Important information

Enrollment information

If you elect to enroll in the Medicare Advantage plan it will take over as the primary and only payer so you will not need to coordinate benefits, however, you must remain enrolled in the Choice Plus Primary if you elect the Medicare Advantage plan. Do not suspend or cancel your coverage with OPM or you will also be terminated from the Medicare Advantage plan.

Disenrollment Information

Enrollment is voluntary and retirees may opt in or out of the Medicare Advantage enhanced benefits at any time throughout the year. If you elect to disenroll from the Medicare Advantage plan you will be moved back to Original Medicare primary with the FEHB Health Plan secondary.

Medicare Part B enrollment

Being enrolled in Medicare and the UnitedHealthcare Retiree Advantage plan can help decrease your out-of-pocket health care expenses. Even though enrolling in Medicare Part B is not required in the FEHB program, there are some advantages to having both Medicare and Retiree Advantage. The decision to be enrolled in Medicare is entirely yours, but if you do choose to enroll, it is best to act quickly. You must enroll in Medicare Part B if you wish to enroll in Retiree Advantage.

Medicare Part B Late Enrollment Penalty (LEP)

If you didn't get Medicare Part B when you were first eligible, your monthly premium may go up. In most cases, you'll have to pay this penalty each time you pay your premiums, for as long as you have Medicare Part B. You must continue paying your Medicare Part B premium to be eligible for coverage under this UnitedHealthcare FEHB-sponsored Medicare Advantage plan. If you stop paying your Medicare Part B premium, you may be disenrolled from this plan.

Medicare Part D Late Enrollment Penalty (LEP)

Once you become a UnitedHealthcare Retiree Advantage plan member, you may receive a letter to confirm you have had continuous prescription drug coverage. If you had coverage through the UnitedHealthcare FEHB health plan or another FEHB plan since you became Medicare eligible, you had what is known as "creditable coverage" and a penalty will not apply. You simply need to respond to the letter as quickly as possible to avoid an unnecessary penalty.

Income-Related Monthly Adjustment Amount (IRMAA)

IRMAA is an amount Social Security determines you may need to pay in addition to your monthly Part B and Part D premium if your modified adjusted gross income on your IRS tax return from 2 years ago is above a certain limit. The UnitedHealthcare Retiree Advantage plan's included prescription drug coverage is considered a Part D plan therefore if you currently have a Part B IRMAA then you may incur a Part D IRMAA when enrolling in this plan.

Copay cards

In most cases, coupons and prescription drug copay cards can't be used with a Part D plan. Copay cards include disclaimer language that state that they can't be used with federal health care programs. Part D prescription drug plans are a federal program.

[1]Out-of-pocket maximum excludes premiums, prescription drug costs, and non-Medicare covered benefits.

[2]Allowance for unlimited aids every 3 years. Allowance is combined for both ears.
