Important information

Enrollment information

If you elect to enroll in the Medicare Advantage plan it will take over as the primary and only payer so you will not need to coordinate benefits, however, you must remain enrolled in the Choice Primary if you elect the Medicare Advantage plan. Do not suspend or cancel your coverage with OPM or you will also be terminated from the Medicare Advantage plan.

Disenrollment information

Enrollment is voluntary and retirees may opt in or out of the Medicare Advantage enhanced benefits at any time throughout the year. If you elect to disenroll from the Medicare Advantage plan you will be moved back to Original Medicare primary with the FEHB Health Plan secondary.

Medicare Part B enrollment

Being enrolled in Medicare and the UnitedHealthcare Retiree Advantage plan can help decrease your out-of-pocket health care expenses. Even though enrolling in Medicare Part B is not required in the FEHB program, there are some advantages to having both Medicare and the Retiree Advantage. The decision to be enrolled in Medicare is entirely yours, but if you do choose to enroll, it is best to act quickly. You must enroll in Medicare Part B if you wish to enroll in UnitedHealthcare Retiree Advantage.

Medicare Part B Late Enrollment Penalty (LEP)

If you didn't get Medicare Part B when you were first eligible, your monthly premium may go up. In most cases, you'll have to pay this penalty each time you pay your premiums, for as long as you have Medicare Part B. You must continue paying your Medicare Part B premium to be eligible for coverage under this UnitedHealthcare FEHB-sponsored Medicare Advantage plan. If you stop paying your Medicare Part B premium, you may be disenrolled from this plan.

Medicare Part D Late Enrollment Penalty (LEP)

Once you become a UnitedHealthcare Retiree Advantage plan member, you will receive a letter to confirm you have had continuous prescription drug coverage. If you had coverage through the UnitedHealthcare FEHB health plan or another FEHB plan since you became Medicare eligible, you had what is known as "creditable coverage" and a penalty will not apply. You simply need to respond to the letter as quickly as possible to avoid an unnecessary penalty.

Income-Related Monthly Adjustment Amount (IRMAA)

IRMAA is an amount Social Security determines you may need to pay in addition to your monthly Part B and Part D premium if your modified adjusted gross income on your IRS tax return from 2 years ago is above a certain limit. The UnitedHealthcare Retiree Advantage plan's included prescription drug coverage is considered a Part D plan therefore if you currently have a Part B IRMAA then you may incur an additional Part D IRMAA when enrolling in this plan.

Copay cards

In most cases, coupons and prescription drug copay cards can't be used with a Part D plan. Copay cards include disclaimer language that state that they can't be used with Federal health care programs. Part D prescription drug plans are a Federal program.

Benefits, features and/or devices vary by plan/area. Limitations and exclusions apply.

¹Out-of-pocket maximum excludes premiums, prescription drug costs, and non-Medicare covered benefits.

²Allowance for unlimited aids every 3 years. Allowance is combined for both ears.

³Combined medical & pharmacy out-of-pocket max.

This information is not a complete description of benefits. Contact the plan for more information.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare.

Good news for 2025

The Coverage Gap, or “donut hole”, has been eliminated and your out-of-pocket limit (the amount you and others on your behalf pay) is \$2,000. That means you're more protected from high drug costs in 2025.

Prescription drugs		
Deductible	The plan does not have a prescription drug deductible. Your coverage starts in the Initial Coverage stage.	
Initial coverage	In this stage, you'll pay your plan copays or coinsurance. The plan pays the rest. Once you, and others on your behalf, have paid a combined total of \$2,000 you move to the Catastrophic Coverage stage.	
Tier drug coverage (After you pay your deductible, if applicable)	Retail Cost-Sharing	Mail Order Cost-Sharing
	30-day supply	90-day supply
Tier 1: Preferred Generic	\$5 copay	\$10 copay
Tier 2: Preferred Brand ~	\$25 copay	\$50 copay
Tier 3: Non-preferred Drug ~	\$60 copay	\$120 copay
Tier 4: Specialty Tier ~	\$90 copay	\$180 copay
Catastrophic coverage	Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year.	

Prescription drugs

~ You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan. Most adult Part D vaccines are covered at no cost to you.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

UHC Feds FEHB Retiree Advantage Plan offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at retiree.uhc.com/fehbra or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

You may qualify for Extra Help from Medicare

Extra Help is a program for people with limited incomes who need help paying Part D premiums, deductibles and copays. There's no penalty for applying, and you can re-apply every year. To see if you qualify for Extra Help, call:

- The Social Security Administration at 1-800-772-1213, TTY 1-800-325-0778

Covered drugs are placed in tiers. Each tier may have a different cost. See the Summary of Benefits to find out what you'll pay for these drugs.

Although you pay the same copay for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amount you pay for these additional prescription drugs **does not apply to your Medicare Part D out-of-pocket costs**. Payments for these additional prescription drugs (made by you or the plan) are treated differently from payments made for other prescription drugs.

Coverage for the prescription drugs on the bonus drug list is in addition to your Medicare prescription drug coverage under the plan. Unlike your Medicare prescription drug coverage under the plan, you are unable to file a Medicare appeal or grievance for drugs on the bonus drug list.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs on this bonus drug list.

If your drug has any coverage rules or limits, there will be code(s) in the "Coverage rules or limits on use" column of the chart. The codes and what they mean are shown below.

QL - Quantity limits

The plan will only cover a certain amount of this drug for one copay or over a certain number of days. These limits can help ensure safe and effective use of the drug.

MME - Morphine Milligram Equivalent

Additional quantity limits may apply to all opioid drugs used to treat pain. This additional limit is called a cumulative Morphine Milligram Equivalent (MME). It's designed to monitor safe dosing levels of opioids for people who may be taking more than one opioid drug for pain management. If your doctor or prescriber prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor or prescriber can ask the plan to cover the additional quantity.

7D - 7-day limit

An opioid drug used to treat pain may be limited to a 7-day supply if you don't have a recent history of using opioids. This limit helps minimize long-term opioid use. If you are new to the plan and have a recent history of using opioids, the pharmacy may override the limit when appropriate.

DL - Dispensing limit

Dispensing limits apply to this drug. This drug is limited to a one-month supply per prescription.

Statements of understanding

By enrolling in this plan, I agree to the following:

- ✓ **This is a Medicare Advantage Plan contracted with the federal government. This is not a Medicare Supplement Plan.**

I need to keep my Medicare Part A and Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.
- ✓ **I must continue to pay my FEHBP or PSHBP premium and not cancel or suspend my FEHBP or PSHBP coverage with the Office of Personnel Management (OPM), or I will be disenrolled from this Medicare Advantage plan.**
- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.
- ✓ **I can only have one Medicare Advantage or Prescription Drug Plan at a time.**
 - Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
 - If I enroll in a different Medicare Advantage Plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
 - If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**

Medicare may also release my information for research and other purposes that follow all applicable federal statutes and regulations.
- ✓ **For members of the Group Medicare Advantage Plan.**

I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
