You may also contact NMRHCA at **1-800-233-2576** for enrollment information.

Take control of your health

Let us help you find ways to save money on your prescription drugs so you can focus on what matters most to you.

Understanding your Medicare Part D

What is Medicare Part D?

Original Medicare Part A (hospital coverage) and Part B (doctor and outpatient care) help pay for some of your health care costs, but they don't cover many prescription drugs. Medicare Part D plans help with prescription drug costs. If you enroll in the NMRHCA UnitedHealthcare plan, you are automatically enrolled in Part D coverage.

Do I have to enroll in a Medicare Part D plan?

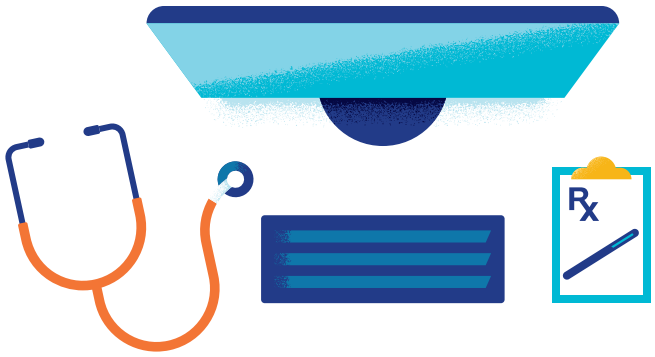

Enrolling in a Part D plan is your choice, but delaying your enrollment could cost you more money in the long run. If you do not enroll in a Part D plan when you first become eligible, you may incur a Late Enrollment Penalty (LEP), which is a late fee Medicare charges if you had 63 days or more without creditable prescription drug coverage. This can happen if:

- You didn't enroll in a Medicare prescription drug plan when you were first eligible
- You didn't have a plan that met Medicare's minimum standards

The LEP is added to your monthly premium every month and billed to you separately by UnitedHealthcare.

When you become a plan member, your former employer or plan sponsor will be asked to confirm that you have had continuous Medicare Part D coverage. **If your former employer or plan sponsor asks for information about your prescription drug coverage history, please respond as quickly as possible to avoid an unnecessary LEP.**

Your prescription drug coverage

This plan has a comprehensive drug list and a broad pharmacy network to support your health.

Here's how this Medicare Part D plan works:

Covered drugs are grouped into tiers
Generally, the lower the tier, the less you'll pay. All drugs in the Drug List are assigned to one of these tiers.
Tier 1: Preferred Generic
Tier 2: Preferred Brand
Tier 3: Non-Preferred Drug
Tier 4: Specialty Tier

Your plan's drug coverage stages and costs
Initial coverage – You pay a copay or coinsurance (percentage of a drug's total cost) for covered drugs.
Catastrophic coverage – After you and others on your behalf have paid a combined total of $2,400 for your prescription drugs, you won't pay anything for your Medicare-covered Part D drugs for the rest of the calendar year.

Always use network pharmacies
There are thousands of network pharmacies you can go to — including local and national options. Be sure to use a network pharmacy, or the plan may not pay for your prescriptions, except in an emergency. To search for a network pharmacy, visit **retiree.uhc.com/NMRHCA**.

Enjoy the convenience of prescriptions delivered right to your door
Optum® Home Delivery Pharmacy is part of our network.* Optum Home Delivery Pharmacy will send the medications you take regularly right to your door with no cost for standard shipping.

Get to know your plan

It's important that you understand your plan and what benefits are covered. You can find the Drug List, Pharmacy Directory and more at **retiree.uhc.com/NMRHCA**.

Review the online Drug List (Formulary) to see what prescription drugs are covered
And what drug tier they are in. Generally, the lower the drug tier, the less you'll pay.

Review the online Pharmacy Directory to see what pharmacies are in our network
If your pharmacy is not in the network, you will need to select a new network pharmacy to pay your plan's lowest cost for prescription drugs.

Review the Summary of Benefits in this guide to see how much you'll pay for prescription drugs
You can also review the Summary of Benefits online.

If you're not sure if you are enrolled in Medicare Part B, check with Social Security at ssa.gov/locator or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

You may be disenrolled from this plan if you stop paying your Medicare Part B premium.

You're eligible to enroll in this plan if you:

Are entitled to Medicare Part A and/or enrolled in Medicare Part B.

Continue to pay your Part B premium (unless it's paid for you).

Remember: If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll. Limitations and restrictions vary by former employer or plan sponsor.

The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at retiree.uhc.com/NMRHCA or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.
