What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount Social Security determines you may need to pay in addition to your monthly plan premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit. This extra amount is paid directly to Social Security, not to your plan.

Social Security will contact you if you have to pay IRMAA.

More from your health plan

Your PPO plan is a Medicare Advantage plan, also known as Medicare Part C. This plan has all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B). Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

Here's how this PPO plan works

Get care from providers in or out-of-network as long as they accept Medicare and the plan

No referral is needed to see a specialist or other provider

Select a primary care provider (PCP) to oversee and help manage your care

It's not required by the plan, but it's very beneficial for your long-term health and well-being.

You pay a standard copay or coinsurance, or \$0 in some cases, to see a provider in or out-of-network

We work closely with our network (contracted) providers to make sure they have access to resources and tools to help them work with you for better health outcomes.

This plan has separate maximum annual out-of-pocket amounts for medical and prescription drugs

If you reach your plan's medical limit, the plan will pay 100% of your Medicare-covered services for the rest of the plan year. After you and others on your behalf have paid a combined total of \$2,100 for your prescription drugs, you won't pay anything for your Medicare-covered Part D drugs for the rest of the calendar year.

Emergency and urgently needed services are covered anywhere in the world

This plan includes prescription drug coverage for thousands of brand name and generic drugs

To search for a network provider or pharmacy, visit retiree.uhc.com/frb. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

More ways to learn about your plan

It's important that you understand your plan and what benefits are covered. You can find the Drug List, Provider and Pharmacy directories and more at retiree.uhc.com/frb.

Review the online Drug List to see what prescription drugs are covered

And what drug tier they are in. Generally, the lower the drug tier, the less you'll pay.

Review the online Provider Directory to see if your providers are in the network

It's okay if they're not. This plan allows you to see out-of-network providers at the same cost share as long as they accept Medicare and the plan.

Review the online Pharmacy Directory to see what pharmacies are in our network

If your pharmacy is not in the network, you will need to select a new network pharmacy to pay your plan's lowest cost for prescription drugs.

Review the Summary of Benefits in this guide to see how much you'll pay for medical services and prescription drugs

You can also review the Summary of Benefits online.

If you're not sure if you are enrolled in Medicare Part B, check with Social Security at ssa.gov/locator or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

You may be disenrolled from this plan if you stop paying your Medicare Part B premium.

You're eligible to enroll in this plan if you:

Are entitled to Medicare Part A and enrolled in Medicare Part B.

Continue to pay your Part B premium (unless it's paid for you).

Remember: If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll. Limitations and restrictions vary by former employer or plan sponsor.

Catastrophic coverage

Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year.

If your plan includes additional prescription drug coverage, you will continue to pay the cost-sharing amounts from the Initial Coverage stage for those drugs. Please see your Additional Drug Coverage list for more information.

~ Subject to Medicare guidance, coinsurance may not apply to Part D insulin products. You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan. Most adult Part D vaccines are covered at no cost to you.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at retiree.uhc.com/frb or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

You may qualify for Extra Help from Medicare

Drugs with coverage rules or limits are noted in the chart and described below.

QL - Quantity limits

The plan will only cover a certain amount of this drug for one copay or over a certain number of days. These limits can help ensure safe and effective use of the drug.

MME - Morphine Milligram Equivalent

Additional quantity limits may apply to all opioid drugs used to treat pain. This additional limit is called a cumulative Morphine Milligram Equivalent (MME). It's designed to monitor safe dosing levels of opioids for people who may be taking more than one opioid drug for pain management. If your doctor or prescriber prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor or prescriber can ask the plan to cover the additional quantity.

7D - 7-day limit

An opioid drug used to treat pain may be limited to a 7-day supply if you don't have a recent history of using opioids. This limit helps minimize long-term opioid use. If you are new to the plan and have a recent history of using opioids, the pharmacy may override the limit when appropriate.

DL - Dispensing limit

Dispensing limits apply to this drug. This drug is limited to a one-month supply per prescription.

Statements of understanding

By enrolling in this plan, I agree to the following:

- ✓ **This is a Medicare Advantage Plan contracted with the federal government. This is not a Medicare Supplement Plan.**
I need to keep my Medicare Part A and Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.
- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**
I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.
- ✓ **I can only have one Medicare Advantage or Prescription Drug Plan at a time.**
 - Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
 - If I enroll in a different Medicare Advantage Plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
 - If I disenroll from this plan, I will be automatically transferred to Original Medicare.
 - Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.
- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**
Medicare may also release my information for research and other purposes that follow all applicable federal statutes and regulations.
- ✓ **For members of the Group Medicare Advantage Plan.**
I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
