Make the most of your Compass Rose Medicare Advantage Plan dental benefits

There are 3 ways to find a network dentist:

- 1 Visit uhcmedicaredentistsearch.com to search by name, facility or location
- 2 Sign in to UHCRetiree.com/compassrose and use the Dental Provider Directory tool
- 3 Call the dental number on the back of your Compass Rose Medicare Advantage member ID card

How your plan works

Out-of-network services

If you use a dentist out-of-network, you may need to pay the difference between what the plan covers and what your dentist charges for the services.

Estimate your costs

If you're planning to have a procedure that costs more than \$500, ask your dentist to send UnitedHealthcare the X-rays and notes about your condition. The treatment will be reviewed to make sure it's clinically appropriate. After review, you and your dentist will get an estimate of what the plan will pay and what your out-of-pocket costs will be.

Submit claims

Requests for claim reimbursement with itemized receipt and member information, including member ID, can be submitted to:

UnitedHealthcare
P.O. Box 30567
Salt Lake City, UT 84130-0567

See plan documents or call the dental number on the back of your member ID card for a detailed list of required information for submission.

Once you're a member, sign in to UHCRetiree.com/compassrose or call **1-800-445-9090**, TTY **711**, 7 a.m.–10 p.m. CT, Monday–Friday
