### **UnitedHealthcare®** Group Medicare Advantage (PPO)

Medical premium and limits		
	In-network and out-of-network	
Monthly plan premium	Refer to 2025 Health Benefits Decision Guide or etf.wi.gov/benefits-by-employer (select the name of the employer you retired from) to determine your premium amount.	
Maximum out-of-pocket amount	Your plan has 2 annual service-specific out-of-pocket maximum amounts that are combined in and out-of-network. Cost shares paid toward your durable medical equipment (DME) and supplies amount also apply to your Total amount.	
	You pay 20% of DME, up to \$500 per person, per year. The plan pays 100% of the service-specific DME and supplies costs after you meet your \$500 DME and supplies or \$6,700 Total annual out-of-pocket maximum. It is very unlikely that you spend \$6,700 on this plan.	
	The plan pays 100% of most service-specific costs after you meet your Total annual out-of-pocket maximum. See your Evidence of Coverage (EOC) to find out what's included in each out-of-pocket maximum category. <sup>†</sup>	
	If you reach the limit on out-of-pocket costs, you keep getting covered for hospital and medical services and we will pay the full cost for the rest of the plan year.	
	Please note that you will still need to pay your monthly premiums, if applicable.
