# Plan details

## UnitedHealthcare® Group Medicare Advantage (PPO)

Your former employer or plan sponsor has chosen a UnitedHealthcare Group Medicare Advantage plan. The word “Group” means this is a plan designed just for a former employer or plan sponsor like yours. Only eligible retirees of your former employer or plan sponsor can enroll in this plan.

“Medicare Advantage” is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

### Make sure you know what parts of Medicare you have

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with Social Security
- Visit [www.ssa.gov/locator](http://www.ssa.gov/locator) or call **1-800-772-1213**, TTY **1-800-325-0778**, 8 a.m.–7 p.m., Monday–Friday, or call your local office
- You must continue paying your Medicare Part B premium to be eligible for coverage under this group-sponsored plan
- If you stop paying your Medicare Part B premium, you may be disenrolled from this plan

## Medicare Advantage coverage:

**Medicare Part A**  
Hospital

+

**Medicare Part B**  
Doctor and outpatient

**Extra programs**  
Beyond Original Medicare

# How your Group Medicare Advantage plan works

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

## ✓ **One plan at a time**

- You may be enrolled in only 1 Medicare Advantage plan at a time.
- The plan you enroll in last is the plan that Centers for Medicare & Medicaid Services (CMS) considers to be your final decision.
- If you enroll in another Medicare Advantage plan after your enrollment in this group-sponsored plan, you will be disenrolled from this plan(s).
- Any eligible family members may also be disenrolled from their group-sponsored plan. This means that you and your family may not have hospital/medical coverage through your former employer or plan sponsor.

## ✓ **You must have employer group-sponsored coverage**

Your group-sponsored Medicare Advantage plan includes only medical coverage. It does not include prescription drug coverage.

- If you want Medicare Part D coverage, it must come through a group-sponsored plan.
- Your Medicare Part D coverage cannot be an individual prescription drug plan.
- If you enroll in an individual Part D prescription drug plan, you will be disenrolled from your former employer or plan sponsored UnitedHealthcare® Group Medicare Advantage (PPO) plan.

**Remember:** If you drop or are disenrolled from your group-sponsored retiree coverage, you may not be able to re-enroll. Limitations and restrictions vary by former employer or plan sponsor.

You have access to our nationwide coverage. You can see any provider (in-network or out-of-network) at the same cost share as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program.

## View your plan information online

Once you receive your UnitedHealthcare member ID card, you can create your secure online account at: [www.UHCRetiree.com/uky](http://www.UHCRetiree.com/uky)

You'll be able to view plan documents, find a provider and access lifestyle and learning articles, recipes, educational videos and more.

<sup>1</sup>This means that the provider or hospital agrees to treat you and be paid according to UnitedHealthcare's payment schedule. With this plan, we pay the same as Medicare and follow Medicare's rules. Emergencies would be covered even if out-of-network.

<sup>2</sup>Refer to the Summary of Benefits or Benefit Highlights in this guide for more information.

# Getting the health care coverage you may need

## Your care begins with your doctor

- With this plan, you have the flexibility to see doctors inside or outside the UnitedHealthcare network
- Even though it's not required, it's important to have a primary care provider
- Unlike most PPO plans, with this plan, you pay the same share of cost in and out of the network as long as they participate in Medicare and have not been excluded or precluded from the Medicare Program
- With your UnitedHealthcare Group Medicare Advantage plan, you're connected to programs, resources, tools and people that can help you live a healthier life

## Finding a doctor is easy

If you need help finding a doctor or specialist, just give us a call. We can even help schedule that first appointment.

### Why use a UnitedHealthcare network doctor?

**A network doctor or health care provider** is one who contracts with us to provide services to our members. We work closely with our network of doctors to give them access to resources and tools that can help them work with you to make better health care decisions. You pay your copay or coinsurance according to your plan benefits. Your provider will bill us for the rest.

**An out-of-network provider** does not have a contract with us. With the UnitedHealthcare Group Medicare Advantage (PPO) plan, you can see any out-of-network provider as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. We will pay for the rest of the cost of your covered service(s), including any charges up to the limit set by Medicare. If your provider won't accept the plan, we will contact them on your behalf.

**If a provider refuses to directly bill us**, they may ask that you pay the full allowable amount upfront. In that case, you can pay the doctor and then submit a claim to us. You'll be reimbursed for the cost of the claim minus your cost share.

## Take advantage of UnitedHealthcare's additional support and programs

### **Annual Wellness Visit<sup>1</sup> and many preventive services at \$0 copay**

An Annual Wellness Visit with your doctor is one of the best ways to start your year off and stay on top of your health. Take control by scheduling your annual physical and wellness visit early in the year to give you the most time to take action. You and your doctor can work as a team to create a preventive care plan, review medications and talk about any health concerns. You may also be eligible to earn a reward for completing your Annual Wellness Visit through Renew Rewards\*.

### **Enjoy a preventive care visit in the privacy of your own home**

With UnitedHealthcare® HouseCalls<sup>2</sup>, you get a yearly in-home visit from one of our health care practitioners at no extra cost. A HouseCalls visit is designed to support, but not take the place of, your regular doctor's care.

**Every visit includes tailored recommendations on health care screenings and a chance to:**

- Review current medications
- Receive education, prevention tips, care and resource assistance, if needed
- Get advice and ask questions on how to manage health conditions
- Receive referrals to other health services and more

At the end of the visit, our health care practitioner will leave a personalized checklist and send a summary to your regular doctor.

### **Telephonic Nurse Support<sup>3</sup>**

Speak to a registered nurse 24/7 about your medical concerns at no additional cost to you.

### **Special programs for people with chronic or complex health needs**

UnitedHealthcare offers special programs to help members who are living with a chronic disease like diabetes or heart disease. You get personal attention and your doctors get up-to-date information to help them make decisions.

## **Virtual Visits**

See a doctor or a behavioral health specialist using your computer, tablet or smartphone. With Virtual Visits, you're able to live video chat — anytime, day or night. You will first need to register and then schedule an appointment. On your tablet or smartphone, you can download the Amwell®, Doctor On Demand™ and Teladoc® apps.

### **Virtual doctor visits**

You can ask questions, get a diagnosis or even get medication prescribed and have it sent to your pharmacy. All you need is a strong internet connection. Virtual doctor visits are good for minor health concerns like:

- Allergies, bronchitis, cold/cough
- Fever, seasonal flu, sore throat
- Migraines/headaches, sinus problems, stomachache
- Bladder/urinary tract infections, rashes

### **Virtual behavioral health visits**

# Statements of understanding

**By enrolling in this plan, I agree to the following:**

- ✓ **This is a Medicare Advantage plan and has a contract with the federal government. This is not a Medicare Supplement plan.**

I need to keep my Medicare Part A and Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party. To be eligible for this plan, I must live in the plan's service area and be a United States citizen or be lawfully present in the U.S.

- ✓ **The service area includes the 50 United States, the District of Columbia and all U.S. territories.**

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

- ✓ **I can only have one Medicare Advantage plan at a time.**

- Enrolling in this plan will automatically disenroll me from any other Medicare health plan.
- If I enroll in a different Medicare Advantage plan, I will be automatically disenrolled from this plan.
- If I disenroll from this plan, I will be automatically transferred to Original Medicare.
- Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.

- ✓ **My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.**

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

- ✓ **For members of the Group Medicare Advantage plan.**

I understand that when my coverage begins, I must get all of my medical benefits from the plan. Benefits and services provided by the plan and contained in the Evidence of Coverage (EOC) document will be covered. Neither Medicare nor the plan will pay for benefits or services that are not covered.
