~ Subject to Medicare guidance, coinsurance may not apply to Part D insulin products. You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan. Most adult Part D vaccines are covered at no cost to you.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

G.E.H.A offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at retiree.uhc.com/GEHA or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.
