# Plan Details

## UnitedHealthcare Group Medicare Advantage

P&G has chosen a UnitedHealthcare Group Medicare Advantage plan. The word “Group” means this is a plan designed just for P&G retirees. Only Medicare enrolled retirees of P&G and their dependents can enroll in this plan.

“Medicare Advantage” is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

### Make sure you know what parts of Medicare you have

You must be enrolled in Medicare Part A and Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with Social Security
- Visit [www.ssa.gov/locator](http://www.ssa.gov/locator) or call **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday, or call your local office
- You must continue paying your Medicare Part A premium (if applicable) and Part B premium to be eligible for coverage under this group-sponsored plan
- If you stop paying your Medicare Part A premium (if applicable) or Medicare Part B premium, you may be disenrolled from this plan

# How your Group Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

## ✓ **One plan at a time**

- You may be enrolled in only one Medicare Advantage plan at a time.
- The plan you enroll in last is the plan that the Centers for Medicare & Medicaid Services (CMS) considers to be your final decision.
- If you are currently enrolled in a P&G health plan and do not take any action, you will automatically be enrolled in this plan and disenrolled from your current plan including any other Medicare Advantage plan you may be enrolled in.
- If you are currently enrolled in a P&G health plan and another Medicare prescription drug plan and do not take any action, you will automatically be enrolled in this plan and may be disenrolled from your current Medicare prescription plan.
- If you enroll in another Medicare Advantage plan and/or Medicare prescription drug plan after your enrollment in this group-sponsored plan, you will be disenrolled from P&G sponsored medical and prescription drug coverage.
- Any eligible family members will also be disenrolled from this group-sponsored plan. This means that you and your family will not have medical coverage or prescription drug coverage through P&G.
- If you are currently enrolled in a Medicare Supplement Insurance (Medigap) plan, you may want to consider taking action to disenroll. Medigap plans will not pay for any costs, such as copayments, deductibles and premiums for the P&G Medicare Advantage plan. Medigap plans don't coordinate with Medicare Advantage plans.

## ✓ **You must be enrolled in the P&G Medicare Advantage plan to have P&G prescription drug coverage**

Your Medicare Advantage plan provides medical coverage. You must be enrolled in the Medicare Advantage plan to have P&G sponsored prescription drug coverage with Optum Rx®.

## **Medicare Part B drugs**

The way Medicare covers drugs is different. It depends on where and by whom the drug is administered. Once you are a member of the UnitedHealthcare Group Medicare Advantage plan, your Medicare Part B drugs will be covered under the medical plan.

Examples of drugs covered under Medicare Part B are:

- Blood sugar (glucose) test strips (UnitedHealthcare preferred brands covered at a \$0 cost share)
- Certain vaccinations like flu shots (covered at a \$0 cost share)
- Drugs used with a durable medical equipment (DME) item like a nebulizer
- Injectable and infused drugs
- Certain oral cancer drugs and anti-nausea drugs

# How your medical coverage works

You have access to our nationwide coverage. You can see any provider (in-network or out-of-network) at the same cost share as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.

## View Your Plan Information Online

Once you receive your new UnitedHealthcare member ID card, you can create your secure online account at your new UnitedHealthcare Medicare Advantage website located at **[retiree.uhc.com/pg-MAplan](https://retiree.uhc.com/pg-MAplan)**

You'll be able to view plan documents, find a provider, and access lifestyle and learning articles, recipes, educational videos and more.

<sup>1</sup>This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

<sup>2</sup>Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

# Getting the health care coverage you may need

## Your care begins with your doctor

- With this plan, you have the flexibility to see doctors inside or outside the UnitedHealthcare network. To see if your providers are in-network, visit [retiree.uhc.com/pg-MAplan](https://retiree.uhc.com/pg-MAplan)
- Even though it's not required, it's important to have a primary care provider.
- Unlike most plans, you pay the same share of cost in and out of the network as long as they participate in Medicare and have not been excluded or precluded from the Medicare Program.

## Finding a doctor is easy

If you need help finding a doctor or specialist, just give us a call at **1-844-481-8834**, TTY **711**, 8 a.m.–11 p.m. ET, 7 days a week. We can even help schedule that first appointment.

### Why use a UnitedHealthcare network doctor?

**A network doctor or health care provider** is one who contracts with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your plan benefits. Your provider will bill us for the rest.

**An out-of-network provider** does not have a contract with us. With the UnitedHealthcare Group Medicare Advantage plan, you can see any out-of-network provider as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.

# Take advantage of UnitedHealthcare's support and programs

## **Annual Physical and Wellness Visit<sup>1</sup>**

An Annual Wellness Visit with your doctor is one of the best ways to start your year off and stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns.

## **Preventive care visit in the privacy of your own home**

With UnitedHealthcare® HouseCalls<sup>2</sup>, you get a yearly in-home visit from one of our health care practitioners at no extra cost. A HouseCalls visit is designed to support, but not take the place of, your regular doctor's care.

**Every visit includes tailored recommendations on health care screenings and a chance to:**

- Review current medications
- Receive education, prevention tips, care and resource assistance, if needed
- Get advice and ask questions on how to manage health conditions
- Receive referrals to other health services and more

At the end of the visit, our health care practitioner will leave a personalized checklist and send a summary to your regular doctor.

## **Virtual visits**

See a doctor or a behavioral health specialist using your computer, tablet or smartphone. With Virtual Visits, you're able to live video chat — anytime, day or night with Amwell®, Doctor On Demand™ and Teladoc® apps. You will first need to register and then schedule an appointment.
