

Talk to a doctor from anywhere

Virtual Doctor Visits for UnitedHealthcare® Group Medicare Advantage plan members

With Virtual Doctor Visits, you're able to talk to a doctor by phone or video¹ from your computer, tablet or smartphone – 24/7, day or night. You can ask questions, get a diagnosis, or even get medication prescribed and have it sent to your pharmacy. Register and complete a brief Medical History today so you're set up and ready to go when you need care. You can request a doctor visit whenever you need one or schedule one at a time that's convenient for you.

Amwell®, Doctor on Demand™ and Teladoc® are part of the UnitedHealthcare provider network bringing you this innovative service.²

If you are experiencing a medical emergency, you should seek appropriate emergency medical assistance such as calling “911”.

Ways to access Virtual Doctor Visits

On your computer:

Visit your member portal, click on “**Find Care**” and then “**Virtual Care**”

On your tablet or smartphone:

Download the American Well app

Download the Doctor on Demand app

Download the Teladoc app or call **1-800-TELADOC (1-800-835-2362)** to set up your account and request a visit by phone

Answers to some common questions

How much does it cost?

Copays vary by plan. A Virtual Doctor Visit with Amwell, Doctor on Demand and Teladoc may be as low as \$0 with certain plans. Please refer to your Summary of Benefits or Evidence of Coverage for details.

How quickly can I talk to someone and how long does a visit last?

Once a request for a visit has been submitted, wait times vary based on availability. A typical visit lasts 10-15 minutes.

Who will I be talking to?

You can find a list of participating Virtual Doctor Visit providers by visiting your member portal, selecting “**Find Care**” and then selecting “**Virtual Care**”.

Can I use it for any medical situation?

Virtual Doctor Visits may be best for situations like a cold, flu, skin rash, eye issue, or many other common conditions that may be treatable without a physical exam or X-ray. You will be advised if an in-person visit is appropriate. Virtual Doctor Visits are not appropriate for serious or emergency medical situations.³
