Summary of Benefits

January 1, 2021 - December 31, 2021

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover. You can see it online at www.UHCRetiree.com/wapebb or you can call Customer Service for help. When you enroll in the plan you will get information that tells you where you can go online to view your Evidence of Coverage.

About this plan.

UnitedHealthcare PEBB Complete Group Medicare Advantage (PPO) is a Medicare Advantage PPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area as listed below, be a United States citizen or lawfully present in the United States, and meet the eligibility requirements of your former employer, union group or trust administrator (plan sponsor).

Our service area includes the 50 United States, the District of Columbia and all US territories.

About providers and network pharmacies.

UnitedHealthcare PEBB Complete Group Medicare Advantage (PPO) has a network of doctors, hospitals, pharmacies, and other providers. You can see any provider (network or out-of-network) at the same cost share, as long as they accept the plan and have not opted out of or been excluded or precluded from the Medicare Program. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to www.UHCRetiree.com/wapebb to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered, and if there are any restrictions.

If you reside in a long-term care facility, you will pay the same for a 31-day supply as a 30-day supply at a retail pharmacy.

In this stage, you will continue to pay the same cost share that you paid in the Initial Coverage Stage.
