The Group Insurance Board has selected UnitedHealthcare® to offer the It's Your Choice (IYC) Medicare Advantage plan as a health care coverage option for all eligible program participants. We are pleased to have the opportunity to be one of your health plan choices for 2025.

This plan is a UnitedHealthcare Group Medicare Advantage (PPO) plan. The word "Group" means it is designed just for an employer group or plan sponsor like Wisconsin Department of Employee Trust Funds (ETF). Only eligible state and local retirees can enroll in this plan. We have worked closely with the ETF to offer Uniform Benefits with a nationwide network.

More from your health plan

Your PPO plan is a Medicare Advantage plan, also known as Medicare Part C. This plan has all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B). Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

Here's how this PPO plan works

Get care from providers in or out-ofnetwork as long as they accept Medicare and the plan

No referral is needed to see a specialist or other provider

Select a primary care provider (PCP) to oversee and help manage your care

It's required by the plan, and it's very beneficial for your long-term health and well-being.

You pay a standard copay or coinsurance to see a network or outof-network provider

We work closely with our network (contracted) providers to make sure they have access to resources and tools to help them work with you for better health outcomes.

This plan has separate maximum annual out-of-pocket amounts for durable medical equipment and Part A and Part B services

If you spend \$500 on durable medical equipment and supplies, the plan will pay 100% of those costs for the rest of the plan year. After you spend \$6,700 on Medicare Part A and Part B services, the plan will pay 100% of those services for the rest of the plan year. It is very unlikely that you would spend \$6,700 on this plan.

Emergency and urgently needed services are covered anywhere in the world

To search for a network provider, visit **retiree.uhc.com/etf**.

Get to know your plan

It's important that you understand your plan and what benefits are covered. You can find the Provider Directory and more at **retiree.uhc.com/etf**.

Review the online Provider Directory to see if your providers are in the network

It's okay if they're not. This plan allows you to see out-ofnetwork providers for medical care* at the same cost share as long as they accept Medicare and the plan.

Review the Summary of Benefits in this guide to see how much you'll pay for medical services

You can also review the Summary of Benefits online.

If you're not sure if you are enrolled in Medicare Part B, check with Social Security at ssa.gov/locator or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.-7 p.m., Monday-Friday, or call your local office.

You may be disenrolled from this plan if you stop paying your Medicare Part B premium.

You're eligible to enroll in this Medicare Advantage plan if you:

Are entitled to Medicare
Part A and enrolled in
Medicare Part B.

Continue to pay your Part B premium.

Remember: If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll. Limitations and restrictions vary by former employer or plan sponsor.

^{*}Hearing aid coverage under this plan is only available through UnitedHealthcare Hearing. Review the Summary of Benefits in this guide for more details.
