

Compass Rose Medicare Advantage benefits worth looking at

Vision care is an important part of your overall health. Regular visits to an eye doctor can help keep your eyes healthy and improve your overall health. With Compass Rose Medicare Advantage, a UnitedHealthcare® Group Medicare Advantage (PPO) plan, you'll have access to a nationwide network of providers with the freedom to see any participating vision provider, anywhere in the country.

How it works:

- A routine eye exam once every 12 months, with a \$0 copay*
- \$130 allowance toward eyeglasses (frames and lenses), every 24 months*
- \$175 allowance toward contact lenses instead of eyeglasses, every 24 months*
- The network is UnitedHealthcare Medical Network (UHN)

Connect with a vision provider or find out more:

- 1 For questions about your vision benefits or to get help finding a vision provider, call the toll-free number on the back of your ID card or sign in to UHCRetiree.com/compassrose.
- 2 Vision providers should contact the provider number on the back of your medical ID card to confirm eligibility and benefits.* *
- 3 Out-of-network vision providers may require you to pay upfront and submit to UnitedHealthcare for reimbursement. Call the toll-free number on the back of your ID card for submission instructions.

Did you know?

If you are diabetic, the American Diabetes Association recommends an annual eye exam with an optometrist or ophthalmologist to check for signs of diabetes-related eye problems. This exam is different than a routine eye exam and is a Medicare-covered benefit under your plan with a copay or coinsurance.

Diabetes-related eye problems often show no symptoms until the condition becomes advanced, so it's important to have your eyes checked.

*Please refer to the Summary of Benefits for details on benefit coverage

**Some vision providers may ask you to present a different member ID card for your vision benefits. Your vision benefits are part of your medical plan and the same Compass Rose Medicare Advantage ID card you utilize at a hospital, doctors office, or pharmacy is what you will present to the vision provider. If they have questions, they may call the number on the back of your member ID card

Benefits, features and/or devices vary by plan/area. Limitations and exclusions apply.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a Medicare-approved Part D sponsor. Enrollment in these plans depends on the plan's contract renewal with Medicare.
