

See how Tom chooses the right health plan

Tom¹ is retiring soon and needs to choose a medical and pharmacy plan

Tom worked hard during his years as a union employee and now that he's turning 65 and will be Medicare eligible, he's getting a lot of mail and telephone advertisements from insurance companies. All of the information is becoming overwhelming while he's sorting out which plan is best for him.

After spending many years in the plant, Tom is looking forward to traveling and needs a plan that travels with him. He likes that the UAW Retiree Medical Benefits Trust (the "Trust") Medicare Advantage (PPO) plan is a custom plan, sponsored by the Trust and administered by UnitedHealthcare® that offers national coverage and worldwide emergency care.

After comparing, Tom learned that choosing the Trust Medicare Advantage plan would mean:

No network restrictions²
