Important information

Enrollment information

If you elect to enroll in the Medicare Advantage plan it will take over as the primary and only payor so you will not need to coordinate benefits, however, you must remain enrolled in your SAMBA Health Benefit Plan if you elect the Medicare Advantage plan. Do not suspend or cancel your coverage with OPM or you will also be terminated from the Medicare Advantage plan.

Disenrollment Information

Enrollment is voluntary and retirees may opt in or out of the Medicare Advantage enhanced benefits at any time throughout the year. If you elect to disenroll from the Medicare Advantage plan you will be moved back to Original Medicare primary with your SAMBA Health Benefit Plan medical benefits secondary, and then auto-enrolled into the Express Scripts Part D Prescription Drug plan effective the first of the following month.

Medicare Part B enrollment

Being enrolled in Medicare and the UnitedHealthcare Group Medicare Advantage (PPO) plan for the SAMBA Health Benefit Plan can help decrease your out-of-pocket health care expenses. Even though enrolling in Medicare Part B is not required in the Federal Employees Health Benefits (FEHB) Program, there are some advantages to having Medicare Parts A and B. The decision to enroll in Medicare is entirely yours. For some individuals, enrollment in Part B will be automatic. You will know your enrollment has been automatic when you receive your Medicare card and see your Part A and Part B effective dates listed. If you choose to enroll in Medicare, visit www.ssa.gov/locator or call 1-800-772-1213, TTY 1-800-325-0778, 7 a.m.–7 p.m. local time, Monday–Friday.

Medicare Part B Late Enrollment Penalty (LEP)

If you didn't get Medicare Part B when you were first eligible, your monthly premium may go up. In most cases, you'll have to pay this penalty each time you pay your premiums, for as long as you have Medicare Part B. You must continue paying your Medicare Part B premium to be eligible for coverage under this SAMBA-sponsored Medicare Advantage plan. If you stop paying your Medicare Part B premium, you may be disenrolled from this plan.

Medicare Part D (LEP)

Once you become a SAMBA Medicare Advantage member, you will receive a letter to confirm you have had continuous prescription drug coverage. If you had coverage through the SAMBA Standard Option Plan or another FEHB plan since you became Medicare eligible, you had what is known as "creditable coverage" and a penalty will not apply. You simply need to respond to the letter as quickly as possible to avoid an unnecessary penalty.

Income-Related Monthly Adjustment Amount (IRMAA)

IRMAA is an amount Social Security determines you may need to pay in addition to your monthly Part B and Part D premium if your modified adjusted gross income on your IRS tax return from 2 years ago is above a certain limit. The UnitedHealthcare Medicare Advantage (PPO) plan for the SAMBA Health Benefit Plan's included prescription drug coverage is considered a Part D plan therefore if you currently have a Part B IRMAA then you may incur a Part D IRMAA when enrolling in this plan.

Copay cards

In most cases, coupons and prescription drug copay cards can't be used with a Part D plan. Copay cards include disclaimer language that state that they can't be used with Federal health care programs. Part D prescription drug plans are a Federal program.

Call Social Security to see if you qualify for Extra Help

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

Call toll-free at 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday.

Benefits, features and/or devices may vary by plan/area. Limitations, exclusions and/or network restrictions may apply.

¹You must contact UHC Hearing and use a UHC Hearing provider for hearing aid coverage. Other hearing exam providers are available in the UnitedHealthcare network. The plan only covers hearing aids from a UnitedHealthcare Hearing network provider.

²Optum Home Delivery®, a service available through Optum Rx®, is provided by your plan. Optum Rx is an affiliate of UnitedHealthcare Insurance Company. You are not required to use Optum Home Delivery for a 90-100 day supply of your maintenance medication.

³HouseCalls may not be available in all areas.

⁴The information provided through Renew Active® by UnitedHealthcare® is for informational purposes only and is not medical advice. Consult your doctor prior to beginning an exercise program or making changes to your lifestyle or health care routine. Gym network may vary in local market.

This information is not a complete description of benefits. Contact the plan for more information.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare.

Drugs with coverage rules or limits are noted in the chart and described below.

QL - Quantity limits

The plan will only cover a certain amount of this drug for one copay or over a certain number of days. These limits can help ensure safe and effective use of the drug.

MME - Morphine Milligram Equivalent

Additional quantity limits may apply to all opioid drugs used to treat pain. This additional limit is called a cumulative Morphine Milligram Equivalent (MME). It's designed to monitor safe dosing levels of opioids for people who may be taking more than one opioid drug for pain management. If your doctor or prescriber prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor or prescriber can ask the plan to cover the additional quantity.

7D - 7-day limit

An opioid drug used to treat pain may be limited to a 7-day supply if you don't have a recent history of using opioids. This limit helps minimize long-term opioid use. If you are new to the plan and have a recent history of using opioids, the pharmacy may override the limit when appropriate.

DL - Dispensing limit

Dispensing limits apply to this drug. This drug is limited to a one-month supply per prescription.

BDL: BDL - Custom FED
