

# Frequently asked questions

## **Lumen MAPD + Dental plan insured by UnitedHealthcare<sup>®</sup>**

### **1. Why is Lumen introducing this retiree option?**

We regularly review and evaluate Lumen-provided retiree benefits against the retiree marketplace. With Medicare Advantage gaining popularity within the retiree space, Lumen wanted to provide a group-sponsored option available only to our eligible retirees and dependents. This Lumen MAPD + Dental option delivers generous, market-competitive benefits, confidence in continuing to see your chosen provider, and a formulary (drug list) covering 97% of Medicare Part D eligible drugs with \$0 catastrophic pharmacy coverage. There is no underwriting requirement to enroll in this plan.

### **2. If I enroll in this plan, will I still have Original Medicare?**

Yes. Original Medicare is provided by the federal government and includes Medicare Part A (helps pay for hospital stays, inpatient care) and Medicare Part B (helps pay for provider visits, outpatient care). Once you have Original Medicare, you can look at additional coverage options offered by private insurance companies.

- One option is a Medicare Supplement plan with a separate Prescription Drug (Part D) plan
- Another option is a Medicare Advantage plan (Part C), which combines Original Medicare Part A & Part B coverage in one plan. Many Medicare Advantage plans also include Prescription Drug (Part D) coverage

You must continue paying your Medicare Part B premium to be eligible for coverage under this group-sponsored plan.

### **3. What is the premium for the MAPD + Dental Plan?**

This plan is being offered to eligible Lumen retirees and dependents at a contribution of \$0-\$140 per month, depending on your current HRA/SHARE company subsidy cap. If you have questions regarding your premium amount, contact The Lumen Health and Life Service Center at Businessolver at **833-925-0487** or go to **[lumen.com/healthbenefits](https://lumen.com/healthbenefits)**.

### **4. What is the maximum medical out-of-pocket and what applies to it?**

This plan includes a \$950 annual medical out-of-pocket maximum which is the most you will pay during a calendar year. All Medicare covered copays and coinsurances accumulate towards the out-of-pocket maximum.

## **5. Is this a UnitedHealthcare Medicare Advantage plan that's advertised on TV?**

No. This is a custom Group Medicare Advantage PPO plan designed exclusively for eligible Lumen retirees and dependents with additional benefits and features; available on a national basis, including all U.S. territories. This plan is different and should not be confused with individual UnitedHealthcare Medicare Advantage plans that might be available in your area.

## **6. How does this plan work with Veterans Affairs (VA) benefits or Tricare?**

The Lumen MAPD + Dental plan is separate from VA benefits. If retirees seek care from a VA facility, they should continue to use their VA identification. If retirees choose to seek care from a private facility, they would use their Lumen MAPD + Dental plan ID card. Tricare will coordinate with the Lumen MAPD + Dental plan as a secondary payer. Retirees will need notify their provider during the visit that they have Tricare coverage. The provider will bill UHC primary and then Tricare secondary.

## **Lumen-specific enrollment**

### **7. If I enroll in the Lumen MAPD + Dental plan, what will happen to my other Lumen medical HRA and dental benefits?**

If you are Medicare-eligible and enroll in the Lumen MAPD + Dental plan, all other Lumen benefit plans, i.e. medical HRA and retiree dental, will be suspended.

### **8. If I enroll in the Lumen MAPD + Dental plan this year, can I go back to HRA the following year?**

Yes, each year during Annual Enrollment you will have the choice between the Lumen MAPD + Dental plan and the HRA benefit.

### **9. What happens to my eligible dependent's coverage if he/she is under 65 and/or not eligible for Medicare?**

Lumen eligible dependents who are currently enrolled in a Lumen health plan but are not Medicare-eligible will remain in their current group plan.

### **10. Will a surviving dependent continue to be covered under this plan if something happens to the retiree?**

A surviving dependent should contact the Lumen Health and Life Service Center at Businessolver at **833-925-0487** or Internationally at **317-671-8494**, Monday–Friday, 7 a.m.–7 p.m. (CST).

### **11. Can I keep my Lumen Retiree Dental plan?**

No. The Lumen MAPD + Dental plan includes comprehensive dental coverage. If you choose this plan, your previous Lumen Retiree Dental plan will automatically be suspended.

## HRA/SHARE subsidy

For SHARE and Legacy Qwest Occupational populations, out-of-pocket expenses can still be submitted for reimbursement against your HRA/SHARE balance.

### **12. If I enroll in the Lumen MAPD + Dental plan, what happens to my SHARE account?**

If you have a SHARE balance, you may pay for the Lumen MAPD +Dental premiums directly from your Share account. Go to [lumen.com/healthbenefits](https://lumen.com/healthbenefits) or contact the Lumen Health and Life Service Center at Businessolver at **833-925-0487** or Internationally at **317-671-8494**, Mon.–Fri., 7 a.m. –7 p.m. (CST) for details. You can also continue to submit eligible expenses for reimbursement from your SHARE account.

### **13. If I enroll in the Lumen MAPD + Dental plan, what happens to my CS HRA account?**

Your CS HRA account will be suspended, and no new funding will be loaded for the 2024 plan year. You will be able to submit claims for reimbursement from the remaining 2023 funds for claims/premiums incurred by December 31, 2023, and submit by the deadline of March 31, 2024.

### **14. If I enroll in the Lumen MAPD + Dental plan, what happens to my Legacy Qwest Occupational HRA account?**

No new funding will be loaded into your 2024 LQ Occ HRA account. You still have the option to submit eligible expense claims for reimbursement from the previous balances that have accrued over time and rolled over year-after-year.

### **15. Can I cover my eligible dependents on this Lumen MAPD + Dental plan while I take the HRA/SHARE (or vice versa)?**

No, if both retiree and eligible dependents are Medicare-eligible, then both must enroll in the same plan. However, if one member of the household is not Medicare-eligible, i.e. under age 65, then that person would remain on their current plan, while the Medicare-eligible person could choose this plan.

## Medicare Supplement

### **16. Should I keep my Medicare Supplement plan?**

Medicare Supplement plans do not work with Medicare Advantage plans, and you would not be able to use your Medicare Supplement to pay for any health care coverage.

If you choose to enroll in the Lumen MAPD + Dental plan, you will need to actively disenroll from any Medicare Supplement plan when you receive your Medicare Advantage member ID card, otherwise, you will be paying for two different plans that do not coordinate payment. UnitedHealthcare will remind you about disenrolling from your Medicare Supplement plan. To disenroll in your Medicare Supplement plan, please call your Medicare Supplement insurance company.

If you are currently enrolled in a Medicare Supplement plan and new to Medicare Advantage, you can try the Lumen MAPD + Dental plan for one (1) year and still have the option to go back to your former Medicare Supplement plan and carrier during Lumen's next Annual Enrollment period on a guaranteed issue basis<sup>2</sup>.

You may receive/have received Medicare Supplement billing materials or drug list for the coming year. If you choose to enroll in the Lumen MAPD + Dental plan, you may disregard any Medicare Supplement billing materials for the upcoming year after you have disenrolled from your Medicare Supplement plan.

## Prescription Drug Coverage

To find out if your prescriptions are covered, or for any other questions about this plan, please call UnitedHealthcare Customer Service at **844-588-5873**, TTY **711**, 8 a.m.–8 p.m. local time, Monday–Friday.

### **17. Will my current medications continue to be covered at my local pharmacy?**

The Lumen MAPD + Dental plan has a large formulary (drug list) uniquely designed for Lumen retirees and eligible dependents to cover nearly all eligible Medicare Part D medications. The majority, if not all your current medications would continue to be covered.

Additionally, this plan includes an expanded pharmacy network with thousands of national chain, regional and independent local retail pharmacies across the 50 United States, the District of Columbia and U.S. territories. This pharmacy network is substantially larger than many offered on the individual market, which may result in your current pharmacy continuing to be in-network.

### **18. Will I need to change my prescriptions?**

In most cases, you will not need to change your prescriptions. This plan covers all Medicare Part D eligible drugs except some medications that are considered high risk for a Medicare population. You or your physician may request an exception for review to be covered.

### **19. Will the cost of my prescriptions change with the plan?**

Your cost for prescriptions may change. What you pay will depend on what drug cost tier your prescription falls into. Your cost may also change during the year based on the total cost of the prescriptions you have filled.

### **20. Will my current prescriptions be covered under this plan?**

The plan guide will provide information on your formulary (drug list) and plan design. We also recommend calling UnitedHealthcare Customer Service at **844-588-5873**, TTY **711**, 8 a.m.–8 p.m. local time, Monday–Friday.

## **21. Will my mail order/home delivery prescriptions transfer?**

If you are currently enrolled in a Part D plan provided by Optum Rx through UnitedHealthcare, your mail order/home delivery prescriptions will transfer automatically.

We are not able to transfer your prescriptions from your current mail order pharmacy. We encourage you to have your provider write you a new prescription to be filled at Optum® Home Delivery through Optum Rx Pharmacy.

Beginning January 1, 2024, your Preferred Mail Order Provider will be Optum Rx Pharmacy. Once you are enrolled, the UnitedHealthcare Quick Start Guide you receive will include Optum Rx Pharmacy contact information.

## **22. What is Medicare Part D IRMAA and does it apply to me?**

IRMAA stands for Income-Related Monthly Adjustment Amount. Similar to Medicare Part B, high-income earners will pay more for their Medicare Part D coverage. If you are subject to IRMAA, Social Security will send you a letter. The letter will explain how they determined the amount you must pay and the actual IRMAA amount. Neither Lumen nor your Health Plan determine who will be subject to IRMAA. Therefore, if you disagree with the amount you must pay, contact the Social Security Administration. You can:

- Go online to **ssa.gov**
- Call Social Security toll-free at **800-772-1213**, TTY **800-325-0778**
- Visit your local Social Security office

\*These amounts are accurate for 2022.

## **23. What if I have trouble paying for my prescription drugs?**

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. If you qualify, Extra Help could pay up to 75% or more of your drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year. Call Social Security toll-free at **800-772-1213**, TTY **800-325-0778**.

## **24. Will I be penalized if I did not previously have drug coverage?**

It depends on whether or not you had "creditable" prescription drug coverage from the time you first became eligible for Medicare Part D. Creditable coverage means that your prescription drug coverage was at least as good as, or better than, what Medicare requires. If you had a Medicare Part D plan, you had creditable coverage. If you had creditable prescription drug coverage through another source, such as a spouse's employer plan, you should have received a certificate of creditable coverage. If you were eligible for Medicare Part D and you did not have any prescription drug coverage for more than 63 days, Medicare will determine if you need to pay a Late Enrollment Penalty (LEP) for the length of time you were eligible but did not have Medicare Part D coverage.

## Network and Service Area

### **25. Can I continue to see my current provider?**

The Lumen MAPD + Dental plan is a unique Preferred Provider Organization (PPO) plan that allows you to see any Medicare-willing provider (in-network or out-of-network) at the same cost share, as long as the provider accepts the plan. More than 99.9% of members continue to have access to their chosen providers.<sup>1</sup>

### **26. How do I find a dental provider that is in-network?**

Go to [lumen.com/MAPD](https://lumen.com/MAPD) and click on the “Find a provider” page. No additional premium is required for dental coverage within the Lumen MAPD + Dental plan.

### **27. What is the difference between in-network and out-of-network providers?**

In-network providers have a contract with UnitedHealthcare. Out-of-network providers do not have a contract with UnitedHealthcare. With this PPO plan, you can see any provider (in-network or out-of-network) at the same cost share. Members of the Lumen MAPD + Dental plan have access to over 830,000 in-network providers and any other Medicare provider accepting the plan.

### **28. How are out-of-network claims processed?**

Whether your provider is in-network or out-of-network, your provider can submit claims to UnitedHealthcare online. If needed, the UnitedHealthcare claim address information is provided on your UnitedHealthcare member ID card and in your Quick Start Guide which, if you enroll, you will receive once your enrollment has been accepted by the Centers for Medicare and Medicaid Services (CMS). UnitedHealthcare processes claims payments for out-of-network providers in compliance with all federal regulations.

### **29. Are there any situations when a provider bills me directly for the difference between what UnitedHealthcare pays and the total charges (also known as ‘balance billing’)?**

No. Under this plan, you are protected from any balance billing. When you go out-of-network for care, this plan pays providers just as much as Medicare would have paid (up to the Medicare Limiting Charge), and you pay the same copayment as if you had stayed in the network. If your provider tries to balance bill you, please contact UnitedHealthcare. Please note that UnitedHealthcare cannot pay more than what Medicare would have paid.
