# + More from your health plan

This plan is a Medicare Advantage plan, also known as Medicare Part C. This plan has all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B). Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

## Here's how the TRS-Care Medicare Advantage plan works

**Get care from providers in or out-of-network for the same cost share as long as they accept Medicare and are willing to bill UnitedHealthcare**

**You don't need a referral to see a specialist or other provider**

**You pay a standard copay or coinsurance to see a network or out-of-network provider**

We work closely with our network (contracted) providers to make sure they have access to resources and tools to help them work with you for better health outcomes.

**Select a primary care provider (PCP) to oversee and help manage your care**

The plan doesn't require you to have a PCP, but using a PCP is very beneficial for your long-term health and well-being.

**This plan has a maximum annual out-of-pocket amount**

If you reach the limit, the plan will pay 100% of your Medicare-covered services for the rest of the plan year.

**Emergency and urgently needed services are covered anywhere in the world**

**\$0 deductible through the end of the 2025 plan year.** Beginning January 1, 2026, your annual deductible will be \$400 for in and out-of-network services.

# Get to know your TRS-Care Medicare Advantage plan

It's important that you understand your plan and what benefits it covers. You can find the Provider Directory and more at [retiree.uhc.com/TRS-CareMA](https://retiree.uhc.com/TRS-CareMA).

## Review the online Provider Directory to see if your providers are in the network

It's okay if they're not. This plan lets you see out-of-network providers at the same cost share as long as they accept Medicare and are willing to bill UnitedHealthcare.

## Review the Summary of Benefits in this guide to see how much you'll pay for medical services

You can also review the Summary of Benefits online.

You should enroll in Medicare Part A if you can get it for free. You must also stay enrolled in Medicare Part B to be in this plan.

If you're not sure if you are enrolled in Medicare Part B, check with Social Security at [ssa.gov/locator](https://ssa.gov/locator) or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

You may lose all TRS-Care coverage if you stop paying your Medicare Part B premium.

## You're eligible to enroll in TRS-Care Medicare Advantage plan if you:

Are entitled to Medicare Part A and enrolled in Medicare Part B.

Continue to pay your Part B premium (unless it's paid for you).

**Remember:** If you do not want to join this plan, you may only re-enter TRS-Care if you have a special enrollment event such as a marriage, adoption or involuntary loss of coverage. If a TRS retiree or surviving spouse terminates coverage or is no longer eligible for the TRS-Care Medicare Advantage plan, dependents may not remain on any TRS-Care plan beyond the plan termination date. If you decide to terminate coverage, TRS encourages you to carefully consider your decision before you choose to leave the program.

- ✓ **I can only have one Medicare Advantage Plan at a time.**
  - Enrolling in the TRS-Care Medicare Advantage Plan will automatically disenroll me from any other Medicare health plan.
  - If I enroll in a different Medicare Advantage Plan, I will risk losing all TRS-Care coverage for myself and any covered dependents.
  - If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- ✓ **UnitedHealthcare will release my information to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**  
Medicare may also release my information for research and other purposes that follow all applicable federal statutes and regulations.
