+ More from your health plan

Your Medicare Advantage PPO plan, is also known as Medicare Part C. This plan has all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B). Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

Here's how this Medicare Advantage PPO plan works

Get care from providers in or out-of-network as long as they accept Medicare and the plan

No referral is needed to see a specialist or other provider

Select a primary care provider (PCP) to oversee and help manage your care

It's not required by the plan, but it's very beneficial for your long-term health and well-being.

You pay a standard copay or coinsurance to see a network or out-of-network provider

We work closely with our network (contracted) providers to make sure they have access to resources and tools to help them work with you for better health outcomes.

This plan has a maximum annual out-of-pocket amount

If you reach the limit, the plan will pay 100% of your Medicare-covered services for the rest of the plan year.

Emergency and urgently needed services are covered anywhere in the world

To search for a network provider, visit retiree.uhc.com/pg-MAplan.

Get to know your plan

It's important that you understand your plan and what benefits are covered. You can find the Provider Directory and more at retiree.uhc.com/pg-MAplan.

Review the online Provider Directory to see if your providers are in the network

It's okay if they're not. This plan allows you to see out-of-network providers at the same cost share as long as they accept Medicare and the plan.

Review the Summary of Benefits in this guide to see how much you'll pay for medical services

You can also review the Summary of Benefits online.

If you're not sure if you are enrolled in Medicare Parts A and B, check with Social Security at ssa.gov/locator or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

You may be disenrolled from this plan if you stop paying your Medicare Part A (if applicable) and Medicare B premium.

You're eligible to enroll in this Medicare Advantage plan if you:

Are enrolled in Medicare Parts A and B.

Continue to pay your Medicare Parts A and B premiums (unless it's paid for you).

Remember: If you drop or are disenrolled from your P&G group-sponsored Medicare Advantage Plan, you will need to contact P&G Benefits to find out if you can re-enroll.
