## Good news for 2025

The Coverage Gap, or “donut hole”, has been eliminated and your out-of-pocket limit (the amount you and others on your behalf pay) is \$2,000. That means you're more protected from high drug costs in 2025.

## Prescription drugs

<b>Deductible</b>	The plan does not have a prescription drug deductible. Your coverage starts in the Initial Coverage stage.	
<b>Initial coverage</b>	In this stage, you'll pay your plan copays or coinsurance. The plan pays the rest. Once you, and others on your behalf, have paid a combined total of \$2,000* you move to the Catastrophic Coverage stage.	
<b>Tier drug coverage</b> (After you pay your deductible, if applicable)	<b>Retail Cost-Sharing</b>	<b>Mail Order Cost-Sharing</b>
	<b>30-day supply</b>	<b>90-day supply</b>
<b>Tier 1:</b> Preferred Generic	\$5 copay	\$10 copay
<b>Tier 2:</b> Preferred Brand ~	\$20 copay	\$40 copay
<b>Tier 3:</b> Non-preferred Drug ~	\$50 copay	\$100 copay
<b>Tier 4:</b> Specialty Tier ~	\$20 copay	\$40 copay

## Prescription drugs

### Catastrophic coverage

Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year.

If your plan includes additional prescription drug coverage, you will continue to pay the cost-sharing amounts from the Initial Coverage stage for those drugs. Please see your Additional Drug Coverage list for more information.

### Annual mail order drug out-of-pocket maximum

Once you've paid \$1,000 in a plan year for Tier 1, Tier 2, and Tier 4 formulary drugs through the plan's mail service pharmacy, you will pay \$0 for Tier 1, Tier 2, and Tier 4 formulary mail order drugs.

~ You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan. Most adult Part D vaccines are covered at no cost to you.

\*This includes what the plan paid, what you and your friends or family paid, and what other programs or organizations paid for your covered Part D drugs.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at [retiree.uhc.com/calpers](http://retiree.uhc.com/calpers) or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.
