Plan details

UnitedHealthcare® Group Medicare Advantage (PPO)

The Group Insurance Board has selected a UnitedHealthcare Group Medicare Advantage (PPO) plan as the It's Your Choice (IYC) Medicare Advantage plan for your health care coverage in addition to other options. The word "Group" means this is a plan designed just for an employer group or plan sponsor, like ETF. Only eligible state and local retirees can enroll in this plan.

"Medicare Advantage" is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have

You must be enrolled in Medicare Part A and Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with your local Social Security office. To find an office where you live, visit www.ssa.gov/locator or call **1-800-772-1213**, TTY **1-800-325-0778**, between 8 a.m.–5:30 p.m., Monday–Friday.
- You must continue paying your Medicare Part B premium to keep your coverage under this group-sponsored plan. If you stop your payments, you will be disenrolled from this plan and enrolled in the IYC Medicare Plus plan.
- You can choose a different IYC Medicare Health Plan if you file an application with ETF within 30 days of the date you no longer have Part B. None of these plans, including IYC Medicare Plus, will pay the benefits Part B would have paid. You will be responsible for those claim costs.

Medicare Advantage coverage:

Medicare Part A
Hospital

Medicare Part B
Doctor and outpatient

Extra programs
Beyond Original Medicare

How your Group Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan like the IYC Medicare Advantage plan.

One plan at a time

- You may be enrolled in only one Medicare Advantage plan at a time.
- The plan you enroll in last is the plan that Centers for Medicare & Medicaid Services (CMS) considers to be your final decision.
- If you enroll in another Medicare Advantage plan after your enrollment in this group-sponsored plan, you will be disenrolled from this plan.
- Any eligible family members may also be disenrolled from this group-sponsored coverage from ETF if they enroll in another Medicare Advantage plan. This means that you and your family may lose hospital/medical coverage through your plan sponsor or employer group if you do.

You must have ETF group-sponsored coverage

This IYC Medicare Advantage plan includes only medical coverage. Your prescription drug coverage will continue to be provided by Navitus Health Solutions.

- Medicare requires that your Part D coverage come through a group-sponsored plan which you have through Navitus.
- There is no need for you to sign up for any additional Part D coverage as there may be consequences such as disenrollment from your Navitus plan.

How your medical coverage works

Your plan is a Preferred Provider Organization (PPO) plan

You have access to our nationwide coverage. You can see any provider (in-network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.

View your plan information online

Once you receive your UnitedHealthcare member ID card, you can create your secure online account at: www.UHCRetiree.com/etf

You'll be able to view plan documents, find a provider and access lifestyle and learning articles, recipes, educational videos and more.

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

²Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

Getting the health care coverage you may need

Your care begins with your doctor

- With this plan, you have the flexibility to see doctors inside or outside the UnitedHealthcare network
- Unlike most PPO plans, with this plan, you pay the same share of cost in and out-of-network as long as they participate in Medicare and accept the plan, meaning they will bill UnitedHealthcare
- With your UnitedHealthcare® Group Medicare Advantage plan, you're connected to programs, resources, tools and people that can help you live a healthier life

Finding a doctor is easy

If you need help finding a doctor or a specialist, just give us a call. We can even help schedule that first appointment.

Why use a UnitedHealthcare network doctor?

A network doctor or health care provider is one who contracts with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your plan benefits. Your provider will bill us for the rest.

An out-of-network provider does not have a contract with us. With the UnitedHealthcare® Group Medicare Advantage (PPO) plan you can see any out-of-network provider that participates in Medicare and accepts the plan. You pay your plan's copay or coinsurance. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider won't accept the plan, we will contact them on your behalf.

Choosing a Primary Care Physician (PCP) or Primary Care Clinic (PCC)

ETF requires you to choose a PCP or PCC before enrolling in the IYC Medicare Advantage plan. You may write your choice on your health insurance application, or, after you are enrolled, call UnitedHealthcare to name your choice. If you do not choose a PCP or PCC, UnitedHealthcare will select one for you. You can change this at any time by contacting UnitedHealthcare.
