

See how Phyllis chooses the right health plan

Phyllis¹ is retiring soon and needs to choose a medical and pharmacy plan

Phyllis isn't sure which plan is best for her. She's starting to get a lot of mail and telephone advertisements from insurance companies, and all of the information is becoming overwhelming.

Phyllis is looking forward to traveling and is looking for a plan that travels with her. She likes that the MyFlorida Medicare Advantage (PPO) plan is a custom plan, sponsored by State of Florida and administered by UnitedHealthcare[®] that offers national coverage and worldwide emergency care.

After comparing, Phyllis learned that choosing the MyFlorida Medicare Advantage plan would mean:
