Good news for 2025

The Coverage Gap, or “donut hole”, has been eliminated and your out-of-pocket limit (the amount you and others on your behalf pay) is \$2,000. That means you're more protected from high drug costs in 2025.

Prescription drugs

Deductible	\$100 You pay the full cost for your drugs until you reach the deductible amount. Then you move to the Initial Coverage stage.
Initial coverage	In this stage, you'll pay your plan copays or coinsurance. The plan pays the rest. Once you, and others on your behalf, have paid a combined total of \$2,000, which includes the amount you paid towards your deductible, you move to the Catastrophic Coverage stage.

Prescription drugs		
Tier drug coverage (After you pay your deductible, if applicable)	Retail Cost-Sharing	Mail Order Cost-Sharing
	30-day supply	90-day supply
Tier 1: Preferred Generic	\$10 copay	\$20 copay
Tier 2: Preferred Brand ~	\$25 copay	\$50 copay
Tier 3: Non-preferred Drug ~	\$90 copay	\$180 copay
Tier 4: Specialty Tier ~	\$100 copay (limited to a 30-day supply)	\$100 copay (limited to a 30-day supply)
Catastrophic coverage	<p>Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year.</p> <p>If your plan includes additional prescription drug coverage, you will continue to pay the cost-sharing amounts from the Initial Coverage stage for those drugs. Please see your Additional Drug Coverage list for more information.</p>	

~ You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan even if you haven't paid your Part D deductible. Most adult Part D vaccines are covered at no cost to you.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at retiree.uhc.com/fairfax or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

You may qualify for Extra Help from Medicare

Extra Help is a program for people with limited incomes who need help paying Part D premiums, deductibles and copays. There's no penalty for applying, and you can re-apply every year. To see if you qualify for Extra Help, call:

- The Social Security Administration at 1-800-772-1213, TTY 1-800-325-0778
