Important information

Enrollment information

If you elect to enroll in the Medicare Advantage plan it will take over as the primary and only payor so you will not need to coordinate benefits, however, you must remain enrolled in your SAMBA Health Benefit Plan if you elect the Medicare Advantage plan. Do not suspend or cancel your coverage with OPM or you will also be terminated from the Medicare Advantage plan.

Disenrollment Information

Enrollment is voluntary and retirees may opt in or out of the Medicare Advantage enhanced benefits at any time throughout the year. If you elect to disenroll from the Medicare Advantage plan you will be moved back to Original Medicare primary with your SAMBA High Option medical benefits secondary, and then auto-enrolled into the Express Scripts Part D Prescription Drug plan effective the first of the following month.

Medicare Part B enrollment

Being enrolled in Medicare and the SAMBA Medicare Advantage plan can help decrease your out-of-pocket health care expenses. Even though enrolling in Medicare Part B is not required in the Federal Employees Health Benefits (FEHB) Program, there are some advantages to having Medicare Parts A and B. The decision to enroll in Medicare is entirely yours. If you choose to enroll in Medicare, visit **www.ssa.gov/locator** or call **1-800-772-1213,** TTY **1-800-325-0778,** 7 a.m.–7 p.m. local time, Monday–Friday.

Medicare Part B Late Enrollment Penalty (LEP)

If you didn't get Medicare Part B when you were first eligible, your monthly premium may go up. In most cases, you'll have to pay this penalty each time you pay your premiums, for as long as you have Medicare Part B. You must continue paying your Medicare Part B premium to be eligible for coverage under this Medicare Advantage plan. If you stop paying your Medicare Part B premium, you may be disenrolled from this plan.

Medicare Part D (LEP)

Once you become a SAMBA Medicare Advantage member, you may receive a letter to confirm you have had continuous prescription drug coverage. If you had coverage through the SAMBA High Option Plan or another FEHB plan since you became Medicare eligible, you had what is known as "creditable coverage" and a penalty will not apply. You simply need to respond to the letter as quickly as possible to avoid an unnecessary penalty.

Income-Related Monthly Adjustment Amount (IRMAA)

IRMAA is an amount Social Security determines you may need to pay in addition to your monthly Part B and Part D premium if your modified adjusted gross income on your IRS tax return from 2 years ago is above a certain limit. The UnitedHealthcare Medicare Advantage (PPO) plan for the SAMBA Health Benefit Plan's included prescription drug coverage is considered a Part D plan therefore if you currently have a Part B IRMAA then you may incur a Part D IRMAA when enrolling in this plan.

Copay cards

In most cases, coupons and prescription drug copay cards can't be used with a Part D plan. Copay cards include disclaimer language that state that they can't be used with federal health care programs. Part D prescription drug plans are a federal program.

Call Social Security to see if you qualify for Extra Help

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

Call toll-free at **1-800-772-1213,** TTY **1-800-325-0778,** 8 a.m.–7 p.m., Monday–Friday.

Drugs with coverage rules or limits are noted in the chart and described below.

QL - Quantity limits
The plan only covers a certain amount of this drug for one copay or over a certain number of days. These limits can help ensure safe and effective use of the drug.

PA - Prior Authorization
The plan requires you or your doctor or prescriber to get prior approval for certain drugs. This means the plan needs more information from your doctor or prescriber to make sure the drug is being used and covered correctly for your medical condition.

MME - Morphine Milligram Equivalent
Additional quantity limits may apply to all opioid drugs used to treat pain. This additional limit is called a cumulative Morphine Milligram Equivalent (MME). It is designed to monitor safe dosing levels of opioids for people who may be taking more than one opioid drug for pain management. If your doctor or prescriber prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor or prescriber can ask the plan to cover the additional quantity.

7D - 7-day limit
An opioid drug used to treat pain may be limited to a 7-day supply if you don't have a recent history of using opioids. This limit helps minimize long-term opioid use. If you are new to the plan and have a recent history of using opioids, the pharmacy may override the limit when appropriate. Drugs with coverage rules or limits are noted in the chart and described below.

DL - Dispensing limit
Dispensing limits apply to this drug. This drug is limited to a one-month supply per prescription.

Statements of understanding

By enrolling in this plan, I agree to the following:

- **This is a Medicare Advantage Plan contracted with the federal government. This is not a Medicare Supplement Plan.**
  I need to keep my Medicare Part A and Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.
- **I must continue to pay my FEHBP or PSHBP premium and not cancel or suspend my FEHBP or PSHBP coverage with the Office of Personnel Management (OPM), or I will be disenrolled from this Medicare Advantage plan.**
- **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**
  I am covered both inside and outside the United States. Under this plan, all covered medical services and prescription drugs are covered worldwide the same as they are in the U.S., based on my plan benefits. If I receive care outside the U.S., I may need to pay up front and submit a claim for reimbursement.
- **I can only have one Medicare Advantage or Prescription Drug Plan at a time.**
  - Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
  - If I enroll in a different Medicare Advantage Plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
  - If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**
  Medicare may also release my information for research and other purposes that follow all applicable federal statutes and regulations.
- **For members of the Group Medicare Advantage Plan.**
  I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
