As a UnitedHealthcare Medicare Advantage plan member, you get all the benefits of original Medicare, plus additional benefits and some great extra programs.

HouseCalls — Enjoy a preventive care visit in the privacy of your own home

With UnitedHealthcare® HouseCalls, you get a yearly in-home visit from one of our health care practitioners at no extra cost. A HouseCalls visit is designed to support, but not take the place of your regular provider's care.

Every visit includes tailored recommendations on health care screenings and a chance to:

- Review current medications
- Receive education, prevention tips, care and resource assistance, if needed
- Get advice and ask questions on how to manage health conditions
- Receive referrals to other health services and more
- At the end of the visit, our health care practitioner will leave a personalized checklist and send a summary to your regular doctor
- HouseCalls may not be available in all areas

To schedule your HouseCall, call toll-free **1-866-447-7868**, TTY **711**, 8 a.m.–8:30 p.m. ET, Monday–Friday.

Teladoc visits are good for minor health concerns like:
