How to enroll

Prior to enrolling in the TRS-Care Medicare Advantage plan, you need to sign up for Medicare. You must enroll in Medicare before the first day of the month you turn 65 to enroll in the TRS-Care Medicare Advantage plan. You should enroll in Medicare Part A if you are entitled to premium-free Medicare Part A. However, you must purchase and maintain Medicare Part B coverage in order to be eligible for benefits through TRS-Care. Once you sign up for Medicare, please share your Medicare Beneficiary ID number with TRS so we can verify your Medicare status and enroll you in the TRS-Care Medicare Advantage plan.

You aren't required to enroll in TRS-Care Medicare Advantage, but it is your only medical option through TRS-Care. If you do not want to join this plan, you may only reenter TRS-Care if you have a special enrollment event such as a marriage, adoption or an involuntary loss of comprehensive coverage. Additionally, if you terminated TRS-Care coverage between Jan. 1, 2017 and Dec. 31, 2019, you will be able to return to the program and add your eligible dependents under the one-time reenrollment opportunity. If you terminate coverage, you and your eligible dependents won't have any medical or prescription coverage through TRS-Care. You may terminate TRS-Care Medicare Advantage coverage by calling TRS Health and Insurance Benefits at **1-888-237-6762** (TTY: **711**), 7 a.m.–6 p.m. CT, Monday–Friday.

We encourage you to carefully consider your decision before you leave the program. Please note that you and any of your covered dependents won't have any TRS-Care coverage if you opt-out. You also have the option to terminate your TRS-Care Medicare Advantage coverage any time throughout the year.

TRS-Care Medicare Advantage

UnitedHealthcare serves as the health care insurer for the TRS-Care Medicare Advantage medical plan. This is a unique plan available only to eligible TRS-Care retirees, surviving spouses and eligible dependents.

“Medicare Advantage” is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have

You should enroll in Medicare Part A if you are entitled to premium-free Medicare Part A. You must also stay enrolled in Medicare Part B to be in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with Social Security
- Visit www.ssa.gov/locator or call **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday, or call your local office

How your TRS-Care Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored plan such as the TRS-Care Medicare Advantage plan.

✓ One plan at a time

- You may be enrolled in only 1 Medicare Advantage plan and 1 Medicare Part D prescription drug plan at a time
- UnitedHealthcare will administer your TRS-Care Medicare Advantage medical benefits. SilverScript Inc. will continue to administer your TRS-Care Medicare Rx prescription drug benefits
- The plan you enroll in last is the plan that the Centers for Medicare & Medicaid Services (CMS) considers to be your final decision
- If you enroll in another Medicare Advantage plan after your enrollment in this group-sponsored plan, you risk losing all TRS-Care coverage
- Any currently covered dependents may also risk losing coverage from this TRS-Care Medicare Advantage plan. This means that you and your family may not have hospital/medical coverage through TRS

✓ You must have employer group-sponsored coverage

Your TRS-Care Medicare Advantage plan includes only medical coverage. It does not include prescription drug coverage

- You may have Medicare Part D coverage through the TRS-Care Medicare Rx plan that is administered through SilverScript
- If you want Medicare Part D coverage, it must also come through a TRS-sponsored plan
- Your Medicare Part D coverage cannot be an individual prescription drug plan
- If you enroll in an individual Part D prescription drug plan, you will be terminated from the TRS-Care Medicare Advantage plan

Remember: If you do not want to join this plan, you may only re-enter TRS-Care if you have a special enrollment event such as a marriage, adoption or involuntary loss of coverage. If a TRS retiree or surviving spouse terminates coverage or is no longer eligible for the TRS-Care Medicare Advantage plan, dependents may not remain on any TRS-Care plan beyond the plan termination date. If you decide to terminate coverage, TRS encourages you to carefully consider your decision before you choose to leave the program.

View your plan information online

Once you receive your TRS-Care Medicare Advantage member ID card, you can create your secure online account at: www.UHCRetiree.com/TRS-CareMA

You'll be able to view plan documents, find a provider and access lifestyle and learning articles, recipes, educational videos and more.

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

²Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

Getting the health care coverage you may need

Your care begins with your doctor

- With this plan, you have the flexibility to see providers (in-network or out-of-network) as long as they accept Medicare and are willing to bill UnitedHealthcare. You pay the same share of cost in- and out-of-network
- Even though it's not required, it's important to have a primary care provider (PCP). PCP is a physician, nurse practitioner or physician assistant working in family practice, general practice or internal medicine that acts as your partner to help you attain your best health. Your PCP will get to know your medical history and identify health problems before they become serious issues. They help advise you on the right treatment options and educate you on your health conditions.
- With your TRS-Care Medicare Advantage plan, you're connected to programs, resources, tools and people that can help you live a healthier life

Finding a doctor is easy

If you need help finding a doctor or specialist, just give us a call. We can even help schedule that first appointment. To see if your provider is part of the UnitedHealthcare network, go to www.UHCRetiree.com/TRS-CareMA and click on "Look up a provider now."

Why use a UnitedHealthcare network doctor?

A network doctor or health care provider is one who contracts with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your plan benefits. Your provider will bill us for the rest.

An out-of-network provider does not have a contract with us. With the TRS-Care Medicare Advantage (PPO) plan, you can see any out-of-network provider that accepts Medicare and will bill UnitedHealthcare. You pay your plan's copay or coinsurance. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider says they won't accept the plan, call UnitedHealthcare. We will contact them on your behalf and explain how the plan works.

If a provider refuses to directly bill us, they may ask that you pay the full allowable amount upfront. In that case, you can pay the doctor and then submit a claim to us. You'll be reimbursed for the cost of the claim minus your cost share.

Statements of understanding

By enrolling in the TRS-Care Medicare Advantage plan, I agree to the following:

- ✓ **This is a Medicare Advantage plan and has a contract with the federal government. This is not a Medicare Supplement plan.**

I need to keep my Medicare Part A (if applicable) and Part B, and continue to pay my Medicare Part B premium, and if applicable Part A premium, if my premiums are not paid for by Medicare or a third party. To be eligible for this plan, I must live in the plan's service area. Please refer to the Evidence of Coverage for further eligibility requirements.
- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.
- ✓ **I can only have one Medicare Advantage plan at a time.**
 - Enrolling in the TRS-Care Medicare Advantage plan will automatically disenroll me from any other Medicare health plan.
 - If I enroll in a different Medicare Advantage plan, I will risk losing all TRS-Care coverage for myself and any covered dependents.
 - If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.
- ✓ **For members of the Group Medicare Advantage plan.**

I understand that when my coverage begins, I must get all of my medical benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.

United
Healthcare

Helpful information when you go to the doctor and other health care providers

With the TRS-Care Medicare Advantage plan, which is a UnitedHealthcare® Group Medicare Advantage (PPO) plan, you can see any provider (in-network or out-of-network) at the same cost share, as long as they accept Medicare and are willing to bill UnitedHealthcare. You'll find helpful tips to share with your doctor on the back side of this page.

Going to an in-network doctor or health care provider

What is an in-network doctor?

An in-network doctor or health care provider is one who contracts with UnitedHealthcare to provide services to Medicare-eligible members.

What do I pay?

You pay your copay or coinsurance according to your plan benefits. Your doctor or health care provider will bill UnitedHealthcare for the rest of the cost of your service(s).

Can a network doctor refuse to see me?

If you are an existing patient, the doctor or health care provider must continue to see you. A network doctor may choose not to see you if they have not seen you before and if they are not accepting any **new** Medicare patients.

How is the doctor paid?

The doctor or health care provider is paid according to their contract with UnitedHealthcare.

Going to an out-of-network doctor or health care provider

Out-of-network health care providers who are eligible to participate in Medicare can treat and receive payment for UnitedHealthcare-covered patients with this plan. UnitedHealthcare pays providers according to the Original Medicare fee schedule less any member plan responsibility.

What is an out-of-network doctor?

An out-of-network doctor or health care provider does not have a contract with UnitedHealthcare.

Can I see any out-of-network doctor?

You can see any out-of-network doctor or health care provider that participates in Medicare and accepts the plan. Accepting the plan means the doctor is willing to treat you and bill UnitedHealthcare.

What do I pay?

You pay your plan's copay or coinsurance. You have the same cost share for both in- and out-of-network benefits. UnitedHealthcare will pay for the rest of the cost of your covered service(s) including any excess charges up to the limit set by Medicare.

Will the doctor bill UnitedHealthcare?

If a doctor or hospital refuses to directly bill UnitedHealthcare, they may ask that you pay the full allowable amount. In that case, you can pay the doctor and then submit your claim to UnitedHealthcare. You will be reimbursed for the cost of the claim less your copay or coinsurance.

What if my doctor says they will not accept the plan?

We will be happy to contact your doctor on your behalf to explain how the plan works. Usually, that is all that is needed.

We're here to help

If you have questions or need help finding a new doctor, please give us a call toll-free at **1-866-347-9507**, TTY **711**, 7 a.m. – 6 p.m. CT, Monday – Friday.

Help for your providers

Helpful tips for your doctor can be found on the back side of this page.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

UnitedHealthcare® Group Medicare Advantage (PPO) Plan

We look forward to working with you as you deliver care to UnitedHealthcare® Group Medicare Advantage (PPO) plan members.

Providing Care to Members

Preferred provider organization (PPO) plans offer members access to a network of contracted local physicians and hospitals, but also allow them the flexibility to seek covered services from outside of the contracted network. Members do not need a referral for care.

Members of this plan can see any care provider, even those not participating in the UnitedHealthcare network, as long as the care provider:

- Participates in Medicare
- Accepts the plan
- Hasn't opted out of Medicare
- Isn't on the excluded or precluded list for Medicare

UnitedHealthcare® Group Medicare Advantage

UnitedHealthcare® Group Medicare Advantage plans are only offered to groups such as employers, unions and government sub-entities. These plans provide group retiree Medicare beneficiaries with a variety of health care benefit plan choices, often with more benefits than those provided by Original Medicare. Plan members are still covered under the Medicare program and have federally regulated rights and protections.

You can find an administrative guide, tools and resources to help you better understand the UnitedHealthcare benefit plans in your area at UHCprovider.com/plans > choose your state > Medicare > Group Medicare Advantage Plans. Thank you.

To the right, it says "Coverage starts/Coertura empieza" followed by "03-01-2016" for both parts. A large "SAMPLE" watermark is visible across the card.

Once you receive your Medicare card, please complete the enclosed form and return it to TRS or call TRS Health and Insurance Benefits at **1-888-237-6762** (TTY: **711**) Monday – Friday, 7 a.m. – 6 p.m., Central time. If you do not provide your Medicare Beneficiary ID number to TRS, you risk delaying or not having any medical or prescription drug coverage through TRS-Care.

Federal rules governing Medicare Advantage require UnitedHealthcare® to have your Medicare number on file.

If you're adding dependents to your TRS-Care coverage, you'll still need to complete the application that TRS sends in a packet to you.

Thank you for your prompt attention to this matter.

Sincerely,

TRS Health and Insurance Benefits
