Introducing the Plan

UnitedHealthcare® Group Medicare Advantage (PPO) plan

Dear SHBP Retiree, Retiree Spouse or Dependent,

The State Health Benefit Plan (SHBP) has selected UnitedHealthcare® Group Medicare Advantage (PPO) plans as options for your retiree medical coverage — a standard plan and a premium plan. UnitedHealthcare has been serving State Health Benefit Plan (SHBP) retirees since 2009. With over 121,000 members,¹ you can feel confident about choosing UnitedHealthcare.

Why Choose UnitedHealthcare

- 96% satisfaction rate with SHBP retirees²
- Dedicated and experienced Customer Service team just for SHBP retirees
- You can choose from 21,000+ providers and hospitals in the state of Georgia.¹ Plus, see any provider in the U.S. (network or out-of-network) at the same cost share, as long as they have not opted out of Medicare³
- In addition to having coverage for thousands of brand name and generic drugs, you are also covered for over 1,300 bonus drugs¹ beyond those of standard Part D plans
- We're committed to being there for SHBP retirees every step of the way
- You have an experienced, dedicated customer service team you can call when you have questions or need help setting up doctor appointments

Let us help you:

- Get access to care when you need it
- Get tools and resources to help you be in more control of your health
- Find ways to save money on health care so you can focus more on what matters to you

In this book you will find:

- A description of this plan and how it works
- Information on benefits, programs and services — and how much they cost
- What you can expect after your enrollment

Take action

- When you (or your spouse or dependent) turn 65 or are ready to retire, you must provide your Medicare information directly to SHBP one month prior to the event
- Most people become eligible for Medicare when they turn age 65. You can enroll in Medicare as early as three months before your 65th birthday month
- If you (and your spouse/dependents) are age 65 or older and actively working, you (and your spouse/dependents) can delay enrolling in Medicare until you are ready to retire, but you must provide the Medicare Part B information directly to SHBP one month prior to your retirement
- Make sure you are enrolled in Medicare Part A (if applicable) and Part B. You must continue to pay your Medicare Part B premiums to remain in the SHBP Medicare Advantage plan
- If you are disenrolled OR if you don't provide your Medicare information to SHBP one month prior to turning 65 or retirement, SHBP will roll your coverage into a non-Medicare Advantage SHBP plan option and you will have to pay 100% of the cost of the premiums

Important note:

Remember to redeem well-being incentive points before transferring into a Medicare Advantage Plan, as points are not automatically redeemed and transferred for Medicare Advantage members.

You can provide your Medicare information to SHBP one of two ways:

1. You can go online to the SHBP Enrollment Portal at mySHBPga.adp.com and enter the information through the Medicare Management link.

OR

2. Call the SHBP Member Services Center at **800-610-1863**, 8:30 a.m.–5 p.m. ET, Monday–Friday. If you are not currently a UnitedHealthcare member, we hope you will choose us for your retiree coverage. If you are already a UnitedHealthcare member, we appreciate your membership and hope to continue to serve you in the years to come. We'll be there every step of the way.

Plan Details

UnitedHealthcare® Group Medicare Advantage (PPO)

State Health Benefit Plan (SHBP) has chosen to offer UnitedHealthcare® Group Medicare Advantage (PPO) plans with two different plan options – a standard plan and a premium plan. Both plans work the same. The word “Group” means that these plans are designed just for a plan sponsor, like SHBP. Only eligible SHBP retirees and their eligible spouses and dependents can enroll in one of these plans.

“Medicare Advantage” is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with Social Security
- Visit ssa.gov/locator or call **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday, or call your local office
- You must continue paying your Medicare Part B premium to be eligible for coverage under this group-sponsored plan
- If you stop paying your Medicare Part B premium, you may be disenrolled from this plan
- SHBP will then roll your coverage to a non-Medicare option through SHBP and you will pay 100% of the cost of the premiums

How your Group Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

✓ One plan at a time

- You may be enrolled in only one Medicare Advantage plan and one Medicare Part D prescription drug plan at a time
- The plan you enroll in last is the plan that the Centers for Medicare & Medicaid Services (CMS) considers to be your final decision
- After you have enrolled in a SHBP Medicare Advantage plan, if you later enroll in another Medicare Advantage plan or a standalone Medicare Part D prescription drug plan, you will be disenrolled from the SHBP Medicare Advantage plan you selected and enrolled into a non-Medicare Advantage SHBP plan option that you will have to pay 100% of the cost of the premiums, which is substantially higher.

Remember: If you drop your SHBP retiree health coverage, you will not be able to re-enroll.

How your medical coverage works

The SHBP plans are Preferred Provider Organization (PPO) plans

You have access to our nationwide coverage. You can see any provider (in-network or out-of-network) at the same cost share as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.

View Your Plan Information Online

Once you receive your UnitedHealthcare member ID card, you can create your secure online account at: retiree.uhc.com/shbp

You'll be able to view plan documents, find a provider, locate a pharmacy and access lifestyle and learning articles, recipes, educational videos and more.

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

²Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

How your prescription drug coverage works

Your Medicare Part D prescription drug coverage includes thousands of brand name and generic prescription drugs. Check your plan's drug list to see if your drugs are covered.

Here are answers to common questions:

What pharmacies can I use?

You can choose from thousands of national chain, regional and independent local retail pharmacies.

What is a drug-cost tier?

Drugs are divided into different cost levels, or tiers. In general, the lower the tier, the less you pay.

What will I pay for my prescription drugs?

What you pay will depend on the coverage SHBP has arranged and on what drug-cost tier your prescription falls into. Your cost may also change during the year based on the total cost of the prescriptions you have filled.¹

Can I have more than one prescription drug plan?

No. You can only have one Medicare plan that includes prescription drug coverage at a time. If you enroll in another Medicare Part D prescription drug plan OR a Medicare Advantage plan that includes prescription drug coverage, you will be disenrolled from this plan.

Ways to save on your prescription drugs

- ✓ **\$0 copay on select generic drugs**
You pay as low as \$0 copay for select generic drugs when filled at a network retail pharmacy or OptumRx mail-service pharmacy.
- ✓ **You may save on the medications you take regularly**
If you prefer the convenience of mail order, you could save time and money by receiving your maintenance medications from Optum® Home Delivery through OptumRx® pharmacy. You'll get automatic refill reminders and access to licensed pharmacists if you have questions.
- ✓ **Get a 90-day supply at retail pharmacies**
In addition to Optum Home Delivery through OptumRx pharmacy, most retail pharmacies offer 90-day supplies for some prescription drugs.
- ✓ **Ask your doctor about trial supplies**
A trial supply allows you to fill a prescription for less than 30 days. This way, you can pay a reduced copay or coinsurance and make sure the medication works for you before getting a full month's supply.
- ✓ **Explore lower-cost options**
Each covered drug in your drug list is assigned to a drug-cost tier. Generally, the lower the tier, the less you pay. If you're taking a higher-tier drug, you may want to ask your doctor if there's a lower-tier drug you could take instead.
- ✓ **Have an annual medication review**
Take some time during your Annual Wellness Visit to make sure you are only taking the drugs you need.
- ✓ **Filling your prescriptions is convenient**
UnitedHealthcare has thousands of national chain, regional and independent local retail pharmacies in our network.¹

The UnitedHealthcare Savings Promise

UnitedHealthcare is committed to keeping your prescription drug costs down. As a UnitedHealthcare member, you have our Savings Promise that you'll get the lowest price available. That low price may be your plan copay, the pharmacy's retail price or our contracted price with the pharmacy.

¹Network size varies by market.

What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount Social Security determines you may need to pay in addition to your monthly plan premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit. This extra amount is paid directly to Social Security, not to your plan. Social Security will contact you if you have to pay IRMAA.

What is a Medicare Part D Late Enrollment Penalty (LEP)?

If, at any time after you first become eligible for Medicare Part D, there's a period of at least 63 days in a row when you don't have Medicare Part D or other creditable prescription drug coverage, a penalty may apply. Creditable coverage is prescription drug coverage that is at least as good as or better than what Medicare requires. The LEP is an amount added to your monthly Medicare premium and billed to you separately by UnitedHealthcare.

When you become a member, SHBP will be asked to confirm that you have had continuous Medicare Part D coverage. If SHBP asks for information about your prescription drug coverage history, please respond as quickly as possible to avoid an unnecessary penalty.

Once you become a member, more information will be available in your Evidence of Coverage (EOC). Your Quick Start Guide will include details on how to access your EOC.

Call Social Security to see if you qualify for Extra Help

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. If you qualify, Extra Help could pay up to 75% or more of your drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

Getting the health care coverage you may need

Your care begins with your doctor

- With these SHBP plans, you have the flexibility to see doctors inside or outside the UnitedHealthcare network
- Even though it's not required, it's important to have a primary care provider
- Unlike most PPO plans, with this plan, you pay the same share of cost in and out of the network as long as they participate in Medicare and have not been excluded or precluded from the Medicare Program
- With your UnitedHealthcare Group Medicare Advantage plan, you're connected to programs, resources, tools and people that can help you live a healthier life

Finding a doctor is easy

If you need help finding a doctor or specialist, just give us a call. We can even help schedule that first appointment. When you call your doctor, tell them you have a Medicare Advantage PPO plan.

Why use a UnitedHealthcare network doctor?

A network doctor or health care provider is one who contracts with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your plan benefits. Your provider will bill us for the rest.

An out-of-network provider does not have a contract with us. With the UnitedHealthcare Group Medicare Advantage (PPO) plan, you can see any out-of-network provider as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. You pay your copay or coinsurance according to your plan benefits. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider won't accept the plan, we will contact them on your behalf.

If a provider refuses to directly bill us, they may ask that you pay the full allowable amount upfront. In that case, you can pay the doctor and then submit a claim to us. You'll be reimbursed for the cost of the claim minus your cost share.

Take advantage of UnitedHealthcare's additional support and programs

Annual Physical and Wellness Visit¹

An Annual Wellness Visit with your doctor and many preventive services at \$0 copay is one of the best ways to start your year off and stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns. You may also be eligible to earn a reward for completing and reporting your Annual Wellness Visit.

In-Home Preventive Care Visit from UnitedHealthcare® HouseCalls

With UnitedHealthcare® HouseCalls², you get a yearly in-home visit from one of our health care practitioners at no extra cost to you. A HouseCalls visit is designed to support, but not take the place of, your regular doctor's care.

The visit takes up to an hour and is tailored to your needs. It includes health screenings and a chance to:

- Review current medications
- Receive health education, prevention tips, care and resource assistance, if needed
- Get advice and ask questions on how to manage health conditions
- Receive referrals to other health services and more

At the end of the visit, our health care practitioner will leave you with a personalized checklist and send a summary to your regular doctor.

UnitedHealthcare® HouseCalls Video Visit

A HouseCalls video visit uses a computer, tablet or smartphone to connect plan members with a health care practitioner for up to a full hour to review your health history and current medications, discuss important health screenings, identify health risks and provide health education.

24/7 Nurse Support

Speak to a registered nurse 24/7 over the phone about your medical concerns at no additional cost to you.

Chronic Conditions Programs

UnitedHealthcare offers special programs to help members who are living with a chronic disease like diabetes or heart disease or complex health needs. You get personal attention and your doctors get up-to-date information to help them make decisions.

Virtual Visits

See a doctor or a behavioral health specialist using your computer, tablet or smartphone. With Virtual Visits, you're able to live video chat — anytime, day or night. You will first need to register and then schedule an appointment. On your tablet or smartphone, you can download the Amwell®, Doctor On Demand™ or Teladoc® (medical visits only) apps.

Virtual Doctor Visits

You can ask questions, get a diagnosis or even get medication prescribed and have it sent to your pharmacy. All you need is a strong internet connection. Virtual doctor visits are good for minor health concerns like:

- Allergies, bronchitis, cold/cough
- Fever, seasonal flu, sore throat
- Migraines/headaches, sinus problems, stomachache
- Bladder/urinary tract infections, rashes

Virtual Behavioral Health Visits

May be best for:

- Initial evaluation
- Behavioral Health medication management
- Addiction
- Depression
- Trauma and loss
- Stress or anxiety

Custom-Programmed Hearing Aids

Your hearing health is important to your overall well-being and can help you stay connected to those around you. With UnitedHealthcare Hearing, you'll get access to hundreds of name-brand and private-labeled hearing aids — available in person at any of our 7,000+³ UnitedHealthcare Hearing providers nationwide⁴ or delivered to your doorstep with direct delivery and virtual care (select products only) — so you'll get the care you need to hear better and live life to the fullest.

Fitness Program through SilverSneakers®

SilverSneakers® is a health and fitness program designed for Medicare plans that includes memberships to thousands of locations nationwide, group exercise classes designed for all abilities, on-demand video library, live virtual classes and workshops, and fun activities held outside the gym. Classes, equipment, facilities and services may vary by location.

And so much more to help you live a healthier life

After you become a member, we will connect you to many programs and tools that may help you on your wellness journey. You will get information soon after your coverage becomes effective.

Summary of Benefits

January 1, 2023–December 31, 2023

This is a summary of what we cover and what you pay. Review the Evidence of Coverage (EOC) for a complete list of covered services, limitations and exclusions. You can see it online at retiree.uhc.com/shbp or you can call Customer Service for help. When you enroll in the plan, you will get more information on how to view your plan details online.

About this plan

UnitedHealthcare® Group Medicare Advantage (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A and/or be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of the SHBP.

Our service area includes the 50 United States, the District of Columbia and all US territories.

If you are not entitled to Medicare Part A, please refer to SHBP's enrollment materials, or contact SHBP directly to determine if you are eligible to enroll in our plan. Some plan sponsors have made arrangements with us to purchase Medicare Part A on your behalf.

About providers and network pharmacies

UnitedHealthcare® Group Medicare Advantage (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to retiree.uhc.com/shbp to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

Prescription drugs

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

SHBP has chosen to make supplemental drug coverage available to you. This coverage is in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D prescription drug benefit and your supplemental drug coverage. You can view the Certificate of Coverage at retiree.uhc.com/shbp or call Customer Service to have a hard copy sent to you.

SHBP offers additional prescription drug coverage. Please see your Additional Drug Coverage list for more information.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 31-day supply at a retail pharmacy.

Drug List

Drug List

This is a partial alphabetical list of prescription drugs covered by the plan as of September 1, 2022. This list can change throughout the year. For a complete list, please call Customer Service toll-free at **877-246-4190**, TTY **711**, 8 a.m. - 8 p.m. local time, Monday – Friday.

- Brand name** drugs are in **bold** type. Generic drugs are in plain type
- Covered drugs are placed in tiers. Each tier has a different cost:
 - Tier 1: Preferred generic
 - Tier 2: Preferred brand
 - Tier 3: Non-preferred drug
 - Tier 4: Specialty tier
- Each tier has a copay or coinsurance amount
- See the Summary of Benefits in this book to find out what you'll pay for these drugs
- Some drugs have coverage requirements, such as prior authorization or step therapy. If your drug has any coverage rules or limits, there will be code(s) in the list. The codes and what they mean are shown below

PA
Prior authorization

The plan needs more information from your doctor to make sure the drug is being used correctly for a medical condition covered by Medicare. If you don't get prior approval, it may not be covered.

QL
Quantity limits

The plan only covers a certain amount of this drug for 1 copay or over a certain number of days. Limits help make sure the drug is used safely. If your doctor prescribes more than the limit, you or your doctor can ask the plan to cover the additional quantity.

ST
Step therapy

You may need to try lower-cost drugs that treat the same condition before the plan will cover your drug. If you have tried other drugs or your doctor thinks they are not right for you, you or your doctor can ask the plan for coverage.

B/D
Medicare Part B
or Part D

Depending on how this drug is used, it may be covered by Medicare Part B or Part D. Your doctor may need to give the plan more information about how this drug will be used to make sure it's covered correctly.

HRM
High-risk
medication

This drug is known as a high-risk medication (HRM) for patients 65 years and older. This drug may cause side effects if taken on a regular basis. We suggest you talk with your doctor to see if an alternative drug is available to treat your condition.

LA Limited access	The FDA only lets certain facilities or doctors give out this drug. It may require extra handling, doctor coordination or patient education.
MME Morphine milligram equivalent	Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than 1 opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.
7D 7-day limit	An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan and have a recent history of using opioids, the limit may be overridden by the pharmacy when appropriate.
DL Dispensing limit	Dispensing limits apply to this drug. This drug is limited to a 1-month supply per prescription.

¹Information about the appeals and grievance process for these prescription drugs can be found in your Evidence of Coverage.

Bonus drug list

The State Health Benefit Plan has elected to offer a bonus drug list. The prescription drugs on this list are covered in addition to the drugs on the plan's Drug List (Formulary).

The drug tier for each prescription drug is shown on the list.

Although you pay the same copay for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amount you pay for these additional prescription drugs **does not apply to your Medicare Part D out-of-pocket costs**. Payments for these additional prescription drugs (made by you or the plan) are treated differently from payments made for other prescription drugs.

Coverage for the prescription drugs on the bonus drug list is in addition to your Part D drug coverage. Unlike your Part D drug coverage, you are unable to file a Medicare appeal or grievance for drugs on the bonus drug list. If you have questions, please call Customer Service using the information on the cover of this book.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs on this bonus drug list.

This is not a complete list of the prescription drugs available to you or the restrictions and limitations that may apply through the bonus drug list. If your drug has any coverage rules or limits, there will be code(s) in the "Coverage rules or limits on use" column of the chart. The codes and what they mean are shown below. If you have questions about drug coverage, please call Customer Service using the information on the cover of this book.

QL - Quantity limits

The plan only covers a certain amount of this drug for one copay or over a certain number of days. These limits may be in place to ensure safe and effective use of the drug.

MME - Morphine milligram equivalent

Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than one opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.

7D - 7-day limit

An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan, and have a recent history of using opioids, the limit may be overridden by the pharmacy when appropriate.

DL - Dispensing limit

Dispensing limits apply to this drug. This drug is limited to a one-month supply per prescription.

Statements of Understanding

By enrolling in this plan, I agree to the following:

- ✓ **This is a Medicare Advantage plan contracted with the federal government. This is not a Medicare Supplement plan.**

I need to keep my Medicare Part A and/or Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.

- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

- ✓ **I can only have one Medicare Advantage or Prescription Drug plan at a time.**

- Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
- If I enroll in a different Medicare Advantage plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
- If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- Enrolling in this plan will automatically disenroll me from a Prescription Drug Plan but will not disenroll me from a Medicare Supplement Plan (Medigap plan).
- If I choose to enroll in a non-employer-sponsored Medicare Advantage plan, or another employer-sponsored Medicare Advantage plan not offered by SHBP, I will be automatically enrolled in a non-Medicare Advantage SHBP plan option and will have to pay 100% of the premium.
- Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.

- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

- ✓ **For members of the Group Medicare Advantage plan.**

I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
