# Plan details

# **UnitedHealthcare® MedicareRx for Groups (PDP)**

Your former employer or plan sponsor has selected a UnitedHealthcare® MedicareRx for Groups (PDP) plan for your prescription drug coverage. This is a plan designed just for a former employer or plan sponsor, like yours. Only eligible retirees of your former employer or plan sponsor can enroll in this plan. This plan is also known as a Medicare Part D plan.

Original Medicare Part A (hospital coverage) and Part B (doctor and outpatient care) help pay for some of the costs, but they don't cover prescription drugs. Medicare Part D plans help with prescription drug costs. You can get Part D coverage through a private insurance company, like UnitedHealthcare.

## Make sure you are signed up for Medicare

You must be entitled to Medicare Part A and/or enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled, check with Social Security
- Visit www.ssa.gov/locator or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.-7 p.m., Monday-Friday, or call your local office
- If you are enrolled in Medicare Part B, you must continue to pay your Medicare Part B monthly premium to Social Security to keep your Medicare Part B coverage
- If you stop paying your Medicare Part B premium, you will be disenrolled from Medicare Part B and this could affect your medical coverage

# **How your Group Medicare Part D plan works**

Here are Medicare's rules about what types of coverage you can have either as an addition to or combined with a group-sponsored Medicare Part D prescription drug plan.

#### One plan at a time

- You may be enrolled in only 1 Medicare Part D prescription drug plan at a time. This
  means you may have 1 Medicare Part D plan or 1 Medicare Advantage plan that
  includes prescription drug coverage, but not both
- The plan you enroll in last is the plan that the Centers for Medicare & Medicaid Services (CMS) considers to be your final decision
- If you enroll in another plan with prescription drug coverage after your enrollment in this group-sponsored plan, you will be disenrolled from this plan
- Any eligible family members may also be disenrolled from their group-sponsored coverage, and you and your family may not have drug coverage through your former employer or plan sponsor

### You must have employer group-sponsored coverage

Your group-sponsored Medicare Part D plan includes only drug coverage. It does not include medical care coverage.

- If you want a Medicare Advantage plan, it must come through a group like your former employer or plan sponsored Part D prescription drug plan
- If you enroll in an individual Medicare Advantage plan, you may be disenrolled from this group-sponsored Part D prescription drug plan

**Remember:** If you drop or are disenrolled from your group-sponsored retiree prescription drug coverage, you may not be able to re-enroll. Limitations and restrictions vary by former employer or plan sponsor.

# Questions? We're here to help.

# Here are some of the highlights of your new prescription drug plan:

#### **Dedicated service**

We're here for you. Our Customer Service team has been specially trained to know all the ins and outs of your plan.

#### **Complete drug list**

The plan's drug list (formulary) includes all of the drugs covered by Medicare Part D in brand or generic form. Your plan may include additional drug coverage beyond what Medicare allows.

#### Filling your prescriptions is convenient

There are thousands of national chain, regional and independent local retail pharmacies in the UnitedHealthcare network. Using a UnitedHealthcare network pharmacy<sup>1</sup> can help make sure you are getting the lowest cost available through your plan.

#### UnitedHealthcare Hearing — custom-programmed hearing aids

Your hearing health is important to your overall well-being and can help you stay connected to those around you. With UnitedHealthcare Hearing, you'll get access to hundreds of name-brand and private-labeled hearing aids—available in-person at any of our 7,000+ UnitedHealthcare Hearing providers nationwide<sup>1</sup> or delivered to your doorstep with Right2You direct delivery and virtual care (select products only)—so you'll get the care you need to hear better and live life to the fullest.

# Questions? We're here to help.

www.UHCRetiree.com/diageo

#### What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount Social Security determines you may need to pay in addition to your monthly plan premium if your modified adjusted gross income on your IRS tax return from 2 years ago is above a certain limit. This extra amount is paid directly to Social Security, not to your plan. Social Security will contact you if you have to pay IRMAA.

#### What is a Medicare Part D Late Enrollment Penalty (LEP)?

If, at any time after you first become eligible for Medicare Part D, there's a period of at least 63 days in a row when you don't have Medicare Part D or other creditable prescription drug coverage, a penalty may apply. Creditable coverage is prescription drug coverage that is at least as good as or better than what Medicare requires. The LEP is an amount added to your monthly Medicare premium and billed to you separately by UnitedHealthcare.

When you become a member, your former employer or plan sponsor will be asked to confirm that you have had continuous Medicare Part D coverage. If your former employer or plan sponsor asks for information about your prescription drug coverage history, please respond as quickly as possible to avoid an unnecessary penalty.

Once you become a member, more information will be available in your Evidence of Coverage (EOC). Your Quick Start Guide will include details on how to access your EOC.

### Call Social Security to see if you qualify for Extra Help

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. If you qualify, Extra Help could pay up to 75% or more of your drug costs. Many people qualify and don't know it. There's no penalty for applying and you can re-apply every year.

Call toll-free **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

# How your prescription drug coverage works

Your Medicare Part D prescription drug coverage includes thousands of brand-name and generic prescription drugs. Check your plan's drug list to see if your drugs are covered.

#### Here are answers to common questions:

- What pharmacies can I use?
  - You can choose from thousands of national chain, regional and independent local retail pharmacies.
- What is a drug-cost tier?

  Drugs are divided into different cost levels, or tiers. In general, the lower the tier, the less you pay.
- What will I pay for my prescription drugs?

  What you pay will depend on the coverage your former employer or plan sponsor has arranged and on what drug-cost tier your prescription falls into. Your cost may also change during the year based on the total cost of the prescriptions you have filled.<sup>1</sup>

# Questions? We're here to help.

# The price you pay for a covered drug will depend on 2 factors:

# 1 The drug-cost tier for your drug

Each covered drug is assigned to a tier. Generally, the lower the tier, the less you pay.

Tier	Cost	Description
Tier 1	Low	All covered generic drugs
Tier 2	<b>1</b>	Many common brand-name drugs, called preferred brands
Tier 3		Non-preferred brand-name drugs. In addition, Part D-eligible compound medications are covered in Tier 3
Tier 4 (Specialty)	High	Unique and/or very high-cost brand-name drugs

# 2 Your Medicare drug payment stages

**Annual deductible** – If your plan has a deductible, you pay the total cost of your drugs until you reach the deductible amount set by your plan. Then you move to the initial coverage stage. If you don't have a deductible, your coverage begins in the initial coverage stage.

Initial coverage	Coverage gap	Catastrophic coverage
In this drug payment stage:  • You pay a copay	Your plan provides additional coverage through the gap.	After your out-of-pocket costs reach \$7,050:
or coinsurance (percentage of a drug's total cost) and the plan pays the rest	<ul> <li>You continue to pay the same copay or coinsurance as you did in the initial coverage stage</li> </ul>	<ul> <li>You pay a small copay or coinsurance amount</li> <li>You stay in this stage for the rest of the</li> </ul>
<ul> <li>You stay in this stage until your total drug costs reach \$4,430</li> </ul>	<ul> <li>You stay in this stage until your out-of-pocket costs reach \$7,050</li> </ul>	plan year

**Total drug costs** – The amount you pay (or others pay on your behalf) and the plan pays for prescription drugs starting January 2022. This does not include premiums.

**Out-of-pocket costs** – The amount you pay (or others pay on your behalf), including the deductible, for prescription drugs starting January 2022. This does not include premiums.

# Ways to save on your prescription drugs

You may save on the medications you take regularly

If you prefer the convenience of mail order, you could save time and money by receiving your maintenance medications through OptumRx® Home Delivery. You'll get automatic refill reminders and access to licensed pharmacists if you have questions.

Get a 3-month<sup>1</sup> supply at retail pharmacies

In addition to OptumRx® Home Delivery, most retail pharmacies offer 3-month supplies for some prescription drugs.

Ask your doctor about trial supplies

A trial supply allows you to fill a prescription for less than 30 days. This way, you can pay a reduced copay or coinsurance and make sure the medication works for you before getting a full month's supply.

Explore lower-cost options

Each covered drug in your drug list is assigned to a drug-cost tier. Generally, the lower the tier, the less you pay. If you're taking a higher-tier drug, you may want to ask your doctor if there's a lower-tier drug you could take instead.

Have an annual medication review

Make an appointment to have an annual medication review with your doctor to make sure you are only taking the drugs you need.

# The UnitedHealthcare Savings Promise

UnitedHealthcare is committed to keeping your prescription drug costs down. As a UnitedHealthcare member, you have our Savings Promise that you'll get the lowest price available. That low price may be your plan copay, the pharmacy's retail price or our contracted price with the pharmacy.

Your former employer or plan sponsor may provide coverage beyond 3 months. Please refer to the Benefit Highlights or Summary of Benefits for more information.

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover. You can see it online at www.UHCRetiree.com/diageo or you can call Customer Service for help. When you enroll in the plan you will get information that tells you where you can go online to view your Evidence of Coverage.

#### **About this plan**

UnitedHealthcare® MedicareRx for Groups (PDP) is a Medicare Prescription Drug Plan plan with a Medicare contract.

To join UnitedHealthcare® MedicareRx for Groups (PDP), you must be entitled to Medicare Part A, and/or be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Our service area includes the 50 United States, the District of Columbia and all U.S. territories.

#### **Use network pharmacies**

UnitedHealthcare® MedicareRx for Groups (PDP) has a network of pharmacies. If you use out-of-network pharmacies, the plan may not pay for those drugs or you may pay more than you pay at a network pharmacy.

You can go to www.UHCRetiree.com/diageo to search for a network pharmacy using the online directory. You can also view the plan Drug List (Formulary) to see what drugs are covered, and if there are any restrictions.

# **UnitedHealthcare® MedicareRx for Groups (PDP)**

# **Premiums and Benefits**

	Cost-Share
Monthly Plan Premium	Contact your group plan benefit administrator to determine your actual premium amount, if applicable.
Annual Prescription Drug Deductible	This plan does not have a deductible.

### **Prescription Drugs**

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor has chosen to make supplemental drug coverage available to you. This coverage is in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D prescription drug benefit and your supplemental drug coverage. You can view the Certificate of Coverage at www.UHCRetiree.com/diageo or call Customer Service to have a hard copy sent to you.

Your plan sponsor offers additional prescription drug coverage. Please see your Additional Drug Coverage list for more information.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

Stage 1: Annual Prescription (Part D) Deductible	Since you have no deductible, this payment stage doesn't apply.	
Stage 2: Initial Coverage (After you pay your deductible, if applicable)	Retail Cost-Sharing	Mail Order Cost-Sharing
	30-day supply	90-day supply
Tier 1: Preferred Generic	\$5 copay	\$5 copay
Tier 2: Preferred Brand	\$15 copay	\$15 copay
Tier 3: Non-preferred Drug	\$25 copay	\$25 copay
Tier 4: Specialty Tier	\$25 copay	\$25 copay
Stage 3: Coverage Gap Stage	After your total drug costs reach \$4,430, the plan continues to pay its share of the cost of your drugs and you pay your share of the cost.	
Stage 4: Catastrophic Coverage	After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$7,050, you pay \$3.95 copay for generic (including brand drugs treated as generic), and a \$9.85 copay for all other drugs.	

#### **Required Information**

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare-approved Part D sponsor. Enrollment in the plan depends on the plan's contract renewal with Medicare.

LA Limited access	The FDA only lets certain facilities or doctors give out this drug. It may require extra handling, doctor coordination or patient education.
MME Morphine milligram equivalent	Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than 1 opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.
7D 7-day limit	An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan, and have a recent history of using opioids, the limit may be overridden by having the pharmacy contact the plan.
DL Dispensing limit	Dispensing limits apply to this drug. This drug is limited to a 1-month supply per prescription.

## Additional drug coverage

### **Bonus drug list**

Your employer group or plan sponsor offers a bonus drug list. The prescription drugs on this list are covered in addition to the drugs on the plan's drug list (formulary).

The drug tier for each prescription drug is shown on the list.

Although you pay the same copay or coinsurance for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amount you pay for these additional prescription drugs does not apply to your Medicare Part D out-of-pocket costs. Payments for these additional prescription drugs (made by you or the plan) are treated differently from payments made for other prescription drugs.

Coverage for the prescription drugs on the bonus drug list is in addition to your Part D drug coverage. Unlike your Part D drug coverage, you are unable to file a Medicare appeal or grievance for drugs on the bonus drug list. If you have questions, please call Customer Service using the information on the cover of this book.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs on this bonus drug list.

This is not a complete list of the prescription drugs available to you or the restrictions and limitations that may apply through the bonus drug list. If your drug has any coverage rules or limits, there will be code(s) in the "Coverage Rules or Limits on use" column of the chart. The codes and what they mean are shown below. If you have questions about drug coverage, please call Customer Service using the information on the cover of this book.

### **QL - Quantity limits**

The plan only covers a certain amount of this drug for one copay or over a certain number of days. These limits may be in place to ensure safe and effective use of the drug.

### MME - Morphine milligram equivalent

Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than one opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.

### 7D - 7-day limit

An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan, and have a recent history of using opioids, the limit may be overridden by having the pharmacy contact the plan.

### 4. Please read this important information

If you are a member of a Medicare Advantage plan (like an HMO or PPO), you may already have prescription drug coverage through your Medicare Advantage plan that will meet your needs. By joining UnitedHealthcare® MedicareRx for Groups (PDP), your membership in your Medicare Advantage plan may end. This will affect both your doctor and hospital coverage as well as your prescription drug coverage. Read the information that your Medicare Advantage plan and your plan sponsor send you, and if you have questions, contact your Medicare Advantage plan or your plan sponsor.

UnitedHealthcare® MedicareRx for Groups (PDP) is a Medicare prescription drug plan available through your plan sponsor. If you enroll in an individual prescription drug plan in the future, you could lose your group sponsored coverage and you may not be able to re-enroll. Before you decide to change your coverage, ask your plan sponsor about your options. Counseling services may be available in my state to provide advice concerning Medicare supplement insurance or other Medicare Advantage or Prescription Drug Plan options, medical assistance through the state Medicaid program, and the Medicare Savings Program.

### 5. ATTENTION - please sign and date

I understand that my signature on this enrollment request form means that I have read and understood the contents of this enrollment request form, including the Statements of Understanding, and that the information provided by me is accurate and complete. If my plan includes outpatient prescription drug benefits, I understand that my signature on this enrollment request form means that I will be automatically enrolled in my plan's outpatient prescription drug benefits which includes Part D and supplemental prescription drug coverage. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

This enrollment request form must be signed, dated and received prior to your desired effective date. Upon receipt, the plan will process the form according to Medicare guidelines.

### 6. Authorized representative information

If I sign as an authorized representative, it means I have the legal right under state law to sign. I can show written proof (Power of attorney, guardianship, etc.) of this right if Medicare asks for it. I understand that I will need to submit written proof of this right, to the plan, if I wish to take action on behalf of the member beyond this application. After this application has been approved and I have received my UnitedHealthcare member ID card, I can call Customer Service at the number on my UnitedHealthcare member ID card to update my authorization information on file.

# Statements of understanding

### By enrolling in this plan, I agree to the following:

UnitedHealthcare® MedicareRx for Groups (PDP) is a Medicare Prescription Drug plan and has a contract with the federal government.

This prescription drug coverage is in addition to my coverage under Medicare. I need to keep my Medicare Part A and Part B, and I must continue to pay my Medicare Part B premium if I have one, and if not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.

UnitedHealthcare MedicareRx for Groups (PDP) is available in all U.S. states, the District of Columbia and all U.S. territories.

I understand that I must use network pharmacies except in an emergency when I cannot use the plan's network pharmacies.

- I can only be in one Medicare Part D Prescription Drug Plan at a time.
  - By enrolling in this plan, I will automatically be disenrolled from any other Medicare Part D Prescription Drug Plan.
  - Enrollment in this plan is generally for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.
- My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

For members of the Group Medicare Part D Prescription Drug plan.

I understand that when my coverage begins, I must get all of my prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
