Plan Details

UnitedHealthcare® Group Medicare Advantage (PPO)

The Trust worked with UnitedHealthcare to design a plan specifically for its members and tailored to your needs.

“Medicare Advantage” is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus prescription drugs as well as extra programs that go beyond Original Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with Social Security
- Visit www.ssa.gov/locator or call **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday, or call your local office
- You must continue paying your Medicare Part B premium to be eligible for coverage under this plan
- If you stop paying your Medicare Part B premium, you may be disenrolled from this plan

Medicare Advantage Coverage:

Medicare Part A
Hospital

+

Medicare Part B
Doctor and Outpatient

+

Medicare Part D
Prescription Drugs

+

Extra programs
Beyond Original Medicare

How your Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

✓ One plan at a time

- You may be enrolled in only one Medicare Advantage plan and one Medicare Part D prescription drug plan at a time
- The plan you enroll in last is the plan that Centers for Medicare & Medicaid Services (CMS) considers to be your final decision
- **If you enroll in another Medicare Advantage plan or a stand-alone Medicare Part D prescription drug plan after enrollment in this Trust-sponsored plan, you will be disenrolled from this plan and defaulted into the Traditional Care Network (TCN) plan**
- **Any eligible family members may also be disenrolled from the UnitedHealthcare Medicare Advantage plan and be defaulted into the TCN plan**

Your plan is a Preferred Provider Organization (PPO) plan

How your medical coverage works — most frequently asked questions

You can see any provider (in-network or out-of-network) at the same cost share as long as they are eligible to participate in the Medicare Program.

Can I continue to see my doctor/specialist?

Yes, you have access to our nationwide coverage. You can see any provider (in-network or out-of-network) at the same cost share as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program¹.

What is my copay?

Copays vary by service². Refer to the Summary of Benefits or Benefit Features in this guide for more information.

Do I need to choose a primary care provider (PCP)?

No, but it is recommended by the Trust to have a PCP to help manage your healthcare.

Do I need a referral to see a specialist?

No.

Can I go to any hospital?

You can go to any in-network hospital. If the hospital does not participate in the UnitedHealthcare network, you will pay the same cost share as in-network, as long as they participate in Medicare and agree to treat you¹.

Are emergency and urgently needed services covered?

Yes.

Do I have to pay the full cost for all doctor or hospital services?

You will pay your standard copay for the services you get².

Are there any situations when a doctor will balance bill me?

Under this plan, you are not responsible for any balance billing when seeing health care providers who are eligible to participate in the Medicare Program.

¹This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

View Your Plan Information Online

Once you receive your UnitedHealthcare member ID card, you can create your secure online account at: retiree.uhc.com/UAWTrust

You'll be able to view plan documents, find a provider, locate a pharmacy and access lifestyle and learning articles, recipes, educational videos and more.

How your prescription drug coverage works

Your Medicare Part D prescription drug coverage includes thousands of brand-name and generic prescription drugs. Check your plan's drug list to see if your drugs are covered.

Here are answers to common questions:

What pharmacies can I use?

You can choose from thousands of national chain, regional and independent local retail pharmacies. You will also have mail order available to you and it allows you to purchase up to a 90-day supply of your prescription drugs for the same copay as one-month supply at retail.

What is a drug-cost tier?

In general, your prescriptions under this plan will be similar to your current benefit. Medications are assigned to one of three copay categories called tiers. The copay amount for each prescription order or refill is based on what tier the medication falls into and how the drug is dispensed (retail pharmacy or mail order). Copay amounts are established annually and announced in the Benefit Highlights sent out by the Trust every fall.

To find more information on prescription drugs

What you pay for prescription drugs is defined in the Benefits features and Summary of benefits, under prescription drugs. Your cost may also change during the year based on the total cost of the prescriptions you have filled.¹

Can I have more than one Medicare prescription drug plan?

No. You can only have one Medicare plan that includes prescription drug coverage at a time. If you enroll in another Medicare Part D prescription drug plan OR a Medicare Advantage plan that includes prescription drug coverage, you will be disenrolled from this plan.

Will I have a separate prescription drug ID card?

No. You will have one UnitedHealthcare ID card that can be used for both medical and prescription drugs.

Additional information about your prescription drugs

- ✓ **You may save on the medications you take regularly**
If you prefer the convenience of mail order, you could save time and money by receiving your maintenance medications from Optum® Home Delivery Pharmacy. You will pay the same amount for a 3-month mail order supply as you would for a one-month order at a retail pharmacy. You'll get automatic refill reminders and access to licensed pharmacists if you have questions.
- ✓ **Filling your prescriptions is convenient**
UnitedHealthcare has thousands of national chain, regional and independent local retail pharmacies in our network.¹
- ✓ **Explore lower-cost options**
Each covered drug in your drug list is assigned to a drug-cost tier. The lower the tier, the less you pay. If you're taking a higher-tier drug, you may want to ask your doctor if there's a lower-tier drug you could take instead.
- ✓ **Have an annual medication review**
Take some time during your Annual Wellness Visit to make sure you are only taking the drugs you need.

The UnitedHealthcare Savings Promise

UnitedHealthcare is committed to keeping your prescription drug costs down. As a UnitedHealthcare member, you have our Savings Promise that you'll pay the lowest price available. That low price may be your plan copay, the pharmacy's retail price or our contracted price with the pharmacy.

¹2023 Internal Report Data

What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount Social Security determines you may need to pay in addition to your monthly plan premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit. This extra amount is paid directly to Social Security, not to your plan. Social Security will contact you if you have to pay IRMAA.

What is a Medicare Part D Late Enrollment Penalty (LEP)?

If, at any time after you first become eligible for Medicare Part D, there's a period of at least 63 days in a row when you don't have Medicare Part D or other creditable prescription drug coverage, a penalty may apply. Creditable coverage is prescription drug coverage that is at least as good as or better than what Medicare requires. The LEP is an amount that the Trust will pay on your behalf to UnitedHealthcare.

Once you become a member, more information will be available in your Evidence of Coverage (EOC). Your Quick Start Guide will include details on how to access your EOC.

Call Social Security to see if you qualify for Extra Help

If you have a limited income, you may be able to get Extra Help to pay for your prescription drug costs. If you qualify, Extra Help could pay up to 75% or more of your drug costs. There's no penalty for applying, and you can re-apply every year.

Getting the health care coverage you may need

Your care begins with your doctor

- With this plan, you have the flexibility to see doctors inside or outside the UnitedHealthcare network
- Even though it's not required, it's important to have a primary care provider
- Unlike most PPO plans, with this plan, you pay the same share of cost in and out of the network as long as they participate in the Medicare Program
- With your UnitedHealthcare Medicare Advantage plan, you're connected to programs, resources, tools and people that can help you live a healthier life

Finding a doctor is easy

If you need help finding a doctor or specialist, just give us a call at **1-844-320-5021**. We can even help schedule that first appointment. When you call your doctor, tell them you have a Medicare Advantage PPO plan.

Why use a UnitedHealthcare network doctor?

A network doctor or health care provider is contracted with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay according to your plan benefits. Your provider will bill us for the rest.

An out-of-network provider does not have a contract with us. With the UnitedHealthcare Group Medicare Advantage (PPO) plan, you can see any out-of-network provider as long as they agree to treat you and have not opted out of or been excluded or precluded from the Medicare Program. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider won't accept the plan, we will contact them on your behalf.

If a provider refuses to directly bill us, they may ask that you pay the full allowable amount upfront. In that case, you can pay the doctor and then submit a claim to us. You'll be reimbursed for the cost of the claim minus your cost share.

Take advantage of UnitedHealthcare's additional support and programs

Annual Physical and Wellness Visit¹

An Annual Wellness Visit with your doctor and many preventive services at \$0 copay is one of the best ways to start your year off and stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns. You may also be eligible to earn a rewards for completing and reporting eligible health-related activities.

UnitedHealthcare® Housecalls² visit

With UnitedHealthcare HouseCalls, you get a yearly in-home visit from one of our licensed health care practitioners at no extra cost to you. A HouseCalls visit is designed to support, but not take the place of, your regular doctor's care.

The visit takes up to an hour and is tailored to your needs. It includes health screenings and a chance to:

- Review medications
- Receive health education, prevention tips, care and resource assistance, if needed
- Get advice and ask questions on how to manage health conditions
- Receive referrals to other health services and more

At the end of the visit, our health care practitioner will leave you with a personalized checklist and send a summary to your primary care provider.

24/7 Nurse Support

Speak to a registered nurse 24/7 over the phone about your medical concerns at no additional cost to you.

Chronic Conditions Programs

UnitedHealthcare offers special programs to help members who are living with a chronic disease like diabetes or heart disease or complex health needs. You get personal attention and your doctors get up-to-date information to help them make decisions.

¹A copay may apply if you receive services that are not part of the Annual Physical/Wellness Visit.

²HouseCalls may not be available in all areas.

Virtual Visits

See a doctor or a behavioral health specialist using your computer, tablet or smartphone. With Virtual Visits, you're able to live video chat – anytime, day or night. You will first need to register and then schedule an appointment. On your tablet or smartphone, you can download the Amwell®, Doctor On Demand™ and Teladoc™ Health (medical visits only) apps.

Virtual Doctor Visits – \$0 copay when using Amwell, Doctor on Demand or Teladoc

You can ask questions, get a diagnosis or even get medication prescribed and have it sent to your pharmacy. All you need is a strong internet connection. Virtual doctor visits may be good for minor health concerns like:

- Allergies, bronchitis, cold/cough
- Fever, seasonal flu, sore throat
- Migraines/headaches, sinus problems, stomachache
- Bladder/urinary tract infections, rashes

Virtual Behavioral Health Visits – \$0 copay when using Amwell, Doctor on Demand or local providers

May be best for:

- Initial evaluation
- Behavioral Health medication management
- Addiction
- Depression
- Trauma and loss
- Stress or anxiety

Mental and Behavioral Health

Nothing is more important than your health, which includes your mental health. You have access to many resources that may help improve your emotional and mental health, including:

- Ongoing mental health support with Optum Behavioral Health
- Health and wellness resources with Renew by UnitedHealthcare

Get to Health-Related Appointments

Our transportation program gives you a lift to and from medically related visits such as doctors' appointments, pharmacy trips and more. The program offers up to 24 one-way trips per year at no extra cost to you.

Stay Healthy at Home

UnitedHealthcare® Healthy at Home provides you with the support you need to recover from hospital and skilled nursing facility stays. You are eligible to receive home-delivered meals, transportation to medical appointments and in-home personal care to assist with daily activities, all at no cost to you.

Prescription drugs

If the actual cost for a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

Your plan sponsor has chosen to make supplemental drug coverage available to you. This coverage is in addition to your Part D prescription drug benefit. The drug copays in this section are for drugs that are covered by both your Part D prescription drug benefit and your supplemental drug coverage. You can view the Certificate of Coverage at retiree.uhc.com/UAWTrust or call Customer Service to have a hard copy sent to you.

Your plan sponsor offers additional prescription drug coverage. Please see your Additional Drug Coverage list for more information.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 31-day supply at a retail pharmacy.

About this plan

UnitedHealthcare® Group Medicare Advantage (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Our service area includes the 50 United States, the District of Columbia and all US territories.

About providers and network pharmacies

UnitedHealthcare® Group Medicare Advantage (PPO) has a network of doctors, hospitals, pharmacies and other providers. You can see any provider (**in-network or out-of-network**) at the same cost share, as long as they accept Medicare and as long they are willing to bill the plan. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to retiree.uhc.com/UAWTrust to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered and if there are any restrictions.

Required Information

UnitedHealthcare® Group Medicare Advantage (PPO) is insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare.

Plans may offer supplemental benefits in addition to Part C and Part D benefits.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

UnitedHealthcare does not discriminate on the basis of race, color, national origin, sex, age, or disability in health programs and activities.

UnitedHealthcare provides free services to help you communicate with us such as documents in other languages, Braille, large print, audio, or you can ask for an interpreter. For more information, please call Customer Service at the number on your member ID card or the front of your plan booklet.

UnitedHealthcare ofrece servicios gratuitos para ayudarle a que se comunique con nosotros. Por ejemplo, documentos en otros idiomas, braille, en letra grande o en audio. O bien, usted puede pedir un intérprete. Para obtener más información, llame a Servicio al Cliente al número que se encuentra en su tarjeta de ID de miembro o en la portada de la guía de su plan.

This information is available for free in other languages. Please call our Customer Service number located on the first page of this book.

Benefits, features and/or devices vary by plan/area. Limitations and exclusions may apply.

You are not required to use OptumRx home delivery for a 90-day supply of your maintenance medication. If you have not used OptumRx home delivery, you must approve the first prescription order sent directly from your doctor to OptumRx before it can be filled. New prescriptions from OptumRx should arrive within five business days from the date the completed order is received, and refill orders should arrive in about seven business days. Contact OptumRx anytime at 1-877-524-3784, TTY 711. OptumRx is an affiliate of UnitedHealthcare Insurance Company.

The Formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

You must continue to pay your Medicare Part B premium.

Out-of-network/non-contracted providers are under no obligation to treat UnitedHealthcare members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Drug list

Drug List

This is a partial alphabetical list of prescription drugs covered by the plan as of September 1, 2023. This list can change throughout the year. This is not a complete list of the drugs we cover. For a complete list, please call Customer Service toll-free at **1-844-320-5021**, TTY: **711**, 8 a.m.–8 p.m. local time, Monday – Friday.

- ❑ **Brand name** drugs are in **bold** type. Generic drugs are in plain type.
- ❑ Covered drugs are placed in tiers. Each tier has a different cost.
- ❑ See the Summary of Benefits in this book to find out what you'll pay for these drugs.
- ❑ Some drugs have coverage requirements, such as prior authorization or step therapy. If your drug has any coverage rules or limits, there will be code(s) in the list. The codes and what they mean are shown below.

PA
Prior authorization

The plan needs more information from your doctor to make sure the drug is being used correctly for a medical condition covered by Medicare. If you don't get prior approval, it may not be covered.

QL
Quantity limits

The plan only covers a certain amount of this drug for 1 copay or over a certain number of days. Limits help make sure the drug is used safely. If your doctor prescribes more than the limit, you or your doctor can ask the plan to cover the additional quantity.

ST
Step therapy

You may need to try lower-cost drugs that treat the same condition before the plan will cover your drug. If you have tried other drugs or your doctor thinks they are not right for you, you or your doctor can ask the plan for coverage.

B/D
Medicare Part B
or Part D

Depending on how this drug is used, it may be covered by Medicare Part B or Part D. Your doctor may need to give the plan more information about how this drug will be used to make sure it's covered correctly.

HRM
High-risk
medication

This drug is known as a high-risk medication (HRM) for patients 65 years and older. This drug may cause side effects if taken on a regular basis. We suggest you talk with your doctor to see if an alternative drug is available to treat your condition.

LA
Limited access

The FDA only lets certain facilities or doctors give out this drug. It may require extra handling, doctor coordination or patient education.

MME Morphine milligram equivalent	Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME) and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than 1 opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.
7D 7-day limit	An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan and have a recent history of using opioids, the limit may be overridden by the pharmacy when appropriate.
DL Dispensing limit	Dispensing limits apply to this drug. This drug is limited to a 1-month supply per prescription.
SP Specialty drugs	Most specialty drugs are limited to a 31-day supply through retail and mail.

Additional Drug Coverage

Additional prescription drug coverage

Your plan includes extra coverage for certain supplies as shown below. These supplies are either not generally covered under Medicare Part D or are covered at a different cost level than the one shown on your plan's Drug List (Formulary).

This is not a complete list of supplies covered by our plan. For a complete list, please call Customer Service using the information on the cover of this book.

Lower-cost Medicare supplies

Your plan covers some of your Medicare supplies at a lower copay than in your Drug List (Formulary).

These supplies are part of your Medicare prescription drug coverage.¹

\$0 copay

Alcohol Swabs

Insulin Syringes

Insulin Pen Needles

¹Information about the appeals and grievance process for these supplies can be found in your Evidence of Coverage.

Bonus drug list

Your employer group or plan sponsor offers a bonus drug list. The prescription drugs on this list are covered in addition to the drugs on the plan's Drug List (Formulary).

The drug tier for each prescription drug is shown on the list.

Although you pay the same copay for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amount you pay for these additional prescription drugs **does not apply to your Medicare Part D out-of-pocket costs**. However, these costs will apply to your annual drug out-of-pocket maximum.

Coverage for the prescription drugs on the bonus drug list is in addition to your Part D drug coverage. Unlike your Part D drug coverage, you are unable to file a Medicare appeal or grievance for drugs on the bonus drug list. If you have questions, please call Customer Service using the information on the cover of this book.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs on this bonus drug list.

This is not a complete list of the prescription drugs available to you or the restrictions and limitations that may apply through the bonus drug list. If your drug has any coverage rules or limits, there will be code(s) in the "Coverage rules or limits on use" column of the chart. The codes and what they mean are shown below. If you have questions about drug coverage, please call Customer Service using the information on the cover of this book.

QL - Quantity limits

The plan only covers a certain amount of this drug for one copay or over a certain number of days. These limits may be in place to ensure safe and effective use of the drug.

MME - Morphine milligram equivalent

Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional limit is called a cumulative morphine milligram equivalent (MME), and is designed to monitor safe dosing levels of opioids for individuals who may be taking more than one opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.

7D - 7-day limit

An opioid drug used for the treatment of acute pain may be limited to a 7-day supply for members with no recent history of opioid use. This limit is intended to minimize long-term opioid use. For members who are new to the plan and have a recent history of using opioids, the limit may be overridden by the pharmacy when appropriate.

DL - Dispensing limit

Dispensing limits apply to this drug. This drug is limited to a one-month supply per prescription.

What's next

Here's What You Can Expect Next

Quick Start Guide and UnitedHealthcare member ID card	Once you're enrolled, we will mail you a Quick Start Guide 7-10 days after your enrollment is approved and a UnitedHealthcare member ID card. Please note, your member ID card will be attached to the front cover of your guide.
Member site access	After you receive your member ID card, you can register online at the member site listed below to get access to plan information.
Health assessment	In the first 90 days after your plan's effective date, we'll give you a call. Medicare requires us to call and ask you to complete a short health survey. You can also go to the member site below and take the survey online.

On your plan's effective date, show your new UnitedHealthcare ID card at each doctor's visit and at your local pharmacy to obtain your prescriptions.

We're here for you

When you call the Trust's dedicated number, it will be helpful to have:

- ✓ **Names and addresses for your doctors, clinics and the name and address of your pharmacy**
- ✓ **If you're calling about drug coverage, please have a list of your current prescriptions and dosages ready**

Statements of Understanding

By enrolling in this plan, I agree to the following:

- ✓ **This is a Medicare Advantage plan and contracted with the federal government. This is not a Medicare Supplement plan.**

I need to keep my Medicare Part A and/or Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.

- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

- ✓ **I can only have one Medicare Advantage or Prescription Drug plan at a time.**

- Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
- If I enroll in a different Medicare Advantage plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
- If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- You may disenroll from this plan at any time if you are not satisfied. To disenroll from this plan or enroll in a different Trust sponsored plan, you must call Retiree Health Care Connect (RHCC) at 866-637-7555.

- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

- ✓ **For members of the Group Medicare Advantage plan.**

I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.

- ✓ **I give consent for all entities under UnitedHealthcare, its affiliates, and any outside vendor used by UnitedHealthcare to call the phone number(s) I have provided using an autodialer and/or prerecorded voice.**
