Plan Details

UnitedHealthcare® Group Medicare Advantage (PPO)

Iron Road has chosen a UnitedHealthcare Group Medicare Advantage plan. The word “Group” means this is a plan designed just for a former employer or plan sponsor like yours. Only eligible members of Iron Road can enroll in this plan. “Medicare Advantage” is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, you should contact the Railroad Retirement Board
- You must continue paying your Medicare Part B premium to be eligible for coverage under this group-sponsored plan
- If you stop paying your Medicare Part B premium, you may be disenrolled from this plan
- You must continue paying your premium to Iron Road

How your Group Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

✓ One plan at a time

- You may be enrolled in only one Medicare Advantage plan
- The plan you enroll in last is the plan that the Centers for Medicare & Medicaid Services (CMS) considers to be your final decision
- If you enroll in another Medicare Advantage plan after your enrollment in this group sponsored plan, you will be disenrolled from this plan and your Part D plan

✓ You must have employer group-sponsored coverage

Your UnitedHealthcare group-sponsored Medicare Advantage plan includes only medical coverage. It does not include prescription drug coverage. Your Part D prescription drug coverage will continue to be administered by OptumRx®. You must be enrolled in both the medical and prescription drug plans to receive any Iron Road sponsored coverage.

- If you enroll in an individual Part D prescription drug plan, you will be disenrolled from your plan sponsored UnitedHealthcare Group Medicare Advantage (PPO) plan

Remember: If you opt out of your group-sponsored coverage, you may not be able to re-enroll. Before deciding to opt out, ask Iron Road what it means if you decline this coverage.

How your medical coverage works

	In-network	Out-of-network
Can I continue to see my doctor/specialist?	Yes	Yes, as long as they participate in Medicare and accept the plan ¹
Do I need to choose a primary care provider (PCP)?	No, but recommended	No, but recommended
Do I need a referral to see a specialist?	No	No
Can I go to any hospital?	Yes	Yes, as long as they participate in Medicare and accept the plan ¹
Are emergency and urgently needed services covered?	Yes	Yes
Are there any situations when a doctor will balance bill me?	Under this plan, you are not responsible for any balance billing. You will continue to pay \$0 to see any provider (in-network or out-of-network) as long as they are eligible to participate in the Medicare Program.	

View Your Plan Information Online

Once you receive your UnitedHealthcare member ID card, you can create your secure online account at: retiree.uhc.com/ironroad

You'll be able to view plan documents, find a provider, and access lifestyle and learning articles, recipes, educational videos and more.

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

²Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

Getting the health care coverage you may need

Your care begins with your doctor

- With this plan, you have the flexibility to see doctors inside or outside the UnitedHealthcare network.
- Even though it's not required, it's important to have a primary care provider.
- You will continue to pay \$0 to see any provider (in-network or out-of-network) as long as they are eligible to participate in the Medicare Program.
- With your UnitedHealthcare Group Medicare Advantage plan, you're connected to programs, resources, tools and people that can help you live a healthier life.

Finding a doctor is easy

If you need help finding a doctor or specialist, just give us a call. We can even help schedule that first appointment. When you call your doctor, tell them you have a Medicare Advantage PPO plan.

Why use a UnitedHealthcare network doctor?

A network doctor or health care provider is contracted with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your plan benefits. Your provider will bill us for the rest.

An out-of-network provider does not have a contract with us. With the UnitedHealthcare Group Medicare Advantage (PPO) plan, you can see any out-of-network provider. You pay your copay or coinsurance according to your plan benefits. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider won't accept the plan, we will contact them on your behalf.

If a provider refuses to directly bill us, they may ask that you pay the full allowable amount upfront. In that case, you can pay the doctor and then submit a claim to us. You'll be reimbursed for the cost of the claim minus your cost share.
