Group Medicare Advantage

With the IBM Group Medicare Advantage plan options, you get more

IBM has selected UnitedHealthcare® to provide health care and prescription drug coverage to their Medicare-eligible retirees. You have the opportunity to participate in one of two IBM-sponsored Group Medicare Advantage plan options - the Enhanced or the Essential plan. When you enroll in one of these Medicare Advantage plans for health coverage, you must also enroll in the matching prescription drug plan - Enhanced with Enhanced, or Essential with Essential.

These plans are designed exclusively for IBM participants who are eligible for Medicare. They combine the benefits of individual Medicare Supplement and Medicare Advantage plans with features that are not available through individual plans.

Keep in mind that the IBM subsidy is only available when you enroll in one of the IBM-sponsored Group Medicare Advantage and prescription drug plan options.

Important eligibility information

Medicare has eligibility requirements to be enrolled in a Medicare Advantage plan. You're eligible to enroll in one of the IBM plan options if you:

- Are enrolled in Medicare Parts A and B
- Continue paying your Medicare Part B premium
- Have a permanent street address (this can't be a P.O. Box)
- Have your Medicare ID number
- Live within the 50 United States, the District of Columbia or U.S. territories

If you aren't enrolled in Medicare Parts A and B, and/or you live outside the 50 United States, the District of Columbia, or U.S. territories, you should contact Social Security at

1-800-772-1213, TTY **1-800-325-0778**, between 8 a.m.–7 p.m., Monday–Friday, or call your local office.

Read through this Plan Guide to get to know your Medicare Advantage plan options

The guide includes:

- Descriptions of the two plans options and how they work
- Information about benefits, programs and services and how much they cost
- What you can expect after you're enrolled in a plan

We can help you get access to the care you need when you need it. Let us help you find ways to save money on your health care so you can focus on what matters most to you.

If any conflict should arise between the content of this communication (including accompanying material) and the official documents, or if any point is not discussed in this communication or is only partially discussed, official documents of the IBM retiree medical plan ("Plan") will govern in all cases. As always, IBM reserves the right, in its sole discretion, to amend and/or terminate the Plan and any of IBM's other benefit plans.

More from your health plan

The Enhanced Plan and Essential Plan are Medicare Advantage plans, also known as Medicare Part C. They have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B). Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

Here's how these plans work

Get care from providers in or out-of-network as long as they accept Medicare and the plan

You don't need a referral to see a specialist or other provider

Select a primary care provider (PCP) to oversee and help manage your care

It's not required by the plan, but it's very beneficial for your long-term health and well-being.

You pay a standard copay or coinsurance, or \$0 in some cases, to see a provider in or out-of-network

We work closely with our network (contracted) providers to make sure they have access to resources and tools to help them work with you for better health outcomes.

These plans have a maximum annual out-of-pocket amount

If you reach the limit, the plan will pay 100% of your Medicare-covered services for the rest of the plan year.

Emergency and urgently needed services are covered anywhere in the world

To search for a network provider, visit retiree.uhc.com/ibm.

More ways to learn about the plans

It's important that you understand your plan options and what benefits are covered. You can find the Provider Directory and more at retiree.uhc.com/ibm.

Review the online Provider Directory to see if your providers are in the network

It's okay if they're not. This plan allows you to see out-of-network providers at the same cost share as long as they accept Medicare and the plan.

Review the Summary of Benefits in this guide to see how much you'll pay for medical services

You can also review the Summary of Benefits online.

You're eligible to enroll in a plan if you meet IBM eligibility requirements and you:

Are entitled to Medicare Part A and enrolled in Medicare Part B.

Continue to pay your Part B premium (unless it's paid for you).

Remember: If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll until the next IBM Open Enrollment period.

 - Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
 - If I enroll in a different Medicare Advantage Plan, I will be automatically disenrolled from this plan.
 - If I disenroll from this plan, I will be automatically transferred to Original Medicare.
 - Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.
- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**
Medicare may also release my information for research and other purposes that follow all applicable federal statutes and regulations.
