

Transportation to and from your health care appointments

Once you are enrolled in the health care plan, you will have access to the Transportation benefit.

If you're in need of a reliable ride to your doctor or specialist appointments, our transportation program can help. We have a variety of options depending on your needs, all at no additional cost to you.

How it works

- Use your transportation benefit for rides to and from your medical appointments and to the pharmacy to pick-up your prescriptions.
- Schedule up to 24 one-way trips per year.
- Once you are enrolled in the plan, call the number on the back of this flyer to schedule your ride. Your trip can be scheduled up to 30 days in advance, but must be made at least two days prior to your appointment for standard services.
- A representative will ask for some information, such as your name and address, UnitedHealthcare® member ID number and the address of your medical appointment or pharmacy. Please have this information ready when you call.

If you need to make any changes or cancel your appointment, please call the number below as soon as you can

The transportation program can accommodate changes you need to make within a reasonable amount of time. If your ride does not come within the scheduled window, call the number below for assistance.
