Plan Details

UnitedHealthcare® Group Medicare Advantage (PPO)

PwC has chosen a UnitedHealthcare® Group Medicare Advantage plan. The word “Group” means this is a plan designed just for a former employer or plan sponsor, like yours. Only eligible PwC retirees and their dependents can enroll in this plan.

“Medicare Advantage” is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you’re not sure if you are enrolled in Medicare Part B, check with Social Security. Visit www.ssa.gov/locator or call **1-800-772-1213**, TTY **1-800-325-0778**, between 8 a.m. – 5:30 p.m., Monday – Friday.
- You must continue paying your Medicare Part B premium to be eligible for coverage under this group-sponsored plan. If you stop paying your Medicare Part B premium, you may be disenrolled from this plan.

How your Group Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

✓ **One plan at a time**

- You may be enrolled in only one Medicare Advantage plan at a time.
- The plan you enroll in last is the plan that Centers for Medicare & Medicaid Services (CMS) considers to be your final decision.
- If you enroll in another Medicare Advantage plan after your enrollment in this group-sponsored plan, you will be disenrolled from this plan.
- Any eligible family members may also be disenrolled from this group-sponsored plan. This means that you and your family may not have hospital/medical coverage through your plan sponsor or former employer.

✓ **You must have employer group-sponsored coverage**

Your UnitedHealthcare Medicare Advantage plan includes only medical coverage. It does not include prescription drug coverage. Your prescription drug coverage is provided under the PwC Retiree Medical Plan by Express Scripts. Note, if you enroll in an individual Medicare Part D prescription drug plan, your retiree medical coverage will be terminated and you will not be eligible to enroll again at a later date.

Remember: If you decline coverage or are disenrolled from your PwC group-sponsored retiree health coverage, you will not be able to re-enroll.

How your medical coverage works

Your plan is a Preferred Provider Organization (PPO) plan

You have access to UnitedHealthcare's nationwide coverage and Medicare Advantage PPO network providers, but you can choose to see a provider outside of the network. The UnitedHealthcare® Group Medicare Advantage (PPO) plan covers providers whether they participate in their network or do not participate. However, services provided by providers that have opted out of or been excluded from Medicare will not be covered.

View your plan information online

Once you receive your UnitedHealthcare member ID card, you can create your secure online account at: www.UHCRetiree.com/pwc

You'll be able to view plan documents, find a provider, locate a pharmacy and access lifestyle and learning articles, recipes, educational videos and more.

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

²Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

Getting the health care coverage you may need

Your care begins with your doctor

- With this plan, you have the flexibility to see doctors inside or outside the UnitedHealthcare network.
- Even though it's not required it's important to have a primary care provider.
- Unlike most PPO plans, with this plan, you pay the same share of cost in and out-of-network as long as they participate in Medicare and accept the plan.
- If your doctor or specialist has questions about the UnitedHealthcare® Group Medicare Advantage plan, give us a call. UnitedHealthcare will make a personal call to them to explain how your new plan works. With this plan, you're connected to programs, resources, tools and people that can help you live a healthier life.

Finding a doctor is easy

If you need help finding a doctor or a specialist, just give us a call. We can even help schedule that first appointment.

Why use a UnitedHealthcare network doctor?

A network doctor or health care provider is one who contracts with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your plan benefits. Your provider will bill us for the rest.

An out-of-network provider does not have a contract with us. With the UnitedHealthcare® Group Medicare Advantage (PPO) plan you can see any out-of-network provider that participates in Medicare and accepts the plan. You pay your plan's copay or coinsurance. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider won't accept the plan, we will contact them on your behalf.

If a provider refuses to directly bill us, they may ask that you pay the full allowable amount upfront. In that case, you can pay the doctor and then submit a claim to us. You'll be reimbursed for the cost of the claim minus your cost share.

Annual Wellness Visit¹ and many preventive services at \$0 copay

An Annual Wellness Visit with your doctor is one of the best ways to stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns. With UnitedHealthcare® HouseCalls, you get a yearly in-home visit from one of our health care practitioners at no extra cost. A HouseCalls visit is designed to support, but not take the place of your regular doctor's care.

What to expect from a HouseCalls visit:

- A knowledgeable health care practitioner will review your health history and current medications, perform health screenings, help identify health risks and provide health education.
- You can talk about health concerns and ask questions that you haven't had time to ask before.
- HouseCalls will send a summary of your visit to you and your primary care provider so they have this additional information regarding your health.
- HouseCalls may not be available in all areas.
