Get started

Thank you for being a member of the UnitedHealthcare® Group Medicare Advantage Plan. To make the most of your benefit, discover all that UnitedHealthcare Hearing offers with savings up to 50% off a wide selection of hearing aids and services.

UnitedHealthcare Hearing offers two paths forward

Get help from a hearing care professional

An expert-guided path means you'll have a no-cost hearing exam and consultation, then have help finding the right hearing aid for your lifestyle.

Take the self-guided path

Don't want the hassle of appointments or prescriptions? If you have mild-to-moderate hearing loss, you can shop for over-the-counter hearing aids that are covered by your benefits.

United
Healthcare®
Hearing

Better hearing starts here

Treating hearing loss may help you rediscover parts of your life that may have felt missing – including engaging in daily activities and staying connected to the people you love. You'll also support your long-term health and can potentially reduce the risk of diseases such as dementia¹

Good-to-know details

- ✓ Hearing aids today typically are smaller, less noticeable, and more comfortable than they used to be
- ✓ Both prescription and over-the-counter (OTC) hearing aids come in a variety of styles to fit your lifestyle, budget and goals
- ✓ A convenient, national network of hearing care professionals offer support for prescription devices

Choose from a broad array of high quality hearing aids from major brands.

What to expect from hearing aids

Innovative new hearing aids help you stay connected and engaged, from versatile over-the-counter devices to the cutting-edge technology of prescription hearing aids.

Prescription devices include:

An expert-guided path with in-person support

Personalized recommendations and follow-up

Over-the-counter devices allow you to:

Shop online and have your devices shipped to your door

Set up and fine-tune your devices on your own
