## **Important information**

### **Enrollment information:**

If you elect to enroll in the Medicare Advantage plan it will take over as the primary and only payor so you will not need to coordinate benefits, however, you must remain enrolled in your SAMBA Health Benefit Plan if you elect the Medicare Advantage plan. Do not suspend or cancel your coverage with OPM or you will also be terminated from the Medicare Advantage plan.

### **Disenrollment Information**

Enrollment is voluntary and retirees may opt in or out of the Medicare Advantage enhanced benefits at any time throughout the year. If you elect to disenroll from the Medicare Advantage plan you will be moved back to Original Medicare primary with your SAMBA Health Benefit Plan medical benefits secondary, and then auto-enrolled into the Express Scripts Part D Prescription Drug plan effective the first of the following month.

### **Medicare Part B enrollment**

Being enrolled in Medicare and the UnitedHealthcare Group Medicare Advantage (PPO) plan for the SAMBA Health Benefit Plan can help decrease your out-of-pocket health care expenses. Even though enrolling in Medicare Part B is not required in the Federal Employees Health Benefits (FEHB) Program, there are some advantages to having Medicare Parts A and B. The decision to enroll in Medicare is entirely yours. For some individuals, enrollment in Part B will be automatic. You will know your enrollment has been automatic when you receive your Medicare card and see your Part A and Part B effective dates listed. If you choose to enroll in Medicare, visit [ssa.gov/locator](https://ssa.gov/locator) or call **1-800-772-1213**, TTY **1-800-325-0778**, 7 a.m.–7 p.m. local time, Monday–Friday.

### **Medicare Part B Late Enrollment Penalty (LEP)**

If you didn't get Medicare Part B when you were first eligible, your monthly premium may go up. In most cases, you'll have to pay this penalty each time you pay your premiums, for as long as you have Medicare Part B. You must continue paying your Medicare Part B premium to be eligible for coverage under this SAMBA-sponsored Medicare Advantage plan. If you stop paying your Medicare Part B premium, you may be disenrolled from this plan.

### **Medicare Part D (LEP)**

Once you become a SAMBA Medicare Advantage member, you will receive a letter to confirm you have had continuous prescription drug coverage. If you had coverage through the SAMBA Standard Option Plan or another FEHB plan since you became Medicare eligible, you had what is known as "creditable coverage" and a penalty will not apply. You simply need to respond to the letter as quickly as possible to avoid an unnecessary penalty.

### **Income-Related Monthly Adjustment Amount (IRMAA)**

IRMAA is an amount Social Security determines you may need to pay in addition to your monthly Part B and D premium if your modified adjusted gross income on your IRS tax return from 2 years ago is above a certain limit. The UnitedHealthcare Medicare Advantage (PPO) plan for the SAMBA Health Benefit Plan's included prescription drug coverage is considered a Part D plan. Therefore if you currently have a Part B IRMAA, then you may incur an additional Part D IRMAA when enrolling in this plan.

## **Copay cards**

In most cases, coupons and prescription drug copay cards can't be used with a Part D plan. Copay cards include disclaimer language that state that they can't be used with Federal health care programs. Part D prescription drug plans are a Federal program.

## **Call Social Security to see if you qualify for Extra Help**

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

Call toll-free at **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday.

## Good news for 2025

The Coverage Gap, or “donut hole”, has been eliminated and your out-of-pocket limit (the amount you and others on your behalf pay) is \$2,000. That means you're more protected from high drug costs in 2025.

Prescription drugs		
<b>Deductible</b>	The plan does not have a prescription drug deductible. Your coverage starts in the Initial Coverage stage.	
<b>Initial coverage</b>	In this stage, you'll pay your plan copays or coinsurance. The plan pays the rest. Once you, and others on your behalf, have paid a combined total of \$2,000 you move to the Catastrophic Coverage stage.	
<b>Tier drug coverage</b> (After you pay your deductible, if applicable)	<b>Retail Cost-Sharing</b>	<b>Mail Order Cost-Sharing</b>
	<b>30-day supply</b>	<b>90-day supply</b>
<b>Tier 1:</b> Preferred Generic	\$5 copay	\$10 copay
<b>Tier 2:</b> Preferred Brand ~	\$30 copay	\$60 copay
<b>Tier 3:</b> Non-preferred Drug ~	\$75 copay	\$150 copay
<b>Tier 4:</b> Specialty Tier ~	\$110 copay (limited to a 30-day supply)	\$110 copay (limited to a 30-day supply)
<b>Catastrophic coverage</b>	Once you're in this stage, you won't pay anything for your Medicare-covered Part D drugs for the rest of the plan year.	

~ You will pay a maximum of \$35 for a 1-month supply of each Part D insulin product covered by our plan. Most adult Part D vaccines are covered at no cost to you.

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

SAMBA Health Plan / High Option offers drug coverage in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D benefit and your additional drug coverage. For more information, see your Additional Drug Coverage list. You can also view the Certificate of Coverage at [retiree.uhc.com/samba](http://retiree.uhc.com/samba) or call Customer Service to have a hard copy sent to you.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

Covered drugs are placed in tiers. Each tier may have a different cost. See the Summary of Benefits to find out what you'll pay for these drugs.

Although you pay the same copay for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amount you pay for these additional prescription drugs **does not apply to your Medicare Part D out-of-pocket costs**. Payments for these additional prescription drugs (made by you or the plan) are treated differently from payments made for other prescription drugs.

Coverage for the prescription drugs on the bonus drug list is in addition to your Medicare prescription drug coverage under the plan. Unlike your Medicare prescription drug coverage under the plan, you are unable to file a Medicare appeal or grievance for drugs on the bonus drug list.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs on this bonus drug list.

If your drug has any coverage rules or limits, there will be code(s) in the "Coverage rules or limits on use" column of the chart. The codes and what they mean are shown below.

### **QL - Quantity limits**

The plan will only cover a certain amount of this drug for one copay or over a certain number of days. These limits can help ensure safe and effective use of the drug.

### **MME - Morphine milligram equivalent**

Additional quantity limits may apply to all opioid drugs used to treat pain. This additional limit is called a cumulative morphine milligram equivalent (MME). It's designed to monitor safe dosing levels of opioids for people who may be taking more than one opioid drug for pain management. If your doctor or prescriber prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor or prescriber can ask the plan to cover the additional quantity.

**7D - 7-day limit**

An opioid drug used to treat pain may be limited to a 7-day supply if you don't have a recent history of using opioids. This limit helps minimize long-term opioid use. If you are new to the plan, and have a recent history of using opioids, the pharmacy may override the limit when appropriate.

**DL - Dispensing limit**

Dispensing limits apply to this drug. This drug is limited to a one-month supply per prescription.

This information is not a complete description of benefits. Contact the plan for more information. Limitations, copay, and restrictions may apply.

Benefits and/or copay/coinsurance may change each plan/benefit year.

The Drug List may change at any time. You will receive notice when necessary.

# Statements of understanding

By enrolling in this plan, I agree to the following:

- ✓ **This is a Medicare Advantage Plan contracted with the federal government. This is not a Medicare Supplement Plan.**

To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.
- ✓ **I must continue to pay my FEHBP or PSHBP premium and not cancel or suspend my FEHBP or PSHBP coverage with the Office of Personnel Management (OPM), or I will be disenrolled from this Medicare Advantage plan.**
- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.
- ✓ **I can only have one Medicare Advantage or Prescription Drug Plan at a time.**
  - Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
  - If I enroll in a different Medicare Advantage Plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
  - If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**

Medicare may also release my information for research and other purposes that follow all applicable federal statutes and regulations.
- ✓ **For members of the Group Medicare Advantage Plan.**

I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
