# More from your health plan

Your PPO plan is a Medicare Advantage plan, also known as Medicare Part C. This plan has all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B). Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

## Here's how this PPO plan works

**Get care from providers in or out-of-network as long as they accept Medicare and the plan**

**You don't need a referral to see a specialist or other provider**

**Select a primary care provider (PCP) to oversee and help manage your care**

It's not required by the plan, but it's very beneficial for your long-term health and well-being.

**You pay a standard copay or coinsurance, or \$0 in some cases, to see a provider in or out-of-network**

We work closely with our network (contracted) providers to make sure they have access to resources and tools to help them work with you for better health outcomes.

**This plan has a maximum annual out-of-pocket amount**

If you reach the limit, the plan will pay 100% of your Medicare-covered services for the rest of the plan year.

**Emergency and urgently needed services are covered anywhere in the world**

To search for a network provider, visit [retiree.uhc.com/CTPF](https://retiree.uhc.com/CTPF).

# More ways to learn about your plan

It's important that you understand your plan and what benefits are covered. You can find the Provider Directory and more at [retiree.uhc.com/CTPF](https://retiree.uhc.com/CTPF).

## Review the online Provider Directory to see if your providers are in the network

It's okay if they're not. This plan allows you to see out-of-network providers at the same cost share as long as they accept Medicare and the plan.

## Review the Summary of Benefits in this guide to see how much you'll pay for medical services

You can also review the Summary of Benefits online.

If you're not sure if you are enrolled in Medicare Part B, check with Social Security at [ssa.gov/locator](https://ssa.gov/locator) or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

You may be disenrolled from this plan if you stop paying your Medicare Part B premium.

## You're eligible to enroll in this plan if you:

Are entitled to Medicare Part A and enrolled in Medicare Part B.

Continue to pay your Part B premium (unless it's paid for you).

**Remember:** If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll. Limitations and restrictions vary by former employer or plan sponsor.
