the weekend or ii) an unforeseen flare-up of a known condition when you are temporarily outside the service area.

Our plan covers worldwide emergency and urgently needed services outside the United States under the following circumstances: emergency services, including emergency or urgently needed care and emergency ambulance transportation from the scene of an emergency to the nearest medical treatment facility. Transportation back to the United States from another country is not covered. Pre-scheduled, pre-planned treatments (including dialysis for an ongoing condition) and/or elective procedures are not covered.

Section 3.3 Getting care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from your plan.

Please visit the following website: retiree.uhc.com/calpers for information on how to obtain needed care during a disaster.

Section 4 What if you are billed directly for the full cost of your services?

Section 4.1 You can ask us to pay our share of the cost of covered services

If you have paid more than your plan cost-sharing for covered services, or if you have received a bill for the full cost of covered medical services, go to Chapter 5 (**Asking us to pay our share of a bill you have received for covered medical services**) for information about what to do.

Section 4.2 If services are not covered by our plan, you must pay the full cost

Our plan covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4 of this document. If you receive services not covered by our plan, you are responsible for paying the full cost of services.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you have used up your benefit for that type of covered service. For example, if your plan covers one routine physical exam per year and you receive that routine physical but choose to have a second routine physical within the same year, you pay the full cost of the second routine physical. Any amounts that you pay after you have reached the benefit limitation do not count toward your annual out-of-pocket maximum. (See Chapter 4 for more information on your plan's out-of-pocket maximum.)

Section 5 How are your medical services covered when you are in a “clinical research study”?

Section 5.1 What is a “clinical research study”?

A clinical research study (also called a “clinical trial”) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically request volunteers to participate in the study.

Once Medicare approves the study, and you express interest, someone who works on the study will contact you to explain more about the study and see if you meet the requirements set by the scientists who are running the study. You can participate in the study as long as you meet the requirements for the study **and** you have a full understanding and acceptance of what is involved if you participate in the study.

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for the covered services you receive as part of the study. If you tell us that you are in a qualified clinical trial, then you are only responsible for in-network cost sharing for the services in that trial. If you paid more, for example, if you already paid the Original Medicare cost-sharing amount, we will reimburse the difference between what you paid and the in-network cost sharing. However, you will need to provide documentation to show us how much you paid. When you are in a clinical research study, you may stay enrolled in our plan and continue to get the rest of your care (the care that is not related to the study) through our plan. Note: If you are not entitled to Medicare Part A coverage, neither Medicare nor the plan will pay the Part A costs related to a Medicare-covered clinical research study.

If you want to participate in any Medicare-approved clinical research study, you do **not** need to tell us or get approval from us. The providers that deliver your care as part of the clinical research study do **not** need to be part of our plan’s network of providers.

Although you do not need to get our plan’s permission to be in a clinical research study, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.

If you participate in a study that Medicare has not approved you will be responsible for paying all costs for your participation in the study.

Section 5.2 When you participate in a clinical research study, who pays for what?

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you receive as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren’t in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

Note: If you are not entitled to Medicare Part A coverage, neither Medicare nor the plan will pay the Part A related costs related to a Medicare-covered clinical research study.

After Medicare has paid its share of the cost for these services, our plan will pay the difference between the cost-sharing in Original Medicare and your in-network cost-sharing as a member of our plan. This means you will pay the same amount for the services you receive as part of the study as you would if you received these services from our plan. However, you are required to submit

documentation showing how much cost sharing you paid. Please see Chapter 5 for more information for submitting requests for payments.

Here's an example of how the cost-sharing works: Let's say that you have a lab test that costs \$100 as part of the research study. Let's also say that your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan's benefits. In this case, Original Medicare would pay \$80 for the test and you would pay the \$20 copay required under Original Medicare. You would then notify your plan that you received a qualified clinical trial service and submit documentation such as a provider bill to the plan. The plan would then directly pay you \$10. Therefore, your net payment is \$10, the same amount you would pay under our plan's benefits. Please note that in order to receive payment from your plan, you must submit documentation to your plan such as a provider bill.

When you are part of a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare will **not** pay for the new item or service that the study is testing unless Medicare would cover the item or service even if you were **not** in a study.
- Items or services provided only to collect data, and not used in your direct health care. For example, Medicare would not pay for monthly CT scans done as part of the study if your medical condition would normally require only one CT scan.

Do you want to know more?

You can get more information about joining a clinical research study by visiting the Medicare website to read or download the publication "Medicare and Clinical Research Studies." (The publication is available at: www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf.) You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Section 6 Rules for getting care in a "religious non-medical health care institution"

Section 6.1 What is a religious non-medical health care institution?

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we will instead provide coverage for care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Section 6.2 Receiving Care From a Religious Non-medical Health Care Institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are conscientiously opposed to getting medical treatment that is "non-excepted."

- "Non-excepted" medical care or treatment is any medical care or treatment that is **voluntary** and **not required** by any federal, state, or local law.

- “Excepted” medical treatment is medical care or treatment that you get that is **not** voluntary or **is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan’s coverage of services you receive is limited to **non-religious** aspects of care.
- If you get services from this institution that are provided to you in a facility, the following conditions apply:
 - You must have a medical condition that would allow you to receive covered services for inpatient hospital care or skilled nursing facility care.
 - – **and** – you must get approval in advance from our plan before you are admitted to the facility or your stay will not be covered.

You are covered for unlimited days in the hospital, as long as your stay meets Medicare coverage guidelines. The coverage limits are described under **Inpatient Hospital Care** in the Medical Benefits Chart in Chapter 4.

Section 7 Rules for ownership of durable medical equipment

Section 7.1 Will you own the durable medical equipment after making a certain number of payments under our plan?

Durable medical equipment (DME) includes items such as oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for use in the home. The member always owns certain items, such as prosthetics. In this section, we discuss other types of DME that you must rent.

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of our plan, however, you usually will not acquire ownership of rented DME items no matter how many copayments you make for the item while a member of our plan, even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan. Under certain limited circumstances we will transfer ownership of the durable medical equipment item. Call Customer Service for more information.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you did not acquire ownership of the DME item while in our plan, you will have to make 13 new consecutive payments after you switch to Original Medicare in order to own the item. The payments made while enrolled in your plan do not count.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare do not count.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You were in our plan but did not obtain ownership while in our plan. You then go

back to Original Medicare. You will have to make 13 consecutive new payments to own the item once you join Original Medicare again. All previous payments (whether to our plan or to Original Medicare) do not count.

Section 7.2 Rules for oxygen equipment, supplies, and maintenance

What oxygen benefits are you entitled to?

If you qualify for Medicare oxygen equipment coverage our plan will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave our plan or no longer medically require oxygen equipment, then the oxygen equipment must be returned.

What happens if you leave your plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for five years. During the first 36 months you rent the equipment. The remaining 24 months the supplier provides the equipment and maintenance (you are still responsible for the copayment for oxygen). After five years you may choose to stay with the same company or go to another company. At this point, the five-year cycle begins again, even if you remain with the same company, requiring you to pay copayments for the first 36 months. If you join or leave our plan, the five-year cycle starts over.

Chapter 4

Medical Benefits

Chart (what is covered and what
you pay)

Section 1 Understanding your out-of-pocket costs for covered services

This chapter provides a Medical Benefits Chart that lists your covered services and shows how much you will pay for each covered service as a member of UnitedHealthcare Group Medicare Advantage Edge (PPO). Later in this chapter, you can find information about medical services that are not covered. It also explains limits on certain services.

Section 1.1 Types of out-of-pocket costs you may pay for your covered services

To understand the payment information we give you in this chapter, you need to know about the types of out-of-pocket costs you may pay for your covered services.

- A **“copayment”** is the fixed amount you pay each time you receive certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your copayments.)
- “Coinsurance”** is the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart in Section 2 tells you more about your coinsurance.)

Most people who qualify for Medicaid or for the Qualified Medicare Beneficiary (QMB) program should never pay deductibles, copayments or coinsurance for Medicare covered services. Be sure to show your proof of Medicaid or QMB eligibility to your provider, if applicable.

Section 1.2 What is the most you will pay for Medicare Part A and Part B covered medical services?

- Your **combined maximum out-of-pocket amount** is \$0. This is the most you pay during the plan year for covered Medicare Part A and Part B services received from both in-network and out-of-network providers. The amounts you pay for copayments and coinsurance for covered services count toward this combined maximum out-of-pocket amount. The amounts your plan sponsor pays for your plan premiums do not count toward your combined maximum out-of-pocket amount. In addition, amounts you pay for some services do not count toward your combined maximum out-of-pocket amount. These services are marked with an asterisk in the Medical Benefits Chart. If you have paid \$0 for covered services, you will have 100% coverage and will not have any out-of-pocket costs for the rest of the plan year for Part A and Part B services. However, you must continue to pay the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Section 1.3 Our plan does not allow providers to “balance bill” you

As a member of UnitedHealthcare Group Medicare Advantage Edge (PPO), an important protection for you is that you only have to pay your cost-sharing amount when you get services covered by our plan. Providers may not add additional separate charges, called “balance billing.” This protection applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges.

Here is how this protection works.

- If your cost-sharing is a copayment (a set amount of dollars, for example, \$15.00) then you pay only that amount for any covered services from a network provider.
- If your cost-sharing is a coinsurance (a percentage of the total charges), then you never pay more than that percentage. However, your cost depends on which type of provider you see:
 - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan's reimbursement rate (as determined in the contract between the provider and the plan).
 - If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers.
 - If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for non-participating providers.
- If you believe a provider has "balance billed" you, call Customer Service.

Section 2 Use the Medical Benefits Chart to find out what is covered and how much you will pay

Section 2.1 Your medical benefits and costs as a member of the plan

The Medical Benefits Chart on the following pages lists the services UnitedHealthcare Group Medicare Advantage Edge (PPO) covers and what you pay out-of-pocket for each service. The services listed in the Medical Benefits Chart are covered only when the following coverage requirements are met:

- Your Medicare covered services must be provided according to the coverage guidelines established by Medicare.
- Your services (including medical care, services, supplies, equipment, and Part B prescription drugs) **must** be medically necessary. "Medically necessary" means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- Some of the in-network services listed in the Medical Benefits Chart are covered only if your doctor or other network provider gets approval in advance (sometimes called "prior authorization") from us.
 - Covered services that may need approval in advance to be covered as in-network services are marked in italics in the Medical Benefits Chart.
 - Network providers agree by contract to obtain prior authorization from the plan and agree to not balance bill you.
 - You never need approval in advance for out-of-network services from out-of-network providers.
 - While you don't need approval in advance for out-of-network services, you or your doctor can ask us to make a coverage decision in advance.

Other important things to know about our coverage:

- For benefits where your cost-sharing is a coinsurance percentage, the amount you pay depends on what type of provider you receive the services from:
 - If you receive the covered services from a network provider, you pay the coinsurance percentage multiplied by the plan's reimbursement rate (as determined in the contract between the provider and the plan).
 - If you receive the covered services from an out-of-network provider who participates with Medicare, you pay the coinsurance percentage multiplied by the Medicare payment rate for participating providers.
 - If you receive the covered services from an out-of-network provider who does not participate with Medicare, you pay the coinsurance percentage multiplied by the Original Medicare Limiting Charge.
- Like all Medicare health plans, we cover everything that Original Medicare covers. For some of these benefits, you pay **more** in our plan than you would in Original Medicare. For others, you pay **less**. (If you want to know more about the coverage and costs of Original Medicare, look in your **Medicare & You 2023** handbook. View it online at www.medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.)
- For all preventive services that are covered at no cost under Original Medicare, we also cover the service at no cost to you. However, if you also are treated or monitored for an existing medical condition during the visit when you receive the preventive service, a copayment will apply for the care received for the existing medical condition. See the Medical Benefits Chart for information about your share of the **out-of-network** costs for these services.
- If Medicare adds coverage for any new services during 2023, either Medicare or our plan will cover those services.

 You will see this apple next to the preventive services in the benefits chart.

Medically Necessary - means health care services, supplies, or drugs needed for the prevention, diagnosis, or treatment of your sickness, injury or illness that are all of the following as determined by us or our designee, within our sole discretion:

- In accordance with **Generally Accepted Standards of Medical Practice**.
- Most appropriate, in terms of type, frequency, extent, site and duration, and considered effective for your sickness, injury, or illness.
- Not mainly for your convenience or that of your doctor or other health care provider.
- Meet, but do not exceed your medical need, are at least as beneficial as an existing and available medically appropriate alternative, and are furnished in the most cost-effective manner that may be provided safely and effectively.

Generally Accepted Standards of Medical Practice are standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, relying primarily on controlled clinical trials, or, if not available,

observational studies from more than one institution that suggest a causal relationship between the service or treatment and health outcomes.

If no credible scientific evidence is available, then standards that are based on Physician specialty society recommendations or professional standards of care may be considered. We reserve the right to consult expert opinion in determining whether health care services are Medically Necessary. The decision to apply Physician specialty society recommendations, the choice of expert and the determination of when to use any such expert opinion, shall be within our sole discretion.

Medical Benefits Chart

Services that are covered for you	What you must pay when you get these services in-network and out-of-network
-----------------------------------	---

Providers may ask you for more than one cost share payment if you get more than one service at an appointment. For example:

- Your doctor will ask for a copayment for the office visit and additional copayments for each x-ray that is performed while you are there.
- Your hospital will ask for separate cost sharing for outpatient hospital medical services and any radiological tests or Medicare Part B drugs administered while you are there.
- The specific cost sharing that will apply depends on which services you receive. The Medical Benefits Chart below lists the cost sharing that applies for each specific service.

Abdominal Aortic Aneurysm Screening

A one-time (once per lifetime) screening ultrasound for people at risk. The plan only covers this screening if you have certain risk factors and if you get a referral for it from your physician, physician assistant, nurse practitioner, or clinical nurse specialist.

There is no coinsurance, copayment, or deductible for members eligible for this preventive screening.

<p>(PPO) Customer Service at 1-888-867-5581 TTY 711. If you need a transplant, we will arrange to have your case reviewed by a Medicare-approved transplant center that will decide whether you are a candidate for a transplant. Transplant providers may be local or outside of the service area. If our in-network transplant services are outside the community pattern of care, you may choose to go locally as long as the local transplant providers are willing to accept the Original Medicare rate. If UnitedHealthcare Group Medicare Advantage Edge (PPO) provides transplant services at a location outside of the pattern of care for transplants in your community and you chose to obtain transplants at this distant location, we will arrange or pay for appropriate lodging and transportation costs for you and a companion. While you are receiving care at the distant location, we will also reimburse transportation costs to and from the hospital or doctor’s office for evaluations, transplant services and follow-up care. (Transportation in the distant location includes, but is not limited to: vehicle mileage, economy/coach airfare, taxi fares, or rideshare services.) Costs for lodging or places to stay such as hotels, motels or short-term housing as a result of travel for a covered organ transplant may also be covered. The visit includes a review of your health, as well as education and counseling about the preventive services you need (including certain screenings and shots), and referrals for other care if needed. Doesn’t include lab tests, radiological diagnostic tests or non-radiological diagnostic tests. Additional cost share may apply to any lab or diagnostic testing performed during your visit, as described for each separate service in this Medical Benefits Chart.</p> <p>Important: We cover the “Welcome to Medicare” preventive visit only within the first 12 months you have Medicare Part B. When you make your appointment, let your doctor’s office know you would like to schedule your “Welcome to Medicare” preventive visit.</p>	<p>There is no coinsurance, copayment, or deductible for the “Welcome to Medicare” preventive visit.</p>

* Covered services that do not count toward your maximum out-of-pocket amount.

^ Coverage for these services are in addition to your Medicare Advantage plan benefits. Unlike your Medicare Advantage plan medical coverage, you cannot file a Medicare appeal or grievance for non-Medicare benefits. If you have questions, please call Customer Service using the information on the cover of this booklet.

Section 3 What Medical services are not covered by the plan?

Section 3.1 Medical services we do not cover (exclusions)

This section tells you what services are “excluded” from Medicare coverage and therefore, are not covered by this plan.

The chart below lists services and items that either are not covered under any condition or are covered only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself, except under the specific conditions listed below. Even if you receive the excluded services at an emergency facility, the excluded services are still not covered and our plan will not pay for them.

The only exception is if the service is appealed and decided upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 7, Section 5.3 in this document.)

We regularly review new procedures, devices and drugs to determine whether or not they are safe and effective for members. New procedures and technology that are safe and effective are eligible to become covered services. If the technology becomes a covered service, it will be subject to all other terms and conditions of the plan, including medical necessity and any applicable member copayments, coinsurance, deductibles or other payment contributions.

In determining whether to cover a service, we use proprietary technology guidelines to review new devices, procedures and drugs, including those related to behavioral/mental health. When clinical necessity requires a rapid determination of the safe and effective use of a new technology or new application of an existing technology for an individual member, one of our medical directors makes a medical necessity determination based on individual member medical documentation, review of published scientific evidence, and, when appropriate, relevant specialty or professional opinion from an individual who has expertise in the technology.

Section 4 Other additional benefits (not covered under Original Medicare)

Introduction

Your health and well-being are important to us, which is why we’ve developed the additional benefit(s) detailed in this section:

- Routine Hearing Services
- Routine Vision Services
- Routine Chiropractic Services
- Routine Acupuncture Services

The benefit(s) described on the following pages are designed to help you stay healthy and provide well-rounded health coverage. Please read this section carefully, and reference it later if need be, to help you know what services are covered under your plan. If you ever have questions about what is covered, how to make a claim or about any other issue, please call Customer Service (phone numbers for Customer Service are on the cover of this booklet). We are always happy to provide answers to any questions you may have. We’re here to serve you.

The information in this section describes the following benefits:

- Routine eye exam and routine eyewear

- Routine chiropractic care
- Routine Acupuncture Services

Refer to the Routine Hearing Services benefit section below for more details on your routine hearing benefit.

These are covered health services when you follow the coverage rules in the Evidence of Coverage. These services are in addition to Medicare-covered benefits outlined in the Evidence of Coverage. The provisions of this section are incorporated into and made a part of your Evidence of Coverage. Copayments or coinsurance for these covered health services do not apply toward the annual out-of-pocket maximum (if applicable to your plan) described earlier in this chapter.

Further details on the benefits available as part of your additional benefit(s) (if applicable) are detailed in the section titled: **Covered services**.

Submit a claim or request reimbursement

When you obtain services, the service provider normally submits a claim on your behalf. If the service provider is unwilling to do so, you can ask us for reimbursement. Refer to Chapter 5 Section 2 *How to ask us to pay you back or to pay a bill you have received*.

Hearing aids ordered through providers other than UnitedHealthcare Hearing are not covered.

Limitation of liability

We will not reduce or deny a claim for failure to furnish such proof within the time required, provided a claim is furnished as soon as reasonably possible. Except in the absence of legal capacity, we will not accept a claim more than one (1) year from the date of service.

Access your benefits

You may see doctors and other health care professionals, medical groups, hospitals, and other health care facilities that are not contracted with UnitedHealthcare, as long as they accept the plan, and have not opted out of or been excluded or precluded from the Medicare Program, and as long as the services are covered benefits and are medically necessary. Unlike most PPO plans, with this plan you pay the same cost share in-network and out-of-network.

You may receive covered services from a provider anywhere in the United States by taking the following steps:

- Locate a provider of your choice.
- Call your selected provider's office to schedule your services.
- Pay the appropriate cost shares at the time of your service, if applicable.
- When you go to the provider's office for services, you may be asked to show your UnitedHealthcare member ID card.

It is important to note that the provider has the right to decide whether or not he or she will agree to submit the bill for covered services directly to us for payment at the time he or she furnishes covered services to you. If the provider does not wish to submit the bill directly to us please follow the instructions under "Submit a Claim or Request Reimbursement".

Out-of-network benefits

You can choose to use your in-network benefits with a network provider or use your out-of-network benefits with an out-of-network provider.

Routine Hearing Services

Hearing Service Providers

You may visit any provider for your hearing exam. You may visit only a UnitedHealthcare Hearing provider for your hearing aids.

Covered services

The following services are covered under your additional hearing benefit:

Routine Hearing Exam

- You can receive a complete hearing exam, every year through any hearing service provider, including UnitedHealthcare Hearing
- No authorization needed

Please see the Medical Benefits Chart above for any copayment or coinsurance that may be due at the time of your exam.

Hearing Aids (Includes digital hearing aids)

Hearing service providers

Your health plan network hearing aid provider, UnitedHealthcare Hearing, can help get you started. You can contact UnitedHealthcare Hearing at 1-866-445-2071, TTY 711, 8 a.m.-8 p.m. CT, Monday-Friday or by visiting UHChearing.com/retiree. A hearing counselor will verify eligibility and help in determining your hearing care needs. Then they will help you find a convenient location and make your appointment.

Please note:

- Hearing aid units are medical devices that fit in or near the ear.
- This benefit may cover more than one year, but it may be changed or terminated at the end of the plan year.
- There is no coverage if hearing aids or related services are received from an out-of-network provider.

Hearing aid purchase includes:

- 1 hearing exam for evaluation and fitting of hearing aids every year
- 3 hearing aid maintenance checks within the first year for devices dispensed in-person through Right2You virtual care or Right2You direct delivery
 - Hearing aids purchased in Silver technology level receive one virtual maintenance check

- A 45-day trial period for devices dispensed in-person and a 70-day trial period for devices dispensed through Right2You virtual care or Right2You direct delivery
- A 3-year extended warranty

Please see the Medical Benefits Chart above for the specific amount of your benefit as well as how often you can purchase hearing aids.

Limitations and exclusions

The limitations and exclusions below apply to your additional hearing aid benefit:

- Hearing aids ordered through providers other than UnitedHealthcare Hearing are not covered
- Government treatment for any services provided in a local, state or federal government facility or agency except when payment under the plan is expressly required by federal or state law
- Any treatment or services caused by or arising out of the course of employment or covered under any public liability insurance, including, but not limited to, Worker's Compensation programs
- Covered expenses related to hearing aids are limited to the plan's Usual and Customary (U&C) charge of a basic hearing aid to provide functional improvement. Certain hearing aid items and services are not covered. Items and services that are not covered include, but are not limited to, the following:
 - Replacement of a hearing aid that is lost, broken or stolen if occurrence exceeds covered rate of occurrence
 - Repair of the hearing aid and related services
 - An eyeglass-type hearing aid or additional charges for a hearing aid designed specifically for cosmetic purposes
 - Coverage must be active on the date of service to utilize the benefit
 - Services, accessories, or supplies that are not medically necessary according to professionally accepted standards of practice
 - Replacement batteries or assistive listening devices
 - The plan does not cover hearing services obtained outside of the warranty or trial period
 - Services you choose to have that are not covered under the benefit will be at your own cost

Routine Vision Services

Vision Service Providers

Vision coverage is through the UnitedHealthcare Medical network. Providers should contact the provider number on the back of your UnitedHealthcare member ID card to confirm eligibility and benefits.

You may visit any vision service provider for routine vision services.

For more information please see **Access Your Benefits** earlier in this section.

Covered services

The following services are covered under your vision benefit:

Routine Eye Exam

A routine vision exam every 12 months, through a network or out-of-network vision provider.

Routine Eyewear

The plan provides an eyewear benefit for vision correction not related to cataract surgery. Eyewear consists of frames and lenses (eyeglasses) or contact lenses.

Please refer to the Medical Benefits Chart above for your copayment or coinsurance and the number of visits allowed under this plan.

Limitations and exclusions

The limitations and exclusions below apply to your routine vision benefit:

- Medically necessary services covered under Original Medicare.
- Government treatment for any services provided in a local, state or federal government facility or agency, except when federal or state law requires payment under the plan.
- Any treatment or services caused by or resulting from employment, or covered under any public liability insurance, including Worker's Compensation programs.
- Orthoptics or vision training and any associated supplemental testing.
- Plano lenses (non-prescription).
- 2 pair of glasses instead of bifocals.
- Subnormal (low) vision aids.
- Replacement of lenses and frames which are lost or broken, except at the normal intervals when services are otherwise available.
- LASIK, surgeries or other laser procedures.
- Any eye exam or corrective eyewear required by an employer as a condition of employment.

Routine Chiropractic Services

Chiropractic service providers

You may visit any chiropractor for routine chiropractic services. For more information please see **Access Your Benefits** earlier in this section.

Covered services

The following services are covered under your additional chiropractic benefit:

- A limited number of visits per year, including evaluation of X-rays.
- An initial exam with a chiropractor to determine the nature of your problem and prepare a treatment plan if necessary.

- Follow-up visits to chiropractors, as indicated by a treatment plan, which may include spinal and extraspinal manipulations, therapy, and X-ray procedures with the exception of those listed in the limitations and exclusions.
- Any of the following when medically necessary: radiology codes for the spine, traction, whirlpool, manual electrical stimulation, ultrasound, therapeutic exercise, neuromuscular reeducation, massage when performed by a chiropractor, attended therapy techniques, dynamic therapeutic activities, and spinal manipulation.
- A re-evaluation to assess the need to continue, extend or change your treatment plan. If a separate appointment is made to re-evaluate your treatment plan, it will count as a visit and a copayment or coinsurance will be required.
- X-rays and laboratory tests are covered in full when prescribed by a chiropractor for medically necessary services. X-ray interpretations or consultations are only covered when performed by a chiropractor or an American Radiology Association (ARA) radiologist.

Please refer to the Medical Benefits Chart above for your copayment or coinsurance and the number of visits allowed under this plan.

Limitations and exclusions

The limitations and exclusions below apply to your additional chiropractic benefit:

- Government treatment for any services provided in a local, state or federal government facility or agency, except when federal or state law requires payment under the plan.
- Any treatment or services caused by or resulting from employment, or covered under any public liability insurance, including Worker's Compensation programs.
- Terms and conditions of coverage not outlined in the Evidence of Coverage.
- Any accommodation, service, supply or other item determined not to be medically necessary, except for routine covered chiropractic services.
- Services for an exam or treatment of strictly non-neuromuscular-skeletal disorders.
- Services that are not documented as necessary and appropriate, or are experimental or investigational chiropractic care.
- Diagnostic scanning, including Magnetic Resonance Imaging (MRI), CAT scans and/or other types of diagnostic scanning.
- Any services or treatment for Temporomandibular Joint Disease (TMJ). TMJ is a condition of the jaw joint that commonly causes headaches, tenderness of the jaw muscles or dull aching facial pain.
- Treatment or service for pre-employment physicals or vocational rehabilitation.
- Thermography.
- Hypnotherapy, behavior training, sleep therapy, weight programs, educational programs, non-medical self-care or self-help including any self-help physical exercise training, or any related diagnostic testing.
- Air conditioners, air purifiers, therapeutic mattress supplies or any other similar devices or appliances.

- Vitamins, minerals, nutritional supplements or other similar-type products.
- Manipulation under anesthesia, hospitalization or any related services.
- Prescription drugs or medicines, including non-legend or proprietary medicine, that don't require a prescription order.
- Measurement codes, transcutaneous electrical nerve stimulator (TENS) unit for chronic low back pain and related supplies, assistant at surgery, unattended electrical stimulation, gait training, osteopathic manipulation, extraspinal manipulation, foot orthotics, X-rays other than for the spine, infrared and ultraviolet therapy, vertebral axial decompression, and massage not performed by a chiropractor.

Routine Acupuncture Services

Acupuncture service providers

You may visit any acupuncturist for routine acupuncture services. For more information please see **Access Your Benefits** earlier in this section.

Covered services

The following services are covered under your additional acupuncture benefit:

- A limited number of visits per year.
- Services for diagnosis and treatment to correct body imbalances and conditions such as lower back pain, sprains and strains (such as tennis elbow or sprained ankle), nausea, headaches, menstrual cramps and carpal tunnel syndrome.
- An initial exam with a network acupuncturist to determine the nature of your problem and prepare a treatment plan if necessary.
- Follow-up visits to network acupuncturists as indicated by a treatment plan, which may include acupuncture treatment, a re-evaluation and/or other services.
- A re-evaluation may be performed by a network acupuncturist to assess the need to continue, extend or change your treatment plan. A re-evaluation can occur during a follow-up visit or separately. If a separate appointment is made to re-evaluate your treatment plan, it will count as a visit and a copayment or coinsurance will be required.

Please refer to the Medical Benefits Chart above for your copayment or coinsurance amount and the number of visits allowed under this plan.

Limitations and exclusions

The limitations and exclusions below apply to your additional acupuncture benefit:

- Government treatment for any services provided in a local, state or federal government facility or agency, except when federal or state law requires payment under the plan.
- Any treatment or services caused by or resulting from employment, or covered under any public liability insurance, including Worker's Compensation programs.
- Terms and conditions of coverage not outlined in the Evidence of Coverage.
- Any service or treatment from an out-of-network acupuncturist.

- Diagnostic scanning, including Magnetic Resonance Imaging (MRI) and CAT scans.
- Thermography.
- Hypnotherapy, behavior training, sleep therapy, weight programs, educational programs, non-medical self-care or self-help including any self-help physical exercise training, or any related diagnostic testing.
- Vitamins, minerals, nutritional supplements or other similar-type products.
- Acupuncture under anesthesia, hospitalization or any related services.
- Intravenous injections or solutions.
- Prescription drugs or medicines, including non-legend or proprietary medication, that don't require a prescription order.

Chapter 5

Asking us to pay our share of a bill
you have received for covered medical
services

Section 1 Situations in which you should ask us to pay our share of the cost of your covered services

Sometimes when you get medical care, you may need to pay the full cost. Other times, you may find that you have paid more than you expected under the coverage rules of the plan. Or you may receive a bill from a provider. In these cases, you can ask our plan to pay you back (paying you back is often called “reimbursing” you). It is your right to be paid back by our plan whenever you’ve paid more than your share of the cost for medical services that are covered by our plan. There may be deadlines that you must meet to get paid back. Please see Section 2 of this chapter.

There may also be times when you get a bill from a provider for the full cost of medical care you have received or possibly for more than your share of cost sharing as discussed in the document. First try to resolve the bill with the provider. If that does not work, send the bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. If we decide not to pay it, we will notify the provider. You should never pay more than plan-allowed cost sharing. If this provider is contracted you still have the right to treatment.

Here are examples of situations in which you may need to ask our plan to pay you back or to pay a bill you have received:

1. When you’ve received medical care from a provider who is not in our plan’s network

When you received services from a provider in the United States who is not part of our network, you are only responsible for paying your share of the cost. Ask the provider to bill the plan for our share of the cost.

- If you pay the entire amount yourself at the time you receive the care, ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
 - If the provider is owed anything, we will pay the provider directly.
 - If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.
- Please note:** While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who has opted out of or been excluded or precluded from the Medicare Program. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive.
- You can also receive emergency or urgently needed services from a provider outside the United States. If you receive emergency or urgently-needed services outside of the United States, the provider may require that you pay for the cost of the services in full. Ask for a written, detailed bill or receipt showing the specific services provided to you. Send a copy of the itemized bill or an itemized receipt to us to pay you back. You should be prepared to

assist us in obtaining all of the information necessary to properly process your request for reimbursement, including medical records.

2. When a network provider sends you a bill you think you should not pay

Network providers should always bill the plan directly and ask you only for your share of the cost. But sometimes they make mistakes and ask you to pay more than your share.

- You only have to pay your cost-sharing amount when you get covered services. We do not allow network providers to add additional separate charges, called “balance billing.” This protection (that you never pay more than your cost-sharing amount) applies even if we pay the provider less than the provider charges for a service and even if there is a dispute and we don’t pay certain provider charges.
- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and resolve the billing problem.
- If you have already paid a bill to a network provider, but you feel that you paid too much, send us the bill along with documentation of any payment you have made and ask us to pay you back the difference between the amount you paid and the amount you owed under the plan.

3. If you are retroactively enrolled in our plan

Sometimes a person’s enrollment in the plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out-of-pocket for any of your covered services after your enrollment date, you can ask us to pay you back for our share of the costs. You will need to submit paperwork such as receipts and bills for us to handle the reimbursement.

4. When you utilize your Worldwide Emergency Coverage, Worldwide Urgently Needed Services, or Worldwide Emergency Transportation benefits

You will pay the full cost of emergency services received outside of the United States at the time you receive services. To receive reimbursement from us, you must do the following:

- Pay your bill at the time it is received. We will reimburse you for the difference between the amount of your bill and your cost share for the services as outlined in Chapter 4 of this document.
- Save all of your receipts and send us copies when you ask us to pay you back. In some situations, we may need to get more information from you or the provider who rendered services to you in order to pay you back for our share of the cost. Please see Chapter 5 Section 2.1 for expense reimbursement for worldwide services.
- If you are being asked to pay your bill for worldwide emergency services and are unable to make the payment, please call Customer Service for additional assistance and we may be able to help coordinate payment for covered services on your behalf.

All of the examples above are types of coverage decisions. This means that if we deny your request for payment, you can appeal our decision. Chapter 7 of this document has information about how to make an appeal.

Section 2 How to ask us to pay you back or to pay a bill you have received

You may request us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you have made. It's a good idea to make a copy of your bill and receipt(s) for your records.

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form, but it will help us process the information faster.
- Either download a copy of the form from our website (retiree.uhc.com/calpers) or call Customer Service and ask for the form.

Mail your request for payment together with any bills or paid receipts to us at this address:

Medical claims payment requests:
UnitedHealthcare
P.O. Box 30995
Salt Lake City, UT 84130-0995

You must submit your Part C (medical) claim to us within 12 months of the date you received the service, item, or Part B drug.

Section 3 We will consider your request for payment and say yes or no

Section 3.1 We check to see whether we should cover the service and how much we owe

When we receive your request for payment, we will let you know if we need any additional information from you. Otherwise, we will consider your request and make a coverage decision.

- If we decide that the medical care is covered and you followed all the rules, we will pay for our share of the cost. If you have already paid for the service, we will mail your reimbursement of our share of the cost to you. If you have not paid for the service yet, we will mail the payment directly to the provider.
- If we decide that the medical care is **not** covered, or you did **not** follow all the rules, we will not pay for our share of the cost. We will send you a letter explaining the reasons why we are not sending the payment and your rights to appeal that decision.

Section 3.2 If we tell you that we will not pay for all or part of the medical care, you can make an appeal

If you think we have made a mistake in turning down your request for payment or the amount we are paying, you can make an appeal. If you make an appeal, it means you are asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For details on how to make this appeal, go to Chapter 7 of this document.

Chapter 6

Your rights and responsibilities

Section 1 Our plan must honor your rights and cultural sensitivities as a member of the plan

Section 1.1 You have a right to receive information about the organization, its services, its practitioners and providers and member rights and responsibilities. We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, in braille, in large print, or other alternate formats, etc.)

Your plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how a plan may meet these accessibility requirements include, but are not limited to provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Our plan has free interpreter services available to answer questions from non-English speaking members. We can also give you information in braille, in large print, or other alternate formats at no cost if you need it. We are required to give you information about the plan's benefits in a format that is accessible and appropriate for you. To get information from us in a way that works for you, please call Customer Service.

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

If providers in the plan's network for a specialty are not available, it is the plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you will only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in the plan's network that cover a service you need, call the plan for information on where to go to obtain this service at in-network cost sharing.

If you have any trouble getting information from our plan in a format that is accessible and appropriate for you, please call to file a grievance with Customer Service (phone numbers are printed on the cover of this booklet). You may also file a complaint with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights 1-800-368-1019 or TTY 1-800-537-7697.

Section 1.2 We must ensure that you get timely access to your covered services

You have the right to choose an out-of-network provider that participates in Medicare.

You have the right to get appointments and covered services from your providers, **within a reasonable amount of time**. This includes the right to get timely services from specialists when you need that care.

How to Receive Care After Hours

If you need to talk to or see your Primary Care Provider after the office has closed for the day, call your Primary Care Provider's office. When the on-call physician returns your call he or she will advise you on how to proceed. Because you are a member of the UnitedHealthcare Group Medicare Advantage Edge (PPO) plan, you can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.

If you think that you are not getting your medical care within a reasonable amount of time, Chapter 7 tells what you can do.

Section 1.3 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your "personal health information" includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.
- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a "Notice of Privacy Practice," that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- Except for the circumstances noted below, if we intend to give your health information to anyone who isn't providing your care or paying for your care, **we are required to get written permission from you or someone you have given legal power to make decisions for you first.**
- There are certain exceptions that do not require us to get your written permission first. These exceptions are allowed or required by law.
 - We are required to release health information to government agencies that are checking on quality of care.
 - Because you are a member of our plan through Medicare, we are required to give Medicare your health information. If Medicare releases your information for research or other uses, this will be done according to Federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

You can see the information in your records and know how it has been shared with others

You have the right to look at your medical records held at the plan, and to get a copy of your records. We are allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we will work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that are not routine.

If you have questions or concerns about the privacy of your personal health information, please call Customer Service.

HEALTH PLAN NOTICES OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Medical Information Privacy Notice

Effective January 1, 2022

We¹ are required by law to protect the privacy of your health information. We are also required to send you this notice, which explains how we may use information about you and when we can give out or "disclose" that information to others. You also have rights regarding your health information that are described in this notice. We are required by law to abide by the terms of this notice.

The terms "information" or "health information" in this notice include any information we maintain that reasonably can be used to identify you and that relates to your physical or mental health condition, the provision of health care to you, or the payment for such health care. We will comply with the requirements of applicable privacy laws related to notifying you in the event of a breach of your health information.

We have the right to change our privacy practices and the terms of this notice. If we make a material change to our privacy practices, we will provide to you, in our next annual distribution, either a revised notice or information about the material change and how to obtain a revised notice.

We will provide you with this information either by direct mail or electronically, in accordance with applicable law. In all cases, if we maintain a website for your particular health plan, we will post the revised notice on your health plan website, retiree.uhc.com/calpers. We reserve the right to make any revised or changed notice effective for information we already have and for information that we receive in the future.

UnitedHealth Group collects and maintains oral, written and electronic information to administer our business and to provide products, services and information of importance to our enrollees. We maintain physical, electronic and procedural security safeguards in the handling and maintenance of our enrollees' information, in accordance with applicable state and federal standards, to protect against risks such as loss, destruction or misuse.

How We Collect, Use, and Disclose Information

We collect, use, and disclose your health information to provide that information:

- To you or someone who has the legal right to act for you (your personal representative) in order to administer your rights as described in this notice; and
- To the Secretary of the Department of Health and Human Services, if necessary, to make sure your privacy is protected.

We have the right to collect, use, and disclose health information for your treatment, to pay for your health care and to operate our business. For example, we may use or disclose your health information:

- **For Payment** of premiums due us, to determine your coverage, and to process claims for health care services you receive, including for subrogation or coordination of other benefits you may have. For example, we may tell a doctor whether you are eligible for coverage and what percentage of the bill may be covered.
- **For Treatment.** We may collect, use, and disclose health information to aid in your treatment or the coordination of your care. For example, we may collect information from, or disclose information to, your physicians or hospitals to help them provide medical care to you.
- **For Health Care Operations.** We may collect, use, and disclose health information as necessary to operate and manage our business activities related to providing and managing your health care coverage. For example, we might talk to your physician to suggest a disease management or wellness program that could help improve your health or we may analyze data to determine how we can improve our services. We may also de-identify health information in accordance with applicable laws. After that information is de-identified, the information is no longer subject to this notice and we may use the information for any lawful purpose.
- To Provide You Information on Health-Related Programs or Products** such as alternative medical treatments and programs or about health-related products and services, subject to limits imposed by law.
- For Plan Sponsors.** If your coverage is through an employer sponsored group health plan, we may share summary health information and enrollment and disenrollment information with the plan sponsor. In addition, we may share other health information with the plan sponsor for plan administration purposes if the plan sponsor agrees to special restrictions on its use and disclosure of the information in accordance with federal law.
- For Underwriting Purposes.** We may collect, use, and disclose your health information for underwriting purposes; however, we will not use or disclose your genetic information for such purposes.
- For Reminders.** We may use or disclose health information to send you reminders about your benefits or care, such as appointment reminders with providers who provide medical care to you.
- For Communications to You.** We may communicate, electronically or via telephone, these treatment, payment or health care operation messages using telephone numbers or email addresses you provide to us.

We may collect, use, and disclose your health information for the following purposes under limited circumstances:

- As Required by Law.** We may disclose information when required to do so by law.
- To Persons Involved with Your Care.** We may collect, use, and disclose your health information to a person involved in your care or who helps pay for your care, such as a family member, when you are incapacitated or in an emergency, or when you agree or fail to object when given the opportunity. If you are unavailable or unable to object, we will use our best judgment to decide if the disclosure is in your best interests. Special rules apply regarding when we may disclose health information to family members and others involved in a deceased individual's care. We may disclose health information to any persons involved, prior to the death, in the care or payment for care of a deceased individual, unless we are aware that doing so would be inconsistent with a preference previously expressed by the deceased.
- For Public Health Activities** such as reporting or preventing disease outbreaks to a public health authority.
- For Reporting Victims of Abuse, Neglect or Domestic Violence** to government authorities that are authorized by law to receive such information, including a social service or protective service agency.
- For Health Oversight Activities** to a health oversight agency for activities authorized by law, such as licensure, governmental audits and fraud and abuse investigations.
- For Judicial or Administrative Proceedings** such as in response to a court order, search warrant or subpoena.
- For Law Enforcement Purposes.** We may disclose your health information to a law enforcement official for purposes such as providing limited information to locate a missing person or report a crime.
- To Avoid a Serious Threat to Health or Safety** to you, another person, or the public, by, for example, disclosing information to public health agencies or law enforcement authorities, or in the event of an emergency or natural disaster.
- For Specialized Government Functions** such as military and veteran activities, national security and intelligence activities, and the protective services for the President and others.
- For Workers' Compensation** as authorized by, or to the extent necessary to comply with, state workers compensation laws that govern job-related injuries or illness.
- For Research Purposes** such as research related to the evaluation of certain treatments or the prevention of disease or disability, if the research study meets federal privacy law requirements.
- To Provide Information Regarding Decedents.** We may disclose information to a coroner or medical examiner to identify a deceased person, determine a cause of death, or as authorized by law. We may also disclose information to funeral directors as necessary to carry out their duties.

- **For Organ Procurement Purposes.** We may collect, use, and disclose information to entities that handle procurement, banking or transplantation of organs, eyes or tissue to facilitate donation and transplantation.
- **To Correctional Institutions or Law Enforcement Officials** if you are an inmate of a correctional institution or under the custody of a law enforcement official, but only if necessary (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) for the safety and security of the correctional institution.
- **To Business Associates** that perform functions on our behalf or provide us with services if the information is necessary for such functions or services. Our business associates are required, under contract with us and pursuant to federal law, to protect the privacy of your information and are not allowed to collect, use, and disclose any information other than as specified in our contract and as permitted by federal law.
- **Additional Restrictions on Use and Disclosure.** Certain federal and state laws may require special privacy protections that restrict the use and disclosure of certain health information, including highly confidential information about you. Such laws may protect the following types of information:
 1. Alcohol and Substance Abuse
 2. Biometric Information
 3. Child or Adult Abuse or Neglect, including Sexual Assault
 4. Communicable Diseases
 5. Genetic Information
 6. HIV/AIDS
 7. Mental Health
 8. Minors' Information
 9. Prescriptions
 10. Reproductive Health
 11. Sexually Transmitted Diseases

If a use or disclosure of health information described above in this notice is prohibited or materially limited by other laws that apply to us, it is our intent to meet the requirements of the more stringent law.

Except for uses and disclosures described and limited as set forth in this notice, we will use and disclose your health information only with a written authorization from you. This includes, except for limited circumstances allowed by federal privacy law, not using or disclosing psychotherapy notes about you, selling your health information to others, or using or disclosing your health information for certain promotional communications that are prohibited marketing communications under federal law, without your written authorization. Once you give us authorization to release your health information, we cannot guarantee that the recipient to whom the information is provided will not disclose the information. You may take back or "revoke" your written authorization at any time in writing, except if we have already acted based on your authorization. To find out where to mail

your written authorization and how to revoke an authorization, contact the phone number listed on your health plan ID card.

What Are Your Rights

The following are your rights with respect to your health information:

- You have the right to ask to restrict** uses or disclosures of your information for treatment, payment, or health care operations. You also have the right to ask to restrict disclosures to family members or to others who are involved in your health care or payment for your health care. We may also have policies on dependent access that authorize your dependents to request certain restrictions. **Please note that while we will try to honor your request and will permit requests consistent with our policies, we are not required to agree to any restriction.**
- You have the right to ask to receive confidential communications** of information in a different manner or at a different place (for example, by sending information to a P.O. Box instead of your home address). We will accommodate reasonable requests where a disclosure of all or part of your health information otherwise could endanger you. In certain circumstances, we will accept your verbal request to receive confidential communications, however; we may also require you confirm your request in writing. In addition, any requests to modify or cancel a previous confidential communication request must be made in writing. Mail your request to the address listed below.
- You have the right to see and obtain a copy** of certain health information we maintain about you such as claims and case or medical management records. If we maintain your health information electronically, you will have the right to request that we send a copy of your health information in an electronic format to you. You can also request that we provide a copy of your information to a third party that you identify. In some cases, you may receive a summary of this health information. You must make a written request to inspect and copy your health information or have your information sent to a third party. Mail your request to the address listed below. In certain limited circumstances, we may deny your request to inspect and copy your health information. If we deny your request, you may have the right to have the denial reviewed. We may charge a reasonable fee for any copies.
- You have the right to ask to amend** certain health information we maintain about you such as claims and case or medical management records, if you believe the health information about you is wrong or incomplete. Your request must be in writing and provide the reasons for the requested amendment. Mail your request to the address listed below. If we deny your request, you may have a statement of your disagreement added to your health information.
- You have the right to receive an accounting** of certain disclosures of your information made by us during the six years prior to your request. This accounting will not include disclosures of information made: (i) for treatment, payment, and health care operations purposes; (ii) to you or pursuant to your authorization; and (iii) to correctional institutions or law enforcement officials; and (iv) other disclosures for which federal law does not require us to provide an accounting.

- You have the right to a paper copy of this notice.** You may ask for a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice. If we maintain a website, we will post a copy of the revised notice on our website. You may also obtain a copy of this notice on your website, retiree.uhc.com/calpers.
- You have the right to make a written request that we correct or amend** your personal information. Depending on your state of domicile, you may have the right to request deletion of your personal information. If we are unable to honor your request, we will notify you of our decision. If we deny your request, you have the right to submit to us a written statement of the reasons for your disagreement with our assessment of the disputed information and what you consider to be the correct information. We will make your statement accessible to parties reviewing the information in dispute.

Exercising Your Rights

- Contacting your Health Plan.** If you have any questions about this notice or want information about exercising your rights, **please call the toll-free member phone number on your health plan ID card or you may contact a UnitedHealth Group Customer Call Center Representative at 1-888-867-5581 (TTY/RTT 711).**
- Submitting a Written Request.** You can mail your written requests to exercise any of your rights, including modifying or cancelling a confidential communication, requesting copies of your records, or requesting amendments to your record, to us at the following address:

UnitedHealthcare Privacy Office
PO Box 1459
Minneapolis, MN 55440
- Filing a Complaint.** If you believe your privacy rights have been violated, you may file a complaint with us at the address listed above.

You may also notify the Secretary of the U.S. Department of Health and Human Services of your complaint. We will not take any action against you for filing a complaint.

Financial Information Privacy Notice

THIS NOTICE DESCRIBES HOW FINANCIAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED. PLEASE REVIEW IT CAREFULLY.

Effective January 1, 2022

We² are committed to maintaining the confidentiality of your personal financial information. For the purposes of this notice, “personal financial information” means information about an enrollee or an applicant for health care coverage that identifies the individual, is not generally publicly available, and is collected from the individual or is obtained in connection with providing health care coverage to the individual.

Information We Collect

Depending upon the product or service you have with us, we may collect personal financial information about you from the following sources:

- Information we receive from you on applications or other forms, such as name, address, age, medical information and Social Security number;
- Information about your transactions with us, our affiliates or others, such as premium payment and claims history; and
- Information from a consumer reporting agency.

Disclosure of Information

We do not disclose personal financial information about our enrollees or former enrollees to any third party, except as required or permitted by law. For example, in the course of our general business practices, we may, as permitted by law, disclose any of the personal financial information that we collect about you, without your authorization, to the following types of institutions:

- To our corporate affiliates, which include financial service providers, such as other insurers, and non-financial companies, such as data processors;
- To nonaffiliated companies for our everyday business purposes, such as to process your transactions, maintain your account(s), or respond to court orders and legal investigations; and
- To nonaffiliated companies that perform services for us, including sending promotional communications on our behalf.

Confidentiality and Security

We maintain physical, electronic and procedural safeguards, in accordance with applicable state and federal standards, to protect your personal financial information against risks such as loss, destruction or misuse. These measures include computer safeguards, secured files and buildings, and restrictions on who may access your personal financial information.

Section 1.4 We must give you information about the plan, its network of providers, and your covered services

As a member of our plan, you have the right to get several kinds of information from us.

If you want any of the following kinds of information, please call Customer Service:

- Information about our plan.** This includes, for example, information about the plan’s financial condition.
- Information about our network providers.**
 - You have the right to get information about the qualifications of the providers in our network and how we pay the providers in our network.
- Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services. Chapters 3 and 4 provide information about Part D prescription drug coverage.
- Information about why something is not covered and what you can do about it.** Chapter 7 provides information on asking for a written explanation on why a medical service is not covered or if your coverage is restricted. Chapter 7 also provides information on asking us to change a decision, also called an appeal.

Section 1.5 You have a right to participate with practitioners in making decisions about your health care. We must support your right to make decisions about your care and a candid discussion of appropriate or medically necessary treatment options for your conditions, regardless of cost or benefit coverage.

You have the right to know your treatment options and participate in decisions about your health care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices **in a way that you can understand**.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- To know about all of your choices.** You have the right to be told about all of the treatment options that are recommended for your condition, no matter what they cost or whether they are covered by our plan.
- To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.
- The right to say “no.”** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. Of course, if you refuse treatment, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what is to be done if you are not able to make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you are in this situation. This means that, **if you want to**, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

The legal documents that you can use to give your directions in advance in these situations are called “**advance directives**.” There are different types of advance directives and different names for them. Documents called “**living will**” and “**power of attorney for health care**” are examples of advance directives.

If you want to use an “advance directive” to give your instructions, here is what to do:

- Get the form.** You can get an advance directive form from your lawyer, from a social worker, or from some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare. You can also contact Customer Service for assistance in locating an advanced directive form.
- Fill it out and sign it.** Regardless of where you get this form, keep in mind that it is a legal document. You should consider having a lawyer help you prepare it.
- Give copies to appropriate people.** You should give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

If you know ahead of time that you are going to be hospitalized, and you have signed an advance directive, **take a copy with you to the hospital.**

- The hospital will ask you whether you have signed an advance directive form and whether you have it with you.
- If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice whether you want to fill out an advance directive (including whether you want to sign one if you are in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you have signed an advance directive.

What if your instructions are not followed?

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with the appropriate state-specific agency, for example, your State Department of Health. See Chapter 2, Section 3 for contact information regarding your state-specific agency.

Section 1.6 You have a right to voice complaints or appeals about the organization or the care it provides. You have the right to make complaints and to ask us to reconsider decisions we have made

If you have any problems, concerns, or complaints and need to request coverage, or make an appeal, Chapter 7 of this document tells what you can do.

Whatever you do – ask for a coverage decision, make an appeal, or make a complaint – **we are required to treat you fairly.**

Section 1.7 What can you do if you believe you are being treated unfairly or your rights are not being respected?

If it is about discrimination, call the Office for Civil Rights

If you believe you have been treated unfairly or your rights have not been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, sexual orientation, or national origin, you should call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 or TTY 1-800-537-7697, or call your local Office for Civil Rights.

Is it about something else?

If you believe you have been treated unfairly or your rights have not been respected, **and it's not** about discrimination, you can get help dealing with the problem you are having:

- You can **call Customer Service.**
- You can **call the SHIP.** For details, go to Chapter 2, Section 3.
- Or, **you can call Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

Section 1.8 You have a right to make recommendations regarding the organization’s member rights and responsibilities policy. How to get more information about your rights

There are several places where you can get more information about your rights:

- You can **call Customer Service**.
- For information on the quality program for your specific health plan, call Customer Service. You may also access this information via the website (<https://www.uhcmedicare resolutions.com/resources/ma-pdp-information-forms.html>). Select, “Commitment to Quality.”
- You can **call the SHIP**. For details, go to Chapter 2, Section 3.
- You can contact **Medicare**.
 - You can visit the Medicare website to read or download the publication “Medicare Rights & Protections.” (The publication is available at: www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf)
 - Or, you can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

Section 2 You have some responsibilities as a member of the plan

Things you need to do as a member of the plan are listed below. If you have any questions, please call Customer Service.

- Get familiar with your covered services and the rules you must follow to get these covered services.** Use this **Evidence of Coverage** to learn what is covered for you and the rules you need to follow to get your covered services.
 - Chapters 3 and 4 give the details about your medical services.
- If you have any other health insurance coverage in addition to our plan, or separate prescription drug coverage, you are required to tell us.** Chapter 1 tells you about coordinating these benefits.
- Tell your doctor and other health care providers that you are enrolled in our plan.** Show your UnitedHealthcare member ID card whenever you get your medical care.
- Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
 - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions that you and your doctors agree upon.
 - Make sure your doctors know all of the drugs you are taking, including over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask and get an answer you can understand.
- Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor’s office, hospitals, and other offices.

- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - You must continue to pay your Medicare Part B premium to remain a member of the plan.
 - For some of your medical services covered by the plan, you must pay your share of the cost when you get the service.
 - **If you move outside of our plan service area, you cannot remain a member of our plan.**
 - **If you move within our service area, we need to know** so we can keep your membership record up to date and know how to contact you.
 - If you move, it is also important to tell Social Security (or the Railroad Retirement Board).

Chapter 7

What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Section 1 Introduction

Section 1.1 What to do if you have a problem or concern

This chapter explains two types of processes for handling problems and concerns:

- For some problems, you need to use the **process for coverage decisions and appeals**.
- For other problems, you need to use the **process for making complaints**; also called grievances.

Both of these processes have been approved by Medicare. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

The guide in Section 3 will help you identify the right process to use and what you should do.

Note: If you are not satisfied with the resolution or response to your grievance or appeal, CalPERS members and their dependents have the right to file for a CalPERS Administrative Review. Prior to being eligible for the CalPERS Administrative Review, members must exhaust all available grievance and appeal options offered by the health plan and Medicare. For more information, see Section 10, CalPERS Administrative Review.

Section 1.2 What about the legal terms?

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people and can be hard to understand. To make things easier, this chapter:

- Uses simpler words in place of certain legal terms. For example, this chapter generally says “making a complaint” rather than “filing a grievance,” “coverage decision” rather than “organization determination” and “independent review organization” instead of “Independent Review Entity.”
- It also uses abbreviations as little as possible.

However, it can be helpful – and sometimes quite important – for you to know the correct legal terms. Knowing which terms to use will help you communicate more accurately to get the right help or information for your situation. To help you know which terms to use, we include legal terms when we give the details for handling specific types of situations.

Section 2 Where to get more information and personalized assistance

We are always available to help you. Even if you have a complaint about our treatment of you, we are obligated to honor your right to complain. Therefore, you should always reach out to customer service for help. But in some situations, you may also want help or guidance from someone who is not connected with us. Below are two entities that can assist you.

State Health Insurance Assistance Program (SHIP)

Each state has a government program with trained counselors. The program is not connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you are having. They can also answer your questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free. You will find phone numbers in Chapter 2, Section 3 of this document.

Medicare

You can also contact Medicare to get help. To contact Medicare:

- You can call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- You can also visit the Medicare website (www.medicare.gov).

Section 3 To deal with your problem, which process should you use?

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The guide that follows will help.

Is your problem or concern about your benefits or coverage?

This includes problems about whether medical care is covered or not, the way they are covered, and problems related to payment for medical care.

Yes.

Go on to the next section of this chapter, **Section 4, “A guide to the basics of coverage decisions and appeals.”**

No.

Skip ahead to **Section 9** at the end of this chapter: **“How to make a complaint about quality of care, waiting times, customer service or other concerns.”**

Coverage decisions and appeals

Section 4 A guide to the basics of coverage decisions and appeals

Section 4.1 Asking for coverage decisions and making appeals: the big picture

Coverage decisions and appeals deal with problems related to your benefits and coverage for medical services, including payment. This is the process you use for issues such as whether something is covered or not and the way in which something is covered.

Asking for coverage decisions prior to receiving services

A coverage decision is a decision we make about your benefits and coverage or about the amount we will pay for your medical services. For example, your plan network doctor makes a (favorable) coverage decision for you whenever you receive medical care from him or her or if your network doctor refers you to a medical specialist. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we will cover a particular medical service or refuses to provide medical care you think that you need. In other words, if you want to know if we will cover a medical service before you receive it, you can ask us to make a coverage decision for you. In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

We are making a coverage decision for you whenever we decide what is covered for you and how much we pay. In some cases, we might decide a service is not covered or is no longer covered by Medicare for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision, whether before or after a service is received and you are not satisfied, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

Under certain circumstances, which we discuss later, you can request an expedited or "fast appeal" of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision. When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we were properly following the rules.

When we have completed the review, we give you our decision. In limited circumstances a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we will send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

If we do not dismiss your case but say no to all or part of your Level 1 appeal, you can go on to a Level 2 appeal. The Level 2 appeal is conducted by an independent review organization that is not connected to us. (Appeals for medical services and Part B drugs will be automatically sent to the independent review organization for a Level 2 appeal – you do not need to do anything. If you are not satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (Section 9 in this chapter explains the Level 3, 4, and 5 appeals processes).

Section 4.2 How to get help when you are asking for a coverage decision or making an appeal

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- You can call us at Customer Service.**
- You can get free help from your State Health Insurance Assistance Program.
- Your doctor can make a request for you.** If your doctor helps with an appeal past Level 2, they will need to be appointed as your representative. Please call Customer Service and ask for the “Appointment of Representative” form. (The form is also available on Medicare’s website at www.cms.gov/Medicare/CMS-Forms/CMSForms/downloads/cms1696.pdf.)
 - For medical care or Part B prescription drugs, your doctor can request a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it will be automatically forwarded to Level 2.
- You can ask someone to act on your behalf.** If you want to, you can name another person to act for you as your “representative” to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or another person to be your representative, call Customer Service and ask for the “Appointment of Representative” form. (The form is also available on Medicare’s website at www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.) The form gives that person permission to act on your behalf. It must be signed by you and by the person who you would like to act on your behalf. You must give us a copy of the signed form.
 - While we can accept an appeal request without the form, we cannot begin or complete our review until we receive it. If we do not receive the form within 44 calendar days after receiving your appeal request (our deadline for making a decision on your appeal), your appeal request will be dismissed. If this happens, we will send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.
- You also have the right to hire a lawyer.** You may contact your own lawyer, or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you are not required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

Section 4.3 Which section of this chapter gives the details for your situation?

There are three different situations that involve coverage decisions and appeals. Since each situation has different rules and deadlines, we give the details for each one in a separate section:

- Section 5** of this chapter: “Your medical care: How to ask for a coverage decision or make an appeal”
- Section 6** of this chapter: “How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon”

- **Section 7** of this chapter: “How to ask us to keep covering certain medical services if you think your coverage is ending too soon” (**Applies only to these services:** home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services)

If you’re not sure which section you should be using, please call Customer Service. You can also get help or information from government organizations such as your State Health Insurance Assistance Program.

Section 5 Your medical care: How to ask for a coverage decision or make an appeal of a coverage decision

Section 5.1 This section tells what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care

This section is about your benefits for medical care and services. These benefits are described in Chapter 4 of this document: **Medical Benefits Chart (what is covered and what you pay)**. To keep things simple, we generally refer to “medical care coverage” or “medical care” which includes medical items and services as well as Medicare Part B prescription drugs. In some cases, different rules apply to a request for a Part B prescription drug. In those cases, we will explain how the rules for Part B prescription drugs are different from the rules for medical items and services.

This section tells what you can do if you are in any of the five following situations:

1. You are not getting certain medical care you want, and you believe that this care is covered by our plan. **Ask for a coverage decision. Section 5.2.**
2. Our plan will not approve the medical care your doctor or other medical provider wants to give you, and you believe that this care is covered by the plan. **Ask for a coverage decision. Section 5.2.**
3. You have received medical care that you believe should be covered by the plan, but we have said we will not pay for this care. **Make an appeal. Section 5.3.**
4. You have received and paid for medical care that you believe should be covered by the plan, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 5.5.**
5. You are being told that coverage for certain medical care you have been getting that we previously approved will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section 5.3.**

Note: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read Sections 6 and 7 of this Chapter. Special rules apply to these types of care.

Section 5.2 Step-by-step: How to ask for a coverage decision

Legal Terms: When a coverage decision involves your medical care, it is called an **“organization determination.”**

A “fast coverage decision” is called an **“expedited determination.”**

Step 1: Decide if you need a “standard coverage decision” or a “fast coverage decision”.

A “standard coverage decision” is usually made within 14 days or 72 hours for Part B drugs. A “fast coverage decision” is generally made within 72 hours, for medical services, or 24 hours for Part B drugs. In order to get a fast coverage decision, you must meet two requirements:

- You may **only ask** for coverage for medical care you have not yet received.
- You can get a fast coverage decision **only** if using the standard deadlines **could cause serious harm to your health or hurt your ability to function.**
- If your doctor tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision.**
- If you ask for a fast coverage decision on your own, without your doctor’s support, we will decide whether your health requires that we give you a fast coverage decision.** If we do not approve a fast coverage decision, we will send you a letter that:
 - Explains that we will use the standard deadlines.
 - Explains if your doctor asks for the fast coverage decision, we will automatically give you a fast coverage decision.
 - Explains that you can file a “fast complaint” about our decision to give you a standard coverage decision instead of the fast coverage decision you requested.

Step 2: Ask our plan to make a coverage decision or fast coverage decision.

Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

Step 3: We consider your request for medical care coverage and give you our answer.

For standard coverage decisions we use the standard deadlines.

This means we will give you an answer within 14 calendar days after we receive your request for a medical item or service. If your request is for a **Medicare Part B prescription drug**, we will give you an answer **within 72 hours** after we receive your request.

- However**, if you ask for more time, or if we need more information that may benefit you **we can take up to 14 more days** if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a "fast complaint". We will give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. See Section 9 of this chapter for information on complaints.)

For Fast Coverage decisions we use an expedited timeframe

A fast coverage decision means we will answer within 72 hours if your request is for a medical item or service. If your request is for a Medicare Part B prescription drug, we will answer within 24 hours.

- However**, if you ask for more time, or if we need more information that may benefit you **we can take up to 14 more days**. If we take extra days, we will tell you in writing. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should **not** take extra days, you can file a "fast complaint." (See Section 9 of this chapter for information on complaints.) We will call you as soon as we make the decision.
- If our answer is no to part or all of what you requested**, we will send you a written statement that explains why we said no.

Step 4: If we say no to your request for coverage for medical care, you can appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you are going on to Level 1 of the appeals process.

Section 5.3 Step-by-step: How to make a Level 1 appeal

Legal Terms: An appeal to the plan about a medical care coverage decision is called a plan "**reconsideration.**"

A “fast appeal” is also called an “**expedited reconsideration.**”

Step 1: Decide if you need a “standard appeal” or a “fast appeal.”

A “standard appeal” is usually made within 30 days. A “fast appeal” is generally made within 72 hours.

- If you are appealing a decision we made about coverage for care that you have not yet received, you and/or your doctor will need to decide if you need a “fast appeal.” If your doctor tells us that your health requires a “fast appeal,” we will give you a fast appeal.
- The requirements for getting a “fast appeal” are the same as those for getting a “fast coverage decision” in Section 5.2 of this chapter.

Step 2: Ask our plan for an Appeal or a Fast Appeal

- If you are asking for a standard appeal, submit your standard appeal in writing.** Chapter 2 has contact information.
- If you are asking for a fast appeal, make your appeal in writing or call us.** Chapter 2 has contact information.
- You must make your appeal request within 60 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for requesting an appeal.
- You can ask for a copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal.**

Step 3: We consider your appeal and we give you our answer.

- When our plan is reviewing your appeal, we take a careful look at all of the information. We check to see if we were following all the rules when we said no to your request.
- We will gather more information if needed, possibly contacting you or your doctor.

Deadlines for a “fast appeal”

- For fast appeals, we must give you our answer **within 72 hours after we receive your appeal**. We will give you our answer sooner if your health requires us to.
 - However, if you ask for more time, or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can’t take extra time if your request is for a Medicare Part B prescription drug.
 - If we do not give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we are required to automatically send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 5.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage we have agreed to provide within 72 hours after we receive your appeal.
- **If our answer is no to part or all of what you requested**, we will send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it receives your appeal.

Deadlines for a “standard appeal”

- For standard appeals, we must give you our answer **within 30 calendar days** after we receive your appeal. If your request is for a Medicare Part B prescription drug you have not yet received, we will give you our answer **within 7 calendar days** after we receive your appeal. We will give you our decision sooner if your **health** condition requires us to.
 - However, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we will tell you in writing. We can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.
 - If you believe we should **not** take extra days, you can file a “fast complaint”. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. (See Section 9 of this chapter for information on complaints.)
 - If we do not give you an answer by the deadline (or by the end of the extended time period), we will send your request to a Level 2 appeal, where an independent review organization will review the appeal. Section 5.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you requested**, we must authorize or provide the coverage within 30 calendar days if your request is for a medical item or service, or **within 7 calendar days** if your request is for a Medicare Part B prescription drug.
- If our plan says no to part or all of your appeal, we will automatically send your appeal to the independent review organization for a Level 2 appeal.

Legal Term: The formal name for the “independent review organization” is the
“**Independent Review Entity.**” It is sometimes called the “**IRE.**”

The **independent review organization is an independent organization hired by Medicare.** It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: The independent review organization reviews your appeal.

- We will send the information about your appeal to this organization. This information is called your “case file.” **You have the right to ask us for a copy of your case file.**
- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.

If you had a “fast” appeal at Level 1, you will also have a “fast” appeal at Level 2

- For the “fast appeal” the review organization must give you an answer to your Level 2 appeal within 72 hours of when it receives your appeal.
- However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days.** The independent review organization can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

If you had a “standard” appeal at Level 1, you will also have a “standard” appeal at Level 2

- For a “standard appeal” if your request is for a medical item or service, the review organization must give you an answer to your Level 2 Appeal **within 30 calendar days** of when it receives your appeal. If your request is for a Medicare Part B prescription drug, the review organization must give you an answer to your Level 2 appeal within 7 calendar days of when it receives your appeal.
- However, if your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days.** The independent review organization can’t take extra time to make a decision if your request is for a Medicare Part B prescription drug.

Step 2: The independent review organization gives you their answer.

The independent review organization will tell you its decision in writing and explain the reasons for it.

- If the review organization says yes to part or all of a request for a medical item or service**, we must authorize the medical care coverage within 72 hours or provide the service within 14 calendar days after we receive the decision from the review organization for standard requests. For expedited requests, we have 72 hours from the date we receive the decision from the review organization.
- If the review organization says yes to part or all of a request for a Medicare Part B prescription drug**, we must authorize or provide the Part B prescription drug within **72 hours** after we receive the decision from the review organization for **standard requests**. For **expedited requests** we have **24 hours** from the date we receive the decision from the review organization.
- If this organization says no to part or all of your appeal**, it means they agree with us that your request (or part of your request) for coverage for medical care should not be approved. (This is called “upholding the decision” or “turning down your appeal.”) In this case, the independent review organization will send you a letter:
 - Explaining its decision.
 - Notifying you of the right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
 - Telling you how to file a Level 3 appeal.

Step 3: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If you want to go to a Level 3 appeal the details on how to do this are in the written notice you get after your Level 2 appeal.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter explains the Level 3, 4, and 5 appeals processes.

Section 5.5 What if you are asking us to pay you for our share of a bill you have received for medical care?

Chapter 5 describes when you may need to ask for reimbursement or to pay a bill you have received from a provider. It also tells how to send us the paperwork that asks us for payment.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork asking for reimbursement, you are asking for a coverage decision. To make this decision, we will check to see if the medical care you paid for is a covered service. We will also check to see if you followed all the rules for using your coverage for medical care.

- If we say yes to your request:** If the medical care is covered and you followed all the rules, we will send you the payment for our share of the cost within 60 calendar days after we receive your request. If you haven't paid for the services, we will send the payment directly to the provider.
- If we say no to your request:** If the medical care is **not** covered, or you did **not** follow all the rules, we will not send payment. Instead, we will send you a letter that says we will not pay for the services and the reasons why.

If you do not agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you are asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals that we describe in Section 5.3. For appeals concerning reimbursement, please note:

- We must give you our answer within 60 calendar days after we receive your appeal. If you are asking us to pay you back for medical care you have already received and paid for, you are not allowed to ask for a fast appeal.
- If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you requested to you or to the provider within 60 calendar days.

Section 6 How to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon

When you are admitted to a hospital, you have the right to get all of your covered hospital services that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will be working with you to prepare for the day when you will leave the hospital. They will help arrange for care you may need after you leave.

- The day you leave the hospital is called your “**discharge date.**”
- When your discharge date is decided, your doctor or the hospital staff will tell you.
- If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered.

Section 6.1 During your inpatient hospital stay, you will get a written notice from Medicare that tells about your rights

Within two days of being admitted to the hospital, you will be given a written notice called **An Important Message from Medicare about Your Rights**. Everyone with Medicare gets a copy of this notice. If you do not get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, please call Customer Service or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week (TTY 1-877-486-2048).

1. Read this notice carefully and ask questions if you don't understand it. It tells you:

- Your right to receive Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
- Your right to be involved in any decisions about your hospital stay.
- Where to report any concerns you have about the quality of your hospital care.
- Your right to **request an immediate review** of the decision to discharge you if you think you are being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date so that we will cover your hospital care for a longer time.

2. You will be asked to sign the written notice to show that you received it and understand your rights.

- You or someone who is acting on your behalf will be asked to sign the notice.
- Signing the notice shows **only** that you have received the information about your rights. The notice does not give your discharge date. Signing the notice **does not mean** you are agreeing on a discharge date.

3. Keep your copy of the notice handy so you will have the information about making an appeal (or reporting a concern about quality of care) if you need it.

- If you sign the notice more than two days before your discharge date, you will get another copy before you are scheduled to be discharged.
- To look at a copy of this notice in advance, you can call Customer Service or 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You can also see the notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html.

Section 6.2 Step-by-step: How to make a Level 1 appeal to change your hospital discharge date

If you want to ask for your inpatient hospital services to be covered by us for a longer time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are:

- Follow the process.**
- Meet the deadlines.**
- Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service. Or, call your State Health Insurance Assistance Program, a government organization that provides personalized assistance.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you.

The Quality Improvement Organization is a group of doctors and other health care professionals paid by the Federal government to check on and help improve the quality of care for people with

Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts are not part of our plan.

Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.

How can you contact this organization?

- The written notice you received (**An Important Message from Medicare About Your Rights**) tells you how to reach this organization. Or, find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization **before** you leave the hospital and **no later than midnight the day of your discharge**.
 - If you meet this deadline, you may stay in the hospital **after** your discharge date **without paying for it** while you wait to get the decision from the Quality Improvement Organization.
 - If you do **not** meet this deadline, and you decide to stay in the hospital after your planned discharge date, **you may have to pay all of the costs** for hospital care you receive after your planned discharge date.
- If you miss the deadline for contacting the Quality Improvement Organization, and you still wish to appeal, you must make an appeal directly to our plan instead. For details about this other way to make your appeal, see Section 6.4.

Once you request an immediate review of your hospital discharge the Quality Improvement Organization will contact us. By noon of the day after we are contacted, we will give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

You can get a sample of the **Detailed Notice of Discharge** by calling Customer Service or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) Or you can see a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

- Health professionals at the Quality Improvement Organization (we will call them “the reviewers”) will ask you (or your representative) why you believe coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.
- The reviewers will also look at your medical information, talk with your doctor, and review information that the hospital and we have given to them.

- By noon of the day after the reviewers told us of your appeal, you will get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

 **Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.**

What happens if the answer is yes?

- If the review organization says **yes, we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services.

What happens if the answer is no?

- If the review organization says **no**, they are saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day **after** the Quality Improvement Organization gives you its answer to your appeal.
- If the review organization says **no** to your appeal and you decide to stay in the hospital, then **you may have to pay the full cost** of hospital care you receive after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

 **Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.**

- If the Quality Improvement Organization has said **no** to your appeal, **and** you stay in the hospital after your planned discharge date, then you can make another appeal. Making another appeal means you are going on to Level 2 of the appeals process.

Section 6.3 **Step-by-step: How to make a Level 2 appeal to change your hospital discharge date**

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at their decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

 **Step 1: Contact the Quality Improvement Organization again and ask for another review.**

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said **no** to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date that your coverage for the care ended.

 **Step 2: The Quality Improvement Organization does a second review of your situation.**

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

 **Step 3: Within 14 calendar days of receipt of your request for a Level 2 appeal, the reviewers will decide on your appeal and tell you their decision.**

If the review organization says yes:

- We must reimburse you** for our share of the costs of hospital care you have received since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

If the review organization says no:

- It means they agree with the decision they made on your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process.

 **Step 4: If the answer is no, you will need to decide whether you want to take your appeal further by going on to Level 3.**

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 6.4 What if you miss the deadline for making your Level 1 appeal?

Legal Term	A “fast review” (or “fast appeal”) is also called an “ expedited appeal. ”
-------------------	---

You can appeal to us instead

As explained above, you must act quickly to start your Level 1 appeal of your hospital discharge date. If you miss the deadline for contacting the Quality Improvement Organization, there is another way to make your appeal.

If you use this other way of making your appeal, **the first two levels of appeal are different.**

Step-by-Step: How to make a Level 1 Alternate Appeal

Step 1: Contact our plan and ask for a “fast review.”

- Ask for a “fast review.”** This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines. Chapter 2 has contact information.

Step 2: We do a “fast” review of your planned discharge date, checking to see if it was medically appropriate.

- During this review, we take a look at all of the information about your hospital stay. We check to see if your planned discharge date was medically appropriate. We see if the decision about when you should leave the hospital was fair and followed all the rules.

Step 3: We give you our decision within 72 hours after you ask for a “fast review”.

- If we say yes to your appeal,** it means we have agreed with you that you still need to be in the hospital after the discharge date. We will keep providing your covered inpatient hospital services for as long as they are medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)
- If we say no to your appeal,** we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends as of the day we said coverage would end.
 - If you stayed in the hospital **after** your planned discharge date, then **you may have to pay the full cost** of hospital care you received after the planned discharge date.

Step 4: If our plan says no to your appeal, your case will automatically be sent on to the next level of the appeals process.

Step-by-Step: Level 2 Alternate Appeal Process

Legal Term

The formal name for the “Independent Review Organization” is the “**Independent Review Entity**.” It is sometimes called the “**IRE**.”

The independent review organization is an independent organization hired by Medicare. It is not connected with our plan and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: We will automatically forward your case to the independent review organization.

- We are required to send the information for your Level 2 appeal to the independent review organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section 9 of this chapter tells how to make a complaint.)

Step 2: The independent review organization does a “fast review” of your appeal. The reviewers give you an answer within 72 hours.

- Reviewers at the Independent review organization will take a careful look at all of the information related to your appeal of your hospital discharge.
- If this organization says yes to your appeal**, then we must pay you back for our share of the costs of hospital care you received since the date of your planned discharge. We must also continue the plan’s coverage of your inpatient hospital services for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover your services.
- If this organization says no to your appeal**, it means they agree that your planned hospital discharge date was medically appropriate.
 - The written notice you get from the independent review organization will tell how to start a Level 3 appeal with the review process, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 3: If the independent review organization turns down your appeal, you choose whether you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2 (for a total of five levels of appeal). If reviewers say no to your Level 2 appeal, you decide whether to accept their decision or go on to Level 3 appeal.
- Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 7 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

Section 7.1 This section is only about three services: Home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services

When you are getting **home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility)**, you have the right to keep getting your covered services for that type of care for as long as the care is needed to diagnose and treat your illness or injury.

When we decide it is time to stop covering any of the three types of care for you, we are required to tell you in advance. When your coverage for that care ends, **we will stop paying our share of the cost for your care.**

If you think we are ending the coverage of your care too soon, **you can appeal our decision.** This section tells you how to ask for an appeal.

Section 7.2 We will tell you in advance when your coverage will be ending

Legal Term	“Notice of Medicare Non-Coverage.” It tells you how you can request a “fast-track appeal.” Requesting a fast-track appeal is a formal, legal way to request a change to our coverage decision about when to stop your care.
-------------------	---

1. You receive a notice in writing at least two days before our plan is going to stop covering your care. The notice tells you:

- The date when we will stop covering the care for you.
- How to request a “fast track appeal” to request us to keep covering your care for a longer period of time.

2. You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you received it. Signing the notice shows **only** that you have received the information about when your coverage will stop. **Signing it does not mean you agree** with the plan's decision to stop care.

Section 7.3 Step-by-step: How to make a Level 1 appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you will need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- Follow the process.**
- Meet the deadlines.**
- Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service. Or call your State Health Insurance Assistance Program, a government organization that provides personalized assistance.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It decides if the end date for your care is medically appropriate.

The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the Federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts are not part of our plan.

Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a fast-track appeal. You must act quickly.

How can you contact this organization?

- The written notice you received (Notice of Medicare Non-Coverage) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- You must contact the Quality Improvement Organization to start your appeal by noon of the day before the effective date on the Notice of Medicare Non-Coverage.

Your deadline for contacting this organization.

- If you miss the deadline for contacting the Quality Improvement Organization, and you still wish to file an appeal, you must make an appeal directly to us instead. For details about this other way to make your appeal, see Section 7.5.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

Legal Term

“Detailed Explanation of Non-Coverage.” Notice that provides details on reasons for ending coverage.

What happens during this review?

- Health professionals at the Quality Improvement Organization (“the reviewers”) will ask you, or your representative, why you believe coverage for the services should continue. You don’t have to prepare anything in writing, but you may do so if you wish.
- The review organization will also look at your medical information, talk with your doctor, and review the information that our plan has given to them.
- By the end of the day the reviewers tell us of your appeal, you will get the **Detailed Explanation of Non-Coverage** from us that explains in detail our reasons for ending our coverage for your services.

Step 3: Within one full day after they have all the information they need, the reviewers will tell you their decision.

What happens if the reviewers say yes?

- If the reviewers say **yes** to your appeal, then **we must keep providing your covered services for as long as it is medically necessary.**
- You will have to keep paying your share of the costs (such as deductibles or copayments, if these apply). There may be limitations on your covered services.

What happens if the reviewers say no?

- If the reviewers say **no**, then **your coverage will end on the date we have told you.**
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services **after** this date when your coverage ends, then **you will have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If reviewers say **no** to your Level 1 appeal – **and** you choose to continue getting care after your coverage for the care has ended – then you can make a Level 2 appeal.

Section 7.4 **Step-by-step: How to make a Level 2 appeal to have our plan cover your care for a longer time**

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services **after** the date when we said your coverage would end.

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 days** after the day when the Quality Improvement Organization said **no** to your Level 1 appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.

Step 3: Within 14 days of receipt of your appeal request, reviewers will decide on your appeal and tell you their decision.

What happens if the review organization says yes?

- We must reimburse you** for our share of the costs of care you have received since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it is medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the review organization says no?

- It means they agree with the decision made to your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Step 4: If the answer is no, you will need to decide whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 7.5 What if you miss the deadline for making your Level 1 appeal?

You can appeal to us instead

As explained above, you must act quickly to contact the Quality Improvement Organization to start your first appeal (within a day or two, at the most). If you miss the deadline for contacting this organization, there is another way to make your appeal. If you use this other way of making your appeal, **the first two levels of appeal are different.**

Step-by-Step: How to make a Level 1 Alternate Appeal

Legal Term	A “fast” review (or “fast appeal”) is also called an “ expedited appeal. ”
-------------------	---

Step 1: Contact us and ask for a “fast review.”

- Ask for a “fast review.”** This means you are asking us to give you an answer using the “fast” deadlines rather than the “standard” deadlines. Chapter 2 has contact information.

Step 2: We do a “fast” review of the decision we made about when to end coverage for your services.

- During this review, we take another look at all of the information about your case. We check to see if we were following all the rules when we set the date for ending the plan’s coverage for services you were receiving.

Step 3: We give you our decision within 72 hours after you ask for a “fast review”.

- If we say yes to your appeal**, it means we have agreed with you that you need services longer, and will keep providing your covered services for as long as it is medically necessary. It also means that we have agreed to reimburse you for our share of the costs of care you have received since the date when we said your coverage would end. (You must pay your share of the costs and there may be coverage limitations that apply.)
- If we say no to your appeal**, then your coverage will end on the date we told you and we will not pay any share of the costs after this date.
- If you continued to get home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services **after** the date when we said your coverage would end, then **you will have to pay the full cost** of this care.

 **Step 4: If we say no to your fast appeal, your case will automatically go on to the next level of the appeals process.**

Legal Term

The formal name for the “independent review organization” is the “**Independent Review Entity**.” It is sometimes called the “**IRE**.”

Step-by-Step: Level 2 Alternate Appeal Process

During the Level 2 appeal, the **independent review organization** reviews the decision we made to your “fast appeal.” This organization decides whether the decision should be changed. **The independent review organization is an independent organization that is hired by Medicare.** This organization is not connected with our plan and it is not a government agency. This organization is a company chosen by Medicare to handle the job of being the independent review organization. Medicare oversees its work.

 **Step 1: We automatically forward your case to the independent review organization.**

- We are required to send the information for your Level 2 appeal to the independent review organization within 24 hours of when we tell you that we are saying no to your first appeal. (If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section 9 of this chapter tells how to make a complaint.)

 **Step 2: The independent review organization does a “fast review” of your appeal. The reviewers give you an answer within 72 hours.**

- Reviewers at the independent review organization will take a careful look at all of the information related to your appeal.
- If this organization says yes to your appeal**, then we must pay you back for our share of the costs of care you have received since the date when we said your coverage would end. We must also continue to cover the care for as long as it is medically necessary. You must continue to pay your share of the costs. If there are coverage limitations, these could limit how much we would reimburse or how long we would continue to cover services.
- If this organization says no to your appeal**, it means they agree with the decision our plan made to your first appeal and will not change it.
 - The notice you get from the independent review organization will tell you in writing what you can do if you wish to go on to a Level 3 appeal.

Step 3: If the independent review organization says no to your appeal, you choose whether you want to take your appeal further.

- There are three additional levels of appeal after Level 2, for a total of five levels of appeal. If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- A Level 3 appeal is reviewed by an Administrative Law Judge or attorney adjudicator. Section 8 in this chapter tells more about Levels 3, 4, and 5 of the appeals process.

Section 8 Taking your appeal to Level 3 and beyond

Section 8.1 Appeal Levels 3, 4, and 5 for Medical Service Requests

This section may be appropriate for you if you have made a Level 1 appeal and a Level 2 appeal, and both of your appeals have been turned down.

If the dollar value of the item or medical service you have appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you cannot appeal any further. The written response you receive to your Level 2 appeal will explain how to make a Level 3 appeal.

For most situations that involve appeals, the last three levels of appeal work in much the same way. Here is who handles the review of your appeal at each of these levels.

Level 3 appeal: An Administrative Law Judge or an attorney adjudicator who works for the Federal government will review your appeal and give you an answer.

- If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process may or may not be over.** Unlike a decision at a Level 2 appeal, we have the

right to appeal a Level 3 decision that is favorable to you. If we decide to appeal, it will go to a Level 4 appeal.

- If we decide **not** to appeal, we must authorize or provide you with the service within 60 calendar days after receiving the Administrative Law Judge's or attorney adjudicator's decision.
 - If we decide to appeal the decision, we will send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the service in dispute.
- If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process may or may not be over.**
- If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal: The Medicare **Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the Federal government.

- If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process may or may not be over.** Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We will decide whether to appeal this decision to Level 5.
- If we decide **not** to appeal the decision, we must authorize or provide you with the service within 60 calendar days after receiving the Council's decision.
 - If we decide to appeal the decision, we will let you know in writing.
- If the answer is no or if the Council denies the review request, the appeals process may or may not be over.**
- If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you do not want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go on to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal: A judge at the **Federal District Court** will review your appeal.

- A judge will review all of the information and decide yes or no to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Making complaints

Section 9 How to make a complaint about quality of care, waiting times, customer service, or other concerns

Section 9.1 What kinds of problems are handled by the complaint process?

The complaint process is only used for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaint	Example
Quality of your medical care	<input type="checkbox"/> Are you unhappy with the quality of the care you have received (including care in the hospital)?
Respecting your privacy	<input type="checkbox"/> Did someone not respect your right to privacy or share confidential information?
Disrespect, poor customer service, or other negative behaviors	<input type="checkbox"/> Has someone been rude or disrespectful to you? <input type="checkbox"/> Are you unhappy with our Customer Service? <input type="checkbox"/> Do you feel you are being encouraged to leave the plan?
Waiting times	<input type="checkbox"/> Are you having trouble getting an appointment, or waiting too long to get it? <input type="checkbox"/> Have you been kept waiting too long by doctors or other health professionals? Or by Customer Service or other staff at our plan? ◦ Examples include waiting too long on the phone, in the waiting or exam room.
Cleanliness	<input type="checkbox"/> Are you unhappy with the cleanliness or condition of a clinic, hospital, or doctor's office?
Information you get from us	<input type="checkbox"/> Did we fail to give you a required notice? <input type="checkbox"/> Is our written information hard to understand?

Complaint	Example
Timeliness (These types of complaints are all related to the timeliness of our actions related to coverage decisions and appeals)	<p>If you have asked us for a coverage decision or made an appeal, and you think that we are not responding quickly enough, you can also make a complaint about our slowness. Here are examples:</p> <ul style="list-style-type: none"><input type="checkbox"/> You asked us for a “fast coverage decision” or a “fast appeal,” and we have said no; you can make a complaint.<input type="checkbox"/> You believe we are not meeting the deadlines for coverage decisions or appeals; you can make a complaint.<input type="checkbox"/> You believe we are not meeting deadlines for covering or reimbursing you for certain medical services that were approved, you can make a complaint.<input type="checkbox"/> You believe we failed to meet required deadlines for forwarding your case to the independent review organization; you can make a complaint.

Section 9.2 How to make a complaint

Legal Terms

- A “**complaint**” is also called a “**grievance.**”
- “**Making a complaint**” is also called “**filing a grievance.**”
- “**Using the process for complaints**” is also called “**using the process for filing a grievance.**”
- A “**fast complaint**” is also called an “**expedited grievance.**”

Section 9.3 Step-by-step: Making a complaint

Step 1: Contact us promptly – either by phone or in writing.

- Usually, calling Customer Service is the first step.** If there is anything else you need to do, Customer Service will let you know.
- If you do not wish to call (or you called and were not satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we will respond to your complaint in writing.

- We must receive your complaint within 60 calendar days of the event or incident you are complaining about. If something kept you from filing your complaint (you were sick, we provided incorrect information, etc.) let us know and we might be able to accept your complaint past 60 days. We will address your complaint as quickly as possible as but no later than 30 days after receiving it. Sometimes we need additional information, or you may wish to provide additional information. If that occurs, we may take an additional 14 days to respond to your complaint. If the additional 14 days is taken, you will receive a letter letting you know.

If your complaint is because we took 14 extra days to respond to your request for a coverage determination or appeal or because we decided you didn't need a fast coverage decision or a fast appeal, you can file a fast complaint. We will respond to you within 24 hours of receiving your complaint. The address and fax numbers for filing complaints are located in Chapter 2 under "How to contact us when you are making a complaint about your medical care."

- The **deadline** for making a complaint is 60 calendar days from the time you had the problem you want to complain about.

Step 2: We look into your complaint and give you our answer.

- If possible, we will answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.
- Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we will tell you in writing.
- If you are making a complaint because we denied your request for a "fast coverage decision" or a "fast appeal," we will automatically give you a "fast complaint".** If you have a "fast complaint," it means we will give you **an answer within 24 hours**.
- If we do not agree** with some or all of your complaint or don't take responsibility for the problem you are complaining about, we will include our reasons in our response to you.

Section 9.4 You can also make complaints about quality of care to the Quality Improvement Organization

When your complaint is about **quality of care**, you also have two extra options:

- You can make your complaint directly to the Quality Improvement Organization.**
- The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients. Chapter 2 has contact information.

Or

- You can make your complaint to both the Quality Improvement Organization and us at the same time.**

Section 9.5 You can also tell Medicare about your complaint

You can submit a complaint about UnitedHealthcare Group Medicare Advantage Edge (PPO) directly to Medicare. To submit a complaint to Medicare, go to www.medicare.gov/MedicareComplaintForm/home.aspx. You may also call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users can call 1-877-486-2048.

Section 10 CalPERS Appeal Procedure Following Disposition of Medicare's Grievance Process

Medicare's Grievance Process

If you are not satisfied with the resolution or response to your grievance or appeal, CalPERS members and their dependents have the right to file for a CalPERS Administrative Review. Prior to being eligible for the CalPERS Administrative Review, members must exhaust all available grievance and appeal options offered by the health plan and Medicare.

For benefits offered by CalPERS that are not subject to Medicare, i.e. Combined Chiropractic and Acupuncture Services, members must exhaust the Plan's grievance/appeal process before being eligible for a CalPERS Administrative Review.

CalPERS Administrative Review process

If you remain dissatisfied with the health plan's or Medicare's determination, you may request an Administrative Review. The request for an Administrative Review must be submitted in writing to CalPERS within thirty (30) days from the date of our grievance denial letter. Upon satisfactory showing of good cause, CalPERS may grant additional time to file a request for an Administrative Review, not to exceed thirty (30) days

You may submit your request and completed Authorization form via e-mail to:

Health.Appeals@CalPERS.ca.gov; Or, the request may be mailed to:

CalPERS Strategic Health Operations Division
Health Appeals Coordinator
P.O. Box 1953
Sacramento, CA 95812-1953

If you are planning to submit information we may have regarding your dispute with your request for Administrative Review, please note that we may require you to sign an authorization form to release this information. In addition, if CalPERS determines that additional information is needed after we submit the information we have regarding your dispute, CalPERS may ask you sign an Authorization to Release Health Information (ARHI) form.

If you have additional medical records from Providers or scientific studies that you believe are relevant to CalPERS review, those records should be included with the written request. You should send copies of documents, not originals, as CalPERS will retain the documents for its files. You are responsible for the cost of copying and mailing medical records required for the Administrative Review. Providing supporting information to CalPERS is voluntary. However, failure to provide such information may delay or preclude CalPERS in providing a final Administrative Review determination.

CalPERS cannot review claims of medical malpractice (i.e. quality of care, quality of service disputes, or claims subject to a Medicare appeals process).

CalPERS will attempt to provide a written determination of its Administrative Review within 60 days from the date all pertinent information is received by CalPERS.

Administrative Hearing

You must complete the CalPERS Administrative Review process prior to being offered the opportunity for an Administrative Hearing. Only claims involving covered benefits are eligible for an Administrative Hearing. You and/or your Authorized Representative must request an Administrative Hearing in writing within thirty (30) days of the date of the Administrative Review determination. Upon satisfactory showing of good cause, CalPERS may grant additional time to file a request for an Administrative Hearing, not to exceed thirty (30) days.

The request for an Administrative Hearing must set forth the facts and the law upon which the request is based. The request should include any additional arguments and evidence favorable to your case not previously submitted for Administrative Review or External Review.

If CalPERS accepts the request for an Administrative Hearing, it will be conducted in accordance with the Administrative Procedure Act (Government Code section 11500 et seq.). An Administrative Hearing is a formal legal proceeding held before an Administrative Law Judge (ALJ); you and/or your Authorized Representative may, but is not required to, be represented by an attorney. After taking testimony and receiving evidence, the ALJ will issue a Proposed Decision. The CalPERS Board of Administration (Board) will vote regarding whether provided in writing to you and/or your Authorized Representative within two weeks of the Board's open meeting.

Appeal Beyond Administrative Review and Administrative Hearing

If you may petition the Board for reconsideration of its decision, or may appeal to the Superior Court.

You may not begin civil legal remedies until after exhausting these administrative procedures.

Summary of Process and Rights of Members under the Administrative Procedure Act

Right to records, generally. You may, at your own expense, obtain copies of all non-medical and nonprivileged medical records from the Administrator and/or CalPERS, as applicable.

Records subject to attorney-client privilege. Communication between an attorney and a client, whether oral or in writing, will not be disclosed under any circumstances.

Attorney Representation. At any stage of the appeal proceedings, you may be represented by an attorney. If you choose to be represented by an attorney, you must do so at your own expense. Neither CalPERS nor the Administrator will provide an attorney or reimburse you for the cost of an attorney even if you prevail on appeal.

Right to experts and consultants. At any stage of the proceedings, you may present information through the opinion of an expert, such as a Physician. If you choose to retain an expert to assist in presentation of a claim, it must be at your own expense. Neither CalPERS nor the Administrator will reimburse you for the costs of experts, consultants or evaluations.

Service of Legal Process

Legal process or service upon the Plan must be served in person at:

CalPERS Legal Office
Lincoln Plaza North

Chapter 8

Ending your membership in the plan

Section 1 Introduction to ending your membership in our plan

Ending your membership in the plan may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you have decided that you **want** to leave. Sections 2 provide information on ending your membership voluntarily.
- There are also limited situations where you do not choose to leave, but we are required to end your membership. Section 4 tells you about situations when we must end your membership.

If you are leaving our plan, our plan must continue to provide your medical care and you will continue to pay your cost share until your membership ends.

In the event you choose to end your membership in our plan, re-enrollment may not be permitted, or you may have to wait until your plan sponsor's next Open Enrollment Period. You should consult with your plan sponsor regarding the availability of other coverage prior to ending your plan membership outside of your plan sponsor's Open Enrollment Period. It is important to understand your plan sponsor's eligibility policies, and the possible impact to your retiree health care coverage options and other retirement benefits before submitting your request to end your membership in our plan.

Section 2 When can you end your membership in our plan?

Section 2.1 Where can you get more information about when you can end your membership?

If you have any questions about ending your membership you can:

- Call your plan sponsor
- Call Customer Service.**
- Find the information in the **Medicare & You 2023** handbook.
- Contact **Medicare** at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY 1-877-486-2048).

Note: If you also have creditable prescription drug coverage (e.g., standalone PDP) and disenroll from that coverage, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later after going without creditable prescription drug coverage for 63 days or more in a row.

Section 3 Until your membership ends, you must keep getting your medical services through our plan

Until your membership ends, and your new Medicare coverage begins, you must continue to get your medical care through our plan.

- Continue to use our network providers to receive medical care.**

- If you are hospitalized on the day that your membership ends, your hospital stay will be covered by our plan until you are discharged** (even if you are discharged after your new health coverage begins).

Section 4 We must end your membership in the plan in certain situations

Section 4.1 When must we end your membership in the plan?

We must end your membership in the plan if any of the following happen:

- We are notified that you no longer meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).
- Your former employer, union group or trust administrator's (plan sponsor's) contract with us is terminated.
- If you no longer have Medicare Part A and Part B.
- If you move out of our service area.
- If you are away from our service area for more than 6 months.
- If you become incarcerated (go to prison).
- If you are no longer a United States citizen or lawfully present in the United States.
- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your UnitedHealthcare member ID card to get medical care. (We cannot make you leave our plan for this reason unless we get permission from Medicare first.)
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.

Where can you get more information?

If you have questions or would like more information on when we can end your membership call Customer Service.

Section 4.2 We cannot ask you to leave our plan for any health-related reason

Our plan is not allowed to ask you to leave our plan for any health-related reason.

What should you do if this happens?

If you feel that you are being asked to leave our plan because of a health-related reason, call Medicare at 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days a week (TTY 1-877-486-2048).

Section 4.3 You have the right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

Chapter 9

Legal notices

Section 1 Notice about governing law

The principal law that applies to this **Evidence of Coverage** document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services, or CMS. In addition, other Federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws are not included or explained in this document.

Section 2 Notice about non-discrimination

We don't discriminate based on race, ethnicity, national origin, color, religion, sex, gender, age, sexual orientation, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey Federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get Federal funding, and any other laws and rules that apply for any other reason.

If you want more information or have concerns about discrimination or unfair treatment, please call the Department of Health and Human Services' Office for Civil Rights at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights at <https://www.hhs.gov/ocr/index>.

If you have a disability and need help with access to care, please call us at Customer Service. If you have a complaint, such as a problem with wheelchair access, Customer Service can help.

Section 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, our plan, as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any State laws.

Section 4 Third party liability and subrogation

If you suffer an illness or injury for which any third party is alleged to be liable or responsible due to any negligent or intentional act or omission causing illness or injury to you, you must promptly notify us of the illness or injury. We will send you a statement of the amounts we paid for services provided in connection with the illness or injury. If you recover any sums from any third party, we shall be reimbursed out of any such recovery from any third party for the payments we made on your behalf, subject to the limitations in the following paragraphs.

- 1) **Our payments are less than the recovery amount.** If our payments are less than the total recovery amount from any third party (the “recovery amount”), then our reimbursement is computed as follows:
 - a) **First:** Determine the ratio of the procurement costs to the recovery amount (the term “procurement costs” means the attorney fees and expenses incurred in obtaining a settlement or judgment).
 - b) **Second:** Apply the ratio calculated above to our payment. The result is our share of procurement costs.
 - c) **Third:** Subtract our share of procurement costs from our payments. The remainder is our reimbursement amount.
- 2) **Our payments equal or exceed the recovery amount.** If our payments equal or exceed the recovery amount, our reimbursement amount is the total recovery amount minus the total procurement costs.
- 3) **We incur procurement costs because of opposition to our reimbursement.** If we must bring suit against the party that received the recovery amount because that party opposes our reimbursement, our reimbursement amount is the lower of the following:
 - a) Our payments made on your behalf for services; or
 - b) the recovery amount, minus the party’s total procurement cost.

Subject to the limitations stated above, you agree to grant us an assignment of, and a claim and a lien against, any amounts recovered through settlement, judgment or verdict. You may be required by us and you agree to execute documents and to provide information necessary to establish the assignment, claim, or lien to ascertain our right to reimbursement.

Section 5 Member liability

Note: This section only applies to you if you are required by your plan rules to obtain a referral before seeing non-network providers. Please see the chapter entitled **Using the plan’s coverage for your medical services** to see if your plan requires referrals to non-network providers.

You will be liable if you receive services from non-network providers without authorization or a referral.

In the event we fail to reimburse provider’s charges for covered services, you will not be liable for any sums owed by us. Neither the plan nor Medicare will pay for non-covered services except for the following eligible expenses:

- Emergency services
- Urgently needed services
- Out-of-area and routine travel dialysis (must be received in a Medicare Certified Dialysis Facility within the United States)
- Post-stabilization services

If you enter into a private contract with a provider, neither the plan nor Medicare will pay for those services.

Section 6 Medicare-covered services must meet requirement of reasonable and necessary

In determining coverage, services must meet the reasonable and necessary requirements under Medicare in order to be covered under your plan, unless otherwise listed as a covered service. A service is “reasonable and necessary” if the service is:

- Safe and effective;
- Not experimental or investigational; and
- Appropriate, including the duration and frequency that is considered appropriate for the service, in terms of whether it is:
 1. Furnished in accordance with accepted standards of medical practice for the diagnosis or treatment of the patient’s condition or to improve the function of a malformed body member;
 2. Furnished in a setting appropriate to the patient’s medical needs and condition;
 3. Ordered and furnished by qualified personnel;
 4. One that meets, but does not exceed, the patient’s medical need; and
 5. At least as beneficial as an existing and available medically appropriate alternative.

Section 7 Non duplication of benefits with automobile, accident or liability coverage

If you are receiving benefits as a result of other automobile, accident or liability coverage, we will not duplicate those benefits. It is your responsibility to take whatever action is necessary to receive payment under automobile, accident, or liability coverage when such payments may reasonably be expected, and to notify us of such coverage when available. If we happen to duplicate benefits to which you are entitled under other automobile, accident or liability coverage, we may seek reimbursement of the reasonable value of those benefits from you, your insurance carrier, or your health care provider to the extent permitted under State and/or federal law. We will provide benefits over and above your other automobile, accident or liability coverage, if the cost of your health care services exceeds such coverage. **You are required to cooperate with us in obtaining payment from your automobile, accident or liability coverage carrier. Your failure to do so may result in termination of your plan membership.**

Section 8 Acts beyond our control

If, due to a natural disaster, war, riot, civil insurrection, complete or partial destruction of a facility, ordinance, law or decree of any government or quasi-governmental agency, labor dispute (when said dispute is not within our control), or any other emergency or similar event not within the control of us, providers may become unavailable to arrange or provide health services pursuant to this Evidence of Coverage and Disclosure Information, then we shall attempt to arrange for covered services insofar as practical and according to our best judgment. Neither we nor any provider shall have any liability or obligation for delay or failure to provide or arrange for covered services if such delay is the result of any of the circumstances described above.

Section 9 Contracting medical providers and network hospitals are independent contractors

The relationships between us and our network providers and network hospitals are independent contractor relationships. None of the network providers or network hospitals or their physicians or employees are employees or agents of UnitedHealthcare Insurance Company or one of its affiliates. An agent would be anyone authorized to act on our behalf. Neither we nor any employee of UnitedHealthcare Insurance Company or one of its affiliates is an employee or agent of the network providers or network hospitals.

Section 10 Technology assessment

We regularly review new procedures, devices and drugs to determine whether or not they are safe and efficacious for members. New procedures and technology that are safe and efficacious are eligible to become Covered Services. If the technology becomes a Covered Service, it will be subject to all other terms and conditions of the plan, including medical necessity and any applicable member copayments, coinsurance, deductibles or other payment contributions.

In determining whether to cover a service, we use proprietary technology guidelines to review new devices, procedures and drugs, including those related to behavioral/mental health. When clinical necessity requires a rapid determination of the safety and efficacy of a new technology or new application of an existing technology for an individual member, one of our Medical Directors makes a medical necessity determination based on individual member medical documentation, review of published scientific evidence, and, when appropriate, relevant specialty or professional opinion from an individual who has expertise in the technology.

Section 11 Member statements

In the absence of fraud, all statements made by you will be deemed representations and not warranties. No such representation will void coverage or reduce covered services under this Evidence of Coverage or be used in defense of a legal action unless it is contained in a written application.

Section 12 Information upon request

As a plan member, you have the right to request information on the following:

- General coverage and comparative plan information
- Utilization control procedures
- Quality improvement programs
- Statistical data on grievances and appeals
- The financial condition of UnitedHealthcare Insurance Company or one of its affiliates

Section 13 2023 Enrollee Fraud & Abuse Communication

2023 Enrollee Fraud & Abuse Communication

How you can fight healthcare fraud

Our company is committed to preventing fraud, waste, and abuse in Medicare benefit programs and we're asking for your help. If you identify a potential case of fraud, please report it to us immediately.

Here are some examples of potential Medicare fraud cases:

- A health care provider - such as a physician, or medical device company - bills for services you never got;
- A supplier bills for equipment different from what you got;
- Someone uses another person's Medicare card to get medical care, supplies or equipment;
- Someone bills for home medical equipment after it has been returned;
- A company offers a Medicare drug or health plan that hasn't been approved by Medicare; or
- A company uses false information to mislead you into joining a Medicare drug or health plan.

To report a potential case of fraud in a Medicare benefit program, call UnitedHealthcare Group Medicare Advantage Edge (PPO) Customer Service at 1-888-867-5581 (TTY 711), 7 a.m.-8 p.m. local time, 7 days a week.

This hotline allows you to report cases anonymously and confidentially. We will make every effort to maintain your confidentiality. However, if law enforcement needs to get involved, we may not be able to guarantee your confidentiality. Please know that our organization will not take any action against you for reporting a potential fraud case in good faith.

You may also report potential medical or prescription drug fraud cases to the Medicare Drug Integrity Contractor (MEDIC) at 1-877-7SafeRx (1-877-772-3379) or to the Medicare program directly at (1-800-633-4227). The Medicare fax number is 1-717-975-4442 and the website is www.medicare.gov.

Section 14 Commitment of Coverage Decisions

UnitedHealthcare's Clinical Services Staff and Physicians make decisions on the health care services you receive based on the appropriateness of care and service and existence of coverage. Clinical Staff and Physicians making these decisions: 1. Do not specifically receive reward for issuing non-coverage (denial) decisions; 2. Do not offer incentives to physicians or other health care professionals to encourage inappropriate underutilization of care or services; and 3. Do not hire, promote, or terminate physicians or other individuals based upon the likelihood or the perceived likelihood that the individual will support or tend to support the denial of benefits.

Section 15 Renew Active™ Terms and Conditions

Eligibility Requirements

- Only members enrolled in a participating Medicare Plan insured by UnitedHealthcare Insurance Company ("UnitedHealthcare") and affiliates are eligible for the Renew Active program ("Program"), which includes, without limitation, access to standard fitness memberships at participating gyms/fitness locations, online fitness and cognitive providers, digital communities, events, classes and discounts for meal delivery at no additional cost.
- By enrolling in the Program, you hereby accept and agree to be bound by these Renew Active Terms and Conditions.

Enrollment Requirements

- Membership and participation in the Program is voluntary.
- You must enroll in the Program according to the instructions provided on this website. Once enrolled, you must obtain your confirmation code and use it when signing up for any Program services. Provide your confirmation code when visiting a participating gym/fitness location to receive standard membership access at no additional cost, registering with an online fitness and/or cognitive providers, joining the Fitbit® Community for Renew Active, and to gain access to included discounts. Please note, that by using your confirmation code, you are electing to disclose that you are a Renew Active member with a participating UnitedHealthcare Medicare plan.
- Program enrollment is on an individual basis and the Program's waived monthly membership rate for standard membership services at participating gyms and fitness locations is only applicable to individual memberships.
- You are responsible for any and all non-covered services and/or similar fee-based products and services offered by Program service providers (including, without limitation, gym/fitness centers, digital fitness offerings, digital cognitive providers, Fitbit, and other third party service offerings made available through the Program), including, without limitation, fees associated with personal training sessions, specialized classes, enhanced facility membership levels beyond the basic or standard membership level, and meal delivery.

Fitness membership equipment, classes, personalized fitness plans, caregiver access and events may vary by location. Access to gym and fitness location network may vary by location and plan.

Liability Waiver

- Always seek the advice of a doctor prior to beginning an exercise program or making changes to your lifestyle or health care routine.
- Certain services, discounts, classes, events, and online fitness offerings are provided by affiliates of UnitedHealthcare or other third parties not affiliated with UnitedHealthcare. Participation in these third-party services is subject to your acceptance of their respective terms and policies. UnitedHealthcare and its respective subsidiaries are not responsible for the services or information provided by third parties. The information provided through these services is for informational purposes only and is not a substitute for the advice of a doctor. UnitedHealthcare and its respective subsidiaries and affiliates do not endorse and are not

responsible for the services or information provided by third parties, the content on any linked site, or for any injuries you may sustain while participating in any activities under the Program.

Other Requirements

- You must verify that the individual gym/fitness location or service provider participates in the Program before enrolling.
- If a Program service provider you use, including a gym or fitness location, ceases to participate in the Program, your Program participation and waived monthly membership rate with such service provider through the Program will be discontinued until you join another service offered by a participating service provider. You will be responsible for paying the standard membership rates of such service provider should you elect to continue to receive services from a service provider once that service provider ceases to participate in our Program. If you wish to cancel your membership with such service provider, you can opt to do so per the cancellation policy of the applicable service provider, including the applicable gym or fitness location. You should review your termination rights with a service provider when you initially elect to sign up with such service provider.

Data Requirements

- Optum (the Program administrator) and/or your service provider will collect and electronically send and/or receive the minimum amount of your personal information required in order to facilitate the Program in accordance with the requirements of applicable laws, including privacy laws. Such required personal information includes, but is not limited to, program confirmation code, gym/fitness location/provider membership ID, activity year and month, and monthly visit count. By enrolling in the Program, you authorize Optum to request, and each service provider to provide, such personal information.

Chapter 10

Definitions of important words

Chapter 10

Definitions of important words

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center does not exceed 24 hours.

Annual Enrollment Period – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or payment for services you already received. You may also make an appeal if you disagree with our decision to stop services that you are receiving.

Balance Billing – When a provider (such as a doctor or hospital) bills a patient more than the plan's allowed cost-sharing amount. As a member of UnitedHealthcare Group Medicare Advantage Edge (PPO), you only have to pay our plan's allowed cost-sharing amounts when you get services covered by our plan. We do not allow providers to "balance bill" or otherwise charge you more than the amount of cost-sharing your plan says you must pay.

Benefit period – The way that Original Medicare measures your use of hospital and skilled nursing facility (SNF) services. A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you have not received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods. For Inpatient Hospital Care, Medicare-defined hospital benefit periods do not apply. For inpatient hospital care, the cost-sharing described in the Medical Benefits Chart in Chapter 4 applies each time you are admitted to the hospital. For each inpatient hospital stay, you are covered for unlimited days as long as the hospital stay is covered in accordance with plan rules.

Centers for Medicare & Medicaid Services (CMS) – The Federal agency that administers Medicare.

Christian Science nurse – A Christian Science nurse must be listed in the Christian Science Journal and approved by The First Church of Christ, Scientist, in Boston, Massachusetts.

Christian Science nursing facility – A Christian Science nursing facility must be accredited by The Commission for Accreditation of Christian Science Nursing Organizations/Facilities, Inc.

Christian Science practitioner – A Christian Science practitioner must be listed in the Christian Science Journal and approved by the First Church of Christ, Scientist, in Boston, Massachusetts.

Chronic-Care Special Needs Plan – C-SNPs are SNPs that restrict enrollment to special needs individuals with specific severe or disabling chronic conditions, defined in 42 CFR 422.2. A C-SNP must have specific attributes that go beyond the provision of basic Medicare Parts A and B services and care coordination that is required of all Medicare Advantage Coordinated Care Plans, in order to receive the special designation and marketing and enrollment accommodations provided to C-SNPs.

Clinical Research Study – A clinical research study is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. They test new medical care

procedures or drugs by asking for volunteers to help with the study. This kind of study is one of the final stages of a research process that helps doctors and scientists see if a new approach works and if it is safe.

Coinsurance – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services.

Coinsurance for in-network services is based upon contractually negotiated rates (when available for the specific covered service to which the coinsurance applies) or Medicare Allowable Cost, depending on our contractual arrangements for the service.

Combined Maximum Out-of-Pocket Amount – This is the most you will pay in a year for all Part A and Part B services from both network providers and out-of-network providers. See Chapter 4, Section 1.2 for information about your combined maximum out-of-pocket amount.

Complaint – The formal name for “making a complaint” is “filing a grievance.” The complaint process is used only for certain types of problems. This includes problems related to quality of care, waiting times, and the customer service you receive. It also includes complaints if your plan does not follow the time periods in the appeal process.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Copayment (or “copay”) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor’s visit, or hospital outpatient visit. A copayment is a set amount (for example \$10), rather than a percentage.

Cost-Sharing – Cost-sharing refers to amounts that a member has to pay when services are received. Cost-sharing includes any combination of the following three types of payments: (1) any deductible amount a plan may impose before services are covered; (2) any fixed “copayment” amount that a plan requires when a specific service is received; or (3) any “coinsurance” amount, a percentage of the total amount paid for a service that a plan requires when a specific service is received.

Covered Services – The term we use in this EOC to mean all of the health care services and supplies that are covered by our plan.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you do not need skilled medical care or skilled nursing care. Custodial care, provided by people who do not have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn’t pay for custodial care.

Customer Service – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

Deductible – The amount you must pay for health care before our plan pays.

Disenroll or Disenrollment – The process of ending your membership in our plan.

Dual Eligible Special Needs Plans (D-SNP) – D-SNPs enroll individuals who are entitled to both

Medicare (title XVIII of the Social Security Act) and medical assistance from a state plan under Medicaid (title XIX). States cover some Medicare costs, depending on the state and the individual's eligibility.

Durable Medical Equipment (DME) – Certain medical equipment that is ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and, if you are a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

Emergency Care – Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Grievance – A type of complaint you make about our plan or providers, including a complaint concerning the quality of your care. This does not involve coverage or payment disputes.

Home Health Aide – A person who provides services that do not need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Home Health Care – Skilled nursing care and certain other health care services that you get in your home for the treatment of an illness or injury. Covered services are listed in the Benefits Chart in Chapter 4, Section 2.1 under the heading “Home health agency care.” If you need home health care services, our plan will cover these services for you provided the Medicare coverage requirements are met. Home health care can include services from a **home health aide** if the services are part of the home health plan of care for your illness or injury. They aren't covered unless you are also getting a covered skilled service. Home health services don't include the services of housekeepers, food service arrangements, or full-time nursing care at home.

Hospice – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. We, your plan, must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums you are still a member of our plan. You can still obtain all medically necessary services as well as the supplemental benefits we offer.

Hospice Care – A special way of caring for people who are terminally ill and providing counseling for their families. Hospice care is physical care and counseling that is given by a team of people who are part of a Medicare-certified public agency or private company. Depending on the situation, this care may be given in the home, a hospice facility, a hospital, or a nursing home. Care from a hospice is meant to help patients in the last months of life by giving comfort and relief from pain.

The focus is on care, not cure. For more information on hospice care visit www.medicare.gov and under “Search Tools” choose “Find a Medicare Publication” to view or download the publication “Medicare Hospice Benefits.” Or, call (1-800-633-4227). TTY users should call 1-877-486-2048. You may call 24 hours a day/7 days a week. Note: If you are not entitled to Medicare Part A coverage, hospice services are not covered by Medicare or the plan.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an “outpatient.”

Initial Enrollment Period – When you are first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you’re eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

In-Network Maximum Out-of-Pocket Amount – The most you will pay for covered Part A and Part B services received from in-network providers. After you have reached this limit, you will not have to pay anything when you get covered services from network providers for the rest of the contract year. However, until you reach your combined out-of-pocket amount, you must continue to pay your share of the costs when you seek care from an out-of-network provider.

Medicaid (or Medical Assistance) – A joint Federal and State program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The Federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be an i) HMO, ii) PPO, a iii) Private Fee-for-Service (PFFS) plan, or a iv) Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug Coverage**. UnitedHealthcare Group Medicare Advantage Edge (PPO) does not offer Medicare prescription drug coverage.

Medicare Allowable Cost – The maximum price of a service for reimbursement purposes under Original Medicare.

Medicare Assignment – In Original Medicare, a doctor or supplier "accepts assignment" when he or she agrees to accept the Medicare-approved amount as full payment for covered services. For covered out-of-network services, it can save you money if your doctor or supplier accepts assignment. If a doctor or supplier accepts assignment, your cost-sharing is limited to your copayment or coinsurance amount for the covered service.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans must cover all of the services that are covered by Medicare Part A and B. The term

Medicare-Covered Services does not include the extra benefits, such as vision, dental or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in the plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

“Medigap” (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill “gaps” in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage Plan is not a Medigap policy.)

Member (Member of our plan, or “Plan Member”) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Network – The doctors and other health care professionals, medical groups, hospitals, and other health care facilities or providers that have an agreement with us to provide covered services to our members and to accept our payment and any plan cost-sharing as payment in full. (See Chapter 1, Section 3.2)

Network Provider – “Provider” is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the State to provide health care services. “Network providers” have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called “plan providers.”

Organization Determination – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called “coverage decisions” in this document.

Original Medicare (“Traditional Medicare” or “Fee-for-service” Medicare) – Original Medicare is offered by the government, and not a private health plan such as Medicare Advantage Plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has two parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Out-of-Network Provider or Out-of-Network Facility – A provider or facility that does not have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that are not employed, owned, or operated by our plan.

Out-of-Pocket Costs – See the definition for “cost-sharing” above. A member’s cost-sharing requirement to pay for a portion of services received is also referred to as the member’s “out-of-pocket” cost requirement.

PACE plan – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term care services for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible, while getting the high quality

care they need. People enrolled in PACE plans receive both their Medicare and Medicaid benefits through the plan. PACE is not available in all states. If you would like to know if PACE is available in your state, please contact Customer Service.

Part C – see “**Medicare Advantage (MA) Plan.**”

Plan Sponsor – Your former employer, union group or trust administrator.

Plan Year – The period of time your plan sponsor has contracted with us to provide covered services to you through the plan. Your plan sponsor’s plan year is listed inside the front cover of the Evidence of Coverage.

Preferred Provider Organization (PPO) Plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they are received from in-network or out-of-network providers.

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health coverage.

Prior Authorization – For medical services it means a process where your PCP or treating provider must receive approval in advance before certain medical services will be provided or payable. Covered services that need prior authorization are marked in the Medical Benefits Chart in Chapter 4. In the network portion of a PPO, some in-network medical services are covered only if your PCP or other network provider gets “prior authorization” from our plan. In a PPO, you do not need prior authorization to obtain out-of-network services. However, you may want to check with the plan before obtaining services from out-of-network providers to confirm that the service is covered by your plan and what your costs-sharing responsibility is.

Prosthetics and Orthotics – Medical devices including, but are not limited to, arm, back and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Provider – The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the Federal government to check and improve the care given to Medicare patients.

Rehabilitation Services – These services include physical therapy, speech and language therapy, and occupational therapy.

Retail Walk-In Clinic – A provider location that generally does not require appointments and may be a standalone location or located in a retail store, supermarket or pharmacy. Walk-In Clinic Services are subject to the same cost sharing as Urgent Care Centers. (See the Benefit Chart in Chapter 4)

Service Area – A geographic area where you must live to join a particular health plan. The plan may disenroll you if you permanently move out of the plan’s service area.

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Enrollment Period – A set time when members can change their health or drug plans or return to Original Medicare. Situations in which you may be eligible for a Special Enrollment Period include: if you move into a nursing home, or if we violate our contract with you.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Urgently Needed Services – Covered services that are not emergency services, provided when the network providers are temporarily unavailable or inaccessible or when the enrollee is out of the service area. For example, you need immediate care during the weekend. Services must be immediately needed and medically necessary.
