# + More from your health plan

Your PPO plan is a Medicare Advantage plan, also known as Medicare Part C. This plan has all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B). Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

## Here's how this PPO plan works

**Unlike most PPO plans, with this plan you pay the same share of cost in and out-of-network as long as they participate in Medicare and agree to treat you**

**No referral is needed to see a specialist or other provider**

**Select a primary care provider (PCP) to help manage your care**

It's not required by the plan, but it's recommended by the Trust and beneficial for your long-term health and well-being.

**You pay a standard copay to see a network or out-of-network provider**

We work closely with our network (contracted) providers to make sure they have access to resources and tools to help them work with you for better health outcomes.

**Emergency and urgently needed services are covered anywhere**

**This plan covers thousands of brand name and generic drugs**

**This plan has separate maximum annual out-of-pocket amounts for medical, Part B drugs and Part D drugs**

### **Medical and Part B drugs**

**combined** - After you've paid \$1,500 for medical services and Part B drugs, you won't pay anything for covered services and Part B drugs for the rest of the plan year.

**Part D drugs** – After you've paid \$1,000 for Tier 2 drugs you'll pay \$0 for Tier 2 drugs for the rest of the plan year. After you and others on your behalf have paid a combined total of \$2,000 for your prescription drugs, you'll pay \$0 for Medicare Part D drugs for the rest of the calendar year.

# Get to know your plan

It's important that you understand your plan and how it works. You can find the Drug List, Provider and Pharmacy directories and more at [retiree.uhc.com/UAWTrust](https://retiree.uhc.com/UAWTrust).

## Review the online Drug List

Drugs are assigned to categories called tiers. The copay amount for each drug is based on what tier the drug falls into and how it is filled (retail pharmacy or mail order). Copays are set annually and included in the Benefit Highlights sent out by the Trust every fall.

## Review the online Provider Directory

It's okay if your provider isn't in the network. This plan allows you to see out-of-network providers at the same cost share as long as they participate in Medicare and agree to treat you.

## Review the online Pharmacy Directory

If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

## Review the Summary of Benefits in this guide or online

It includes how much you'll pay for medical services and prescription drugs.

If you're not sure if you are enrolled in Medicare Part B, check with Social Security at [ssa.gov/locator](https://ssa.gov/locator) or call 1-800-772-1213, TTY 1-800-325-0778, 8 a.m.–7 p.m., Monday–Friday, or call your local office.

You may be disenrolled from this plan if you stop paying your Medicare Part B premium.

**You're eligible for this Medicare Advantage plan if you:**

Are entitled to Medicare Part A and enrolled in Medicare Part B.

Continue to pay your Part B premium.

**Remember:** If you enroll in another Medicare Advantage plan or a stand-alone Medicare Part D prescription drug plan after enrollment in this Trust-sponsored plan, you will be disenrolled from this plan and defaulted into the Traditional Care Network (TCN) plan.

Covered drugs are placed in tiers. Each tier may have a different cost. See the Summary of Benefits to find out what you'll pay for these drugs.

Although you pay the same copay for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amount you pay for these additional prescription drugs **does not apply**

**to your Medicare Part D out-of-pocket costs.** However, these costs will apply to your annual drug out-of-pocket maximum.

Coverage for the prescription drugs on the bonus drug list is in addition to your Medicare prescription drug coverage under the plan. Unlike your Medicare prescription drug coverage under the plan, you are unable to file a Medicare appeal or grievance for drugs on the bonus drug list.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs on this bonus drug list.

If your drug has any coverage rules or limits, there will be code(s) in the “Coverage rules or limits on use” column of the chart. The codes and what they mean are shown below.

#### **QL - Quantity limits**

The plan will only cover a certain amount of this drug for one copay or over a certain number of days. These limits can help ensure safe and effective use of the drug.

#### **MME - Morphine Milligram Equivalent**

Additional quantity limits may apply to all opioid drugs used to treat pain. This additional limit is called a cumulative Morphine Milligram Equivalent (MME). It's designed to monitor safe dosing levels of opioids for people who may be taking more than one opioid drug for pain management. If your doctor or provider prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor or prescriber can ask the plan to cover the additional quantity.

#### **7D - 7-day limit**

An opioid drug used to treat pain may be limited to a 7-day supply if you don't have a recent history of using opioids. This limit helps minimize long-term opioid use. If you are new to the plan and have a recent history of using opioids, the pharmacy may override the limit when appropriate.

#### **DL - Dispensing limit**

Dispensing limits apply to this drug. This drug is limited to a one-month supply per prescription.

This information is not a complete description of benefits. Contact the plan for more information.

Limitations, copay, and restrictions may apply.

Benefits and/or copay may change each plan/benefit year.

The Drug List may change at any time. You will receive notice when necessary.

# Statements of understanding

By enrolling in this plan, I agree to the following:

- ✓ **This is a Medicare Advantage Plan contracted with the federal government. This is not a Medicare Supplement Plan.**

I need to keep my Medicare Part A and/or Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.

- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

- ✓ **I can only have one Medicare Advantage or Prescription Drug Plan at a time.**

- Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
- If I enroll in a different Medicare Advantage Plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
- If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- You may disenroll from this plan at any time if you are not satisfied. To disenroll from this plan or enroll in a different Trust sponsored plan, you must call Retiree Health Care Connect (RHCC) at 866-637-7555.

- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**

Medicare may also release my information for research and other purposes that follow all applicable federal statutes and regulations.

- ✓ **For members of the Group Medicare Advantage Plan.**

I understand that when my coverage begins, I must get all of my medical and prescription drug benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
